We review our aims and objectives at the AGM every year to ensure we are on track with our overall mission.

Boxing and Training

We continue to focus our work on benfitting the immediate and wider community being based in the London Borough of Brent with boxing training being our core activity and is our priority service to all beneficiaries who access our services. As with last year, and as always, we engage; all ethnicities, female and male, children, young people and adults of all abilities. Our membership has increased since our move to the new premises on the Wembley High Road, with the public able to access us with ease, it has increased to double of what we had in out previous facility. We believe our location aids in improving people's life cirucumstances; fitness and health benefits, reduction in isolation in older people, give women the opportunity to socialise, learn about health and to be part of the solution of reducing violent crimes amongst young people. We are proud to have an additional professional boxer and now have 2 from our club.

ACHEIVEMENT AND PERFORMANCE

Over the last financial year, Stonebridge Boxing Club has met all the targets set, and in some areas have exceeded them (membership numbers). Demand has increased and we have changed our timteable to meet the needs of our boxers and our increased number of beneficiaries who attend for health and fitness reasons. The children and young people's sessions have increased with demand too, giving more focus to younger amateur boxers. As always, we are proud to be engaging inactive women, older peeople and young people who maybe at risk of being involved with the criminal justice system or known to them already.

We received funding from Brent Community Infrastructure Levy Fund, this contribution was key to fitting out our new premises and ongoing costs, more like an investment for long term success for us and the residents of Brent. As per our plans last year, we were honored to receive funding from the L&Q Foundation for women's only sessions, Young people at risk and older people from the community. We over achieved our registration and attendance numbers on these sessions.

Trustees' Report

RISK MANAGEMENT

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that the systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

PLANS FOR FUTURE PERIODS

Stonebridge Boxing Club will continue to provide boxing training to the above mentioned groups, and increase it's offer to at risk young people, women only session and add sessions for vulnerable adults or those considered NEET (Not In Employment Education and Training). These will be delivered by applying for the right funding and are at present looking to make an application to the City Bridge Trust for a project centering around ex offenders and vulnerable young people.

With the support of the London Marathon Foundation, Sports England and Brent Council we are yet again looking for a new premises as we are in a building which will be redeveloped by the council. We have won stage 1 of a tender to re develop a derelict building in a park managed by Brent Council. We are at negotiation stages, and will be looking for further finance and support to take this project to it's final stages.
