The Trustee delegates the day-to-day management and control of the SNCOs' Mess together with the disbursement of grants to a management committee chaired by the President of the Mess Committee who is appointed by the Trustee. Members of the committee are appointed from functional areas or sections of the unit. However, all management decisions, acquisitions and expenditure are subject to the Trustees' approval by signature in the minute book.

Committee meetings take place each month. The budget for the next financial year is set in May by the Committee for approval by Mess Members at the General Meeting. The Annual General Meeting ratifies the annual audited accounts of the Mess. Minutes are taken at each Committee and General Meeting and are circulated to reach the Trustee within 10 working days of the meeting for their approval.

As Trustee of all Service Funds at Royal Air Force Honington, the Station Commander also has responsibility for one other separately run Service Fund Registered Charity; namely the Royal Air Force Honington Officers' Mess and a number of other sport/society/welfare funds termed as 'Banked Funds' which are accepted charities under the Statutory Instrument 1056/65.

The Trustee has continued a programme of work to identify procedures to mitigate risk and minimise potential impact should risks materialise. A Service Funds Internal Audit Board is convened at the start of each FY to carry out an internal arithmetical and management audit of the charity.

**Summary of the objects of the charity set out in its governing document**

<p>The Object of the Royal Air Force Honington SNCOs' Mess is:</p> <p style="padding-left: 40px;">‘The promotion of efficiency of the Armed Forces of the Crown by the provision and support of facilities and activities for the efficiency and well-being of Service Personnel.’</p> <p>The object presents the Trustee with wide powers, enabling them to provide charitable assistance to all elements of the Royal Air Force Community; internal subsidy of mess activities and grant-making are the Royal Air Force Honington SNCOs' Mess' principal means of delivering charitable assistance.</p> <p>The Royal Air Force Honington SNCOs' Mess has two aims set by the Trustee:</p> <ul style="list-style-type: none"> <li>i. Encourage esprit de corps by enabling serving Mess Members to mix together in both formal dining situations and informal social activities so as to help keep service traditions alive and encourage the well-being of the Mess community.</li> <li>ii. Supporting facilities and capital projects to enable the possible provision for the Royal Air Force Honington community. Details of the Fund's objectives and activities are grouped together within the appropriate aims and details of the scope of each activity are given in the 'Achievements and Performance' section.</li> </ul>
---

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

<p>This Fund derives public benefit as it assists in providing Royal Air Force personnel with the necessary skills to carry out the Royal Air Force contribution to defence of the United Kingdom and its interests. Service Funds are established for the benefit of Service personnel to promote military efficiency which underpins esprit de corps and team working, and they help to encourage personnel to develop the character, spirit and attitude to face challenges and danger associated with military service. As a result the Fund derives a benefit to the general public in helping to provide personnel who are motivated, have a high morale and are willing to serve the needs of their country and that of its public, at all times.</p> <p>The above statement has been agreed by RAF Air Command HQ Service Funds and the Charity Commission. With assistance available from Air Command staff, the Trustee has paid due regard to the guidance issued by the Charity Commission on public benefit.</p>

## Section D

## Achievements and performance

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

The Mess arranged a total of 12 formal functions across the financial year including: Service Dinner Nights in the form of the Battle of Britain, dinner nights for Service Personnel and their spouses/partners, and both a Summer and Christmas Ball for the benefit of the Mess Members, in order to meet the aim of promoting esprit de corps. In addition, the Mess provided a grant to support the Station Bonfire and Fireworks event and additional smaller activities to benefit the membership as a collective. All of these activities received subsidies to the overall cost with members attending paying the full remaining cost of the function or event. Guests who attended these functions paid the full non-members cost for attending these functions, receiving no subsidy from Mess funds, however a number of guests were invited free of charge and in these cases all other function attendees subsidised the resultant costs of their attendance.

A number of functions between Apr – Jun 20 were cancelled due to COVID 19. In instances where members had already paid, full refunds were given and function expenditure was re-allocated to potential future events.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The Royal Air Force Honington SNCOs' Mess only requires a low level of reserves due to its primary purpose as a grant-making charity and having few operational staff or commitments.

### Details of any funds materially in deficit

No funds were in deficit.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Principle funding is received from subscriptions from mess members while further funding is generated through bar trading. Mess member subscriptions were reduced by 45% due to COVID-19 to avoid generating a large surplus.

Additionally, monies that are allocated for a joint project are occasionally pooled along with the RAF Honington Officers' Mess and JRWF when required.

All expenditure is made for the ultimate benefit and provision of services for the SNCOs' at RAF Honington.
