Boothferry Road Community Project, The Courtyard, Boothferry Road, Goole, East Yorkshire DN14 6AE

Company No: 3020605 Registered Charity No. 1044581

A Message from our CEO

This year was a great year for enhancing our community offer. We expanded our larger scale events running markets and even Street food nights, a first for Goole!

In the future we hope to build upon this to give the whole community a chance to be together, combatting social isolation and making a great impact on the mental health of Goole.

Our whole team has worked together cohesively throughout the year and going forward we are in a great position to lead as a community hub for Goole.

At the end of the financial year The Courtyard (and many other Charities and Businesses) was forced to close by the Government due to the impact of Covid 19.

In such uncertain time we will all move forward with positivity with the motivation to enrich and promote growth within our community.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is a charitable company limited by guarantee, incorporated on 10 February 1995 and registered as a charity on 28 February 1995. The charity was established under a Memorandum of Association which established its objects and powers and is governed by its Articles of Association last varied on the 30 September 1998.

None of the trustees has any beneficial interest in the charity. In the event of the charity being wound up, the liability in respect of guarantee is limited to £10 per member of the charity.

All trustees are familiar with the practical work of the charity having been trustees for a considerable time.

When new trustees are appointed, the Company Secretary advises them of their obligations by reference to the Charity Commission guide 'The Essential Trustee' and draws attention to the main document setting out the operational framework for the charity, the Memorandum and Articles of Association. They are kept up to date on relevant new requirements.

The trustees continually assess the major risks to which the charity is exposed and take all prudent steps to address and mitigate all risks.

OBJECTIVES AND ACTIVITIES

The charity's principal objective is to develop Boothferry Road School Building as a centre for community use.

PUBLIC BENEFIT

The trustees have due regard to the guidance published by the Charity Commission on matters of public benefit and keep under constant review the need to satisfy the requirements of identifiable benefit to the public.

YEAR ENDED 31 MARCH 2020

ACHIEVEMENTS AND PERFORMANCE

The Chief Executive Officer strives to lead the Charity in a way in which will benefit the whole community by being innovative and gauging external need - using earned income subsidised by business lets and project specific funding to be able to offer the best possible range and quality of events and services.

At The Courtyard we offer a variety of community groups such as the twice weekly parent and toddler group, a craft group, exercise groups, a computer club and much more.

Office occupancy was at 75% in this financial year - this figure is an increase compared to the last

Our in house maintenance team worked year round on maintaining the building to continue to offer a high standard to our community.

BRCP continued to provide a successful Community Market. Our Christmas Market grew to use the whole

FINANCIAL REVIEW

The Charity is funded from income derive from office rentals, hiring out the public rooms for meeting, catering and the on-site café.

The charity suffered a 10% fall in income from these sources and was unable to cover its overhead costs.

As a result the charity had an overall deficit on unrestricted funds of £58,726 for the year ended 31 March

2020. The results were made worse by the impact of Covid-19 towards the end of the financial year. At the year end there was no material fund in deficit and the trustees have taken steps to reduce the future cost base of the charity, to ensure that it remains a going concern.

ASSET COVER FOR FUNDS

Note 16 sets out an analysis of the assets attributable to the various funds and note 14 gives a description of the restricted funds. These assets are sufficient to meet the charity's obligations on a fund by fund basis.

RESERVES POLICY

Unrestricted funds are needed to cover administration and property costs without which the charity could not function. The trustees consider it prudent that unrestricted reserves should be sufficient to cover one years operating costs. Free reserves on 31 March 2020 were less than one years net operating costs.

TRUSTEES ANNUAL REPORT (Continued)

YEAR ENDED 31 MARCH 2020

PLANS FOR THE FUTURE

At the end of this financial year The Courtyard was forced to close due to Covid 19. To date the building has been closed to the community for seven out of 12 months. For the months that we were open we

Our future plans for growth now lie in the 2021-22 financial year.

STATEMENT OF RESPONSIBILITIES

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. I report on the accounts of the company for the year ended 31 March 2020 which are set out on pages 6 to 15.

RESPONSIBILITIES AND BASIS OF REPORT

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINERS REPORT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act: or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2020

1 GENERAL INFORMATION

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is The Courtyard, Boothferry Road, Goole, East Yorkshire, DN14 6AE.

2 STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Charities Act 2011 and the Companies Act 2006.

3 ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of accounting

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b) Legal status of the Charity

Boothferry Road Community Project is a company limited by guarantee and accordingly does not have a share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £10 to the assets of the charitable company in the event of it being wound up.

c) Going concern

The accounts have been prepared on the going concern basis of accounting. The charity like many others, has been significantly impacted by the Covid 19 outbreak towards the end of the year and subsequently. The effects of Covid 19 create considerable risk in forecasting. The trustees are however confident that because of the measures taken including the sale of property and the furlough of staff, there is no material uncertainty about the charities ability to continue as a going concern.

d) Fund accounting

General funds are unrestricted funds available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal. The aim and use of each restricted fund is set out in the notes of the financial statements.

BOOTHFERRY ROAD COMMUNITY PROJECT COMPANY LIMITED BY GUARANTEE NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2020

3 ACCOUNTING POLICIES (Continued)

e) Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

Income from grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity
has entitlement to the funds, any performance conditions attached to the grants have been
met, it is probable that the income will be received and the amount can be measured reliably
and is not deferred.

f) Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Value Added Tax is not recoverable by the charity and as such is included in the relevant costs incurred.

g) Fixed assets

All fixed assets are initially recorded at cost.

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Long Leasehold property - Over 94 years Straight line Fixtures and fittings - 20% Straight line

Freehold property is not depreciated as the trustees feel that the life of the asset will be so long and the residual value so high that the depreciation charge will be immaterial.

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

h) Stocks

Catering stock is valued at the lower of cost and net realisable value.

i) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

j) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity or three months or less from the date of acquisition or opening of the deposit or similar account.

BOOTHFERRY ROAD COMMUNITY PROJECT COMPANY LIMITED BY GUARANTEE NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

3 ACCOUNTING POLICIES (Continued)

k) Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

I) Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

m) Pensions

Employees of the charity are entitled to join a defined contribution 'money purchase' scheme. The charity contribution is restricted to the contributions disclosed in note 7. There were no outstanding contributions at the year end. The costs of the defined contribution scheme are included with the associated staff cost and allocated therefore to raising funds, charitable activities, support and governance cost and charged to the unrestricted funds to the charity.

Pension costs charged in the Statement of Financial Activities represent the contributions payable by the company in the year.

n) Operating leases

Operating leases are recognised over the period which the lease falls due.

INDPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BOOTHFERRY ROAD COMMUNITY PROJECT YEAR ENDED 31 MARCH 2020

I report on the accounts of the company for the year ended 31 March 2020 which are set out on pages 6 to 15.

RESPONSIBILITIES AND BASIS OF REPORT

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINERS REPORT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
