Ensuring our work delivers our aims:

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous years. The review looks at the success of each key activity and the benefits they have brought to those people we are set up to help.

The review also helps us ensure our aim, objectives and activities remain focused on our stated purposes. We refer to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the Trustees / Directors consider how planned activities contribute to the aims and objectives they have set.

The focus of our work:

Our main objectives for the year 2019-20 as in all previous years continue to be that of raising of financial support for the running and efficient operation of the Bridge Community Centre in order to:

Provide a meeting venue for the local community as well as give advice to persons needing housing and or employment.

Organising activities for persons with various disabilities.

We also Enable Job Centre Plus (JCP), Housing Associations, the NHS and other agencies to provide advice and assistance to complete various Government and agency forms as needed.

How our activities deliver public benefit:

Our main activities and who we try to help are described below. All our charitable activities focus on the poor the vulnerable and the unemployed people of Merseyside and surrounding areas.

Who used and benefited from our services:

□ In 2020 and the outbreak of Covid 19 Pandemic, we have worked closely with dozens of community-based groups and networks, charities, schools, government organisations, DWP - JCP and GP surgeries along with the local council. Provided & sought tutors to deliver Maths and English functional skills to higher levels of qualifications to enable people to gain better qualifications to support them into work.

□ We have supported people into homes after living on the streets, sought and secured employment for candidates looking to work within the care sector as we all stepped up our efforts to build a stronger, more resilient and sustainable community during these uncertain times. We continue to demonstrate that we are up to the challenge of serving our communities with the largest and most diverse programme delivery in seven years and will restore financial stability as we always have.

Training Programme:

During 2019-20 we continued to train local people to become volunteers each suited to their own individual specific roles and they have also been trained in appreciative conversations to enable more interaction with the community around them.

Community Engagement:

□ Bridge Community Centre a non profit organisation was awarded our first **Branching Out** award for engagement of our most vulnerable within the community and provision of activities & education during 2019 to 2020 by Cobalt Housing Liverpool on 11 August of year 2019. □ The aim of the community awards was for making differences within the local communities and to many people who are continuing to struggle with their mental health, we received an out right winner award for the branching out project & also received a runner up for committed volunteering hours. Our amazing 7 year history of working with multicultural communities and engaging with the most isolated and dis-engaged population. □ The Bridge Community Centre are also proud to be networking with partners with over 55 agencies across the northwest. Local businesses have also partnered with us to help achieve our goals by donating food, groceries, household items as well as time and services. We have a Support &

□ **Talk Service** that initially only run for 1 day per week, we have gained qualifications in counselling and now offer an accessible vital service for those suffering with anxiety & depression related issues, from 2019 to date our numbers of people utilising this vital service has increased to 130 clients and therefore we have had to extend the number of days delivery, also during the height of the pandemic we set up a telephone counselling support line for people to stay in touch, we offer this as to date and is still very much part of our weekly on going services

□ In 2020 and the outbreak of Covid 19 Pandemic, we have worked closely with dozens of community-based groups and networks, charities, schools, government organisations, DWP - JCP and GP surgeries along with the local council. Provided & sought tutors to deliver Maths and English basics functional skills to higher levels of qualifications to enable people to gain better qualifications to support them into work.

Principal Funding Sources:

□ Our centre received vital funds during 2019 to 2020 from a variety of different funders to support us going forward with running costs and volunteers costs also. We wish to thank all the institutions and individuals for their kind and generous support, over the year thus enabling Bridge Community Centre to be established and become operational.

Investment Policy:

During the year 2019 -20 most of the charity's funds are to be spent in the short term so there are no funds for long term investment.

Reserves Policy:

The Trustees / Directors have examined the charity's requirements for reserves in light of the main risks to the organisation and has established a policy whereby the unrestricted funds not committed by the charity should be 12 months of anticipated charitable activity expenditure.

The reserves would be needed to meet the rent, rates and heating of the community centre in order for activities to continue to take place in the building.

The long term strategy is to start to build reserves through planned operating surpluses, the Trustees /Directors are well aware that it is unlikely that the target range can be reached for at least five years. In the short term the Trustees / Directors have also considered the extent to which existing activities and expenditure could be managed, should such circumstances arise.

Plans for Future Periods:

The charity plans to continue the activities outlined above in the forthcoming years subject to satisfactory funding arrangements.

We continue to work on a number of schemes including the expansion of resident counselling educational programme.

The charity will also continue to work with other individuals or institutions who have a vision for helping people in Merseyside.

ON THE STATEMENT OF FINANCIAL ACTIVITIES AND BALANCE SHEET OF BRIDGE COMMUNITY CENTRE LIMITED
(Registered Charity - a Company Limited by Guarantee)

Report of the Independent Examiner to the Trustees and Members of the BRIDGE COMMUNITY CENTRE

The Trustees are responsible for the preparation of the Accounts, they consider that the audit requirements of the Charities Act 1993 (the Act) do not apply. It is my responsibility to state, on the basis of procedure specified in the General Direction given by the Charity Commissioners under Section 43(7)(b) of the Act, whether particular matters have come to my attention.

My examination was carried out in accordance with the General Directions given by the Charities Commissioners. An examination includes a review of accounting records kept by the church and a comparison of the accounts presented with those records. It also includes consideration of any comparison of the accounts presented with those records. It also includes consideration of any concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with Section 41 of the Act, and to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act, have not been met. or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
