Help Hoima

Trustees' Report

The trustees present their annual report on the affairs of the charity together with the financial statements for the year ended 30 April 2020. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Trust Deed, applicable law and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102).

Objectives and Activities

The North Hampshire based charity, Help Hoima, aims to improve the quality of healthcare, education and agriculture in Hoima, Uganda. The charity also helps to support the Mustard Seed Orphanage. The charity raises money to send to the Diocese of Bunyoro Kibera to channel into new building projects in schools and the Azur Clinic, as well as supporting long-standing commitments, such as the payment of maternity and paediatric staff, a doctor and now a surgeon in the Azur Clinic. The challenge is to raise sufficient funds to meet these regular payments, as well as to invest in long term self-sustaining projects such as the Wallis Tree Project. The funds are raised through regular giving by a list of donors and fund raising events. Many from our North Hampshire community including medical staff from the North Hampshire Hospitals visit Hoima on a regular basis to set up and monitor projects, and to help identify any immediate needs in the community.

Structure, Governance and Management

Help Hoima was established as a registered charity in 2007 formalising a strong and long standing link between the Bunyoro Kitara diocese in Uganda and the Odiham Deanery in Hampshire. Help Hoima has six trustees and operates with a minimum of four meeting quarterly when the distribution of funds is discussed and agreed. Every new trustee must be appointed by a resolution of the trustees passed at a Special Meeting. We are governed by a Declaration of Trust dated 31 January 2008.

Achievements and Performance

The Azur Clinic

We provide financial assistance to the Azur Clinic including the maternity and paediatric units. In addition, the Clinic undertakes family planning, immunisations and HIV counselling and ultrasound scans. The Clinic received HIV accreditation status in 2012 that enabled it to provide a broad spectrum of HIV related services. Since July 2010 we have been undertaking caesarean sections in our own operating theatre and employing a surgeon and surgical team. From the period of opening in 2007 until April 2020 the Azur Clinic has delivered over 20,000 babies. The Paediatric wing with 30 beds is treating over 200 children a month suffering from anything from burns to malaria. The most recently completed building was a vitally needed Outpatients Unit which was funded externally. We commissioned a new blood bank in January 2017. The link to BHPH follows under the link to other charities.

Mustard Seed Orphanage

We began by transferring monies donated by parish members of St John's Hartley Wintney to the orphanage in Hoima under a "sponsored child" scheme. Now the donors give directly to us and the sponsoring scheme is entirely under "Help Hoima". These funds are essential for the orphanage and support education. We continue to support them on their courageous road to self-sufficiency. The current number of children is approximately 70 and they are thriving and receiving excellent education. The Mustard Seed Orphanage is currently continuing with the resettlement programme which aims to return teenagers to their community with support, and so provide much needed space in the orphanage for infants and toddlers. So far over 35 teenagers have been successfully reintegrated back into their communities with many more in the planning stages.

The Wallis Tree Project

Over 86,000 trees have now been planted; pine for short term income and hard wood for long term sustainability. We continue to observe and monitor this investment and the results are very encouraging.

Education

The Canon Njangali Girls' School has experienced several challenges over the last 12 months and Bishop Sam is currently reviewing the options available to allow the school to flourish over the next 3-5 years. The diocese and board are reviewing this ongoing and we hope to report progress over the next 12 months.

Help Hoima

Links to other charities

As a result of the expansion of the Azur Clinic, Basingstoke Hoima Partnership for Health (BHPH) continued to send even larger medical teams to support and train local staff in the clinic and the local government hospital. BHPH are currently making 4 to 5 trips annually with an average of 10-12 medics with several long term sabbaticals in place. Links between Help Hoima and Maternity Worldwide have been cemented. The Laura Case Trust has continued to support Help Hoima for which we are very grateful.

We are also excited that a further charity, MAMA has been launched with a particular focus on maternal healthcare in the more rural areas and working in partnership with Azur. This is an exciting addition to the charities that are supporting the work that Help Hoima has been involved in.

Financial Review

In this year of operation as an independent charity we received £40,147 in donations, mostly from individuals, primarily across our parishes in North Hampshire, but also from the churches themselves. We continue to have the majority of our donations untied to specific projects, which allows us the flexibility to act according to local priorities. We continue to rely on the bishop to help us prioritise the needs. This year we have sent £77,500 to Hoima, which compares with £42,950 last year.

Our financial priorities continue to be the maternity ward and the paediatric unit of the Azur Clinic and the Mustard Seed Orphanage, providing them with operational financial support. We have contributed £37,500 towards the Mustard Seed Orphanage, and £22,000 for the Azur Clinic. We have also contributed £12,000 this year on the Wallis Tree Project. The majority of funding for the Diocesan Training Centre is provided from local churches.

At the end of the financial year, we were held a cash balance of £25,376. Our finances are in very sound condition. We have maintained our objective of collecting sufficient monthly donations to fully cover our operating commitments leaving us to fundraise as we need to for more capital projects.

Public Benefit Statement

The Trustees hereby state, that they have complied with their duty to have due regard to the guidance on public benefit, published by the commission, in exercising their powers and duties.

Trustees Responsibilities

Charity Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its financial activities for that period. In preparing those financial statements the trustees are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) make sound judgements and estimates that are reasonable and prudent;
- (c) state whether appointed accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- (d) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

Approved by the Trustees and signed on their behalf by:

Independent Examiner's Report to the Trustees

I report on the accounts of the Trust for the year ended 30 April 2020, which are set out on pages 5 to 9.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act; and
- state whether particular matters have come to my attention.

Basis of the Independent Examiner's Statement

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no material matters have come to my attention which gives me reasonable cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act); or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

1 Accounting policies

Basis of accounting

These financial statements have been prepared under the historical cost convention, the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) and with the Charities Act 2011.

The Trustees have taken advantage of the option available to small non-company charities with financial years ending on or after 1 April 2009 that have an income of £250,000 or less to prepare its accounts on a receipts and payments basis.

The following principal accounting policies have been applied:

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP.

Grants and Donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Restricted funds are subject to restrictions on their expenditure as imposed by a donor or grant provider.

Incoming Resources

All incoming resources are included in the statement of financial activities on a receipts basis. Donations are included when receivable. The value of services provided by volunteers has not been included in these accounts.

Resources Expended

Expenditure is recognised on a payments basis. Charitable expenditure includes those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity.

Foreign Currency Translation

Incoming resources and resources expended in foreign currencies are recorded at the exchange rate ruling at the date of the transaction.

2 Trustees Remuneration and Related Party Transactions

All trustees gave their time voluntarily and received no remuneration nor benefits from the charity.

3 Taxation

The charity is exempt from tax on income and gains falling within Section 505 of the Taxes Act 1988 or Section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges for the year have arisen in the charity.
