See: Trustees Report, below

Trustees Report for the Year Ending 31 March 2020

Broadfield Community Centre (hereafter 'the Centre') is a vibrant thriving multi-purpose community resource that provides a wide range of activities and meeting spaces for people of all ages. The Centre is a central meeting point hosting groups and projects that improve wellbeing, bring people together and build community. Tracy Frake, Centre Manager, and Viv Evans, Community Centre Development Worker, have worked well as a team, bringing much needed improvements in and around the Centre.

The Centre was registered as a Charitable Incorporated Organization in April 2014. There have been no changes in the Trustees over the period.

We collaborate closely with the local authority, police, Broadfield Library, local shops, charities, groups and local residents, reflecting and refining our provision to the community. The Broadfield Community Centre boasts very high occupancy with the Centre used every day by multiple groups. At the end of the year there were 56 regular community groups using the Centre, with a footfall in excess of 2300 per week.

The 2019 Broadfield Arts Festival proved an enormous success raising the profile of Broadfield, lifting spirits and celebrating art. The performance day saw over 300 people attend and enjoy a celebration of the creative

and diverse cultural talent of Broadfield through a glorious art exhibition, with 192 exhibits of art, photography, crafts and sculptures; with acts from East-African dancers and singers, Chagossian dance and song, multi-ethnic dance groups, rap, beatbox, folk and pop singing, traditional British BBQ and Chagossian food.

Managing the venue to be attractive, warm and inviting encourages visitors to take up activities, many of which will improve health and fitness and should reduce obesity, other groups build social cohesion. For the children, attending the playgroups will positively influence them in their early years and help them to develop their learning and social skills. As they grow older the Centre is the venue for hundreds of children, young people and adults to discover a physical, educational, spiritual or wellbeing activity that can be enjoyed and sustained.

The Coronavirus pandemic caused the Centre to be temporarily closed a week before the reporting year end. The Centre remained closed for four months. It began to welcome a limited number of permissible activities during August 2020.

The financial statements show the current state of the charity's finances for the period ended 31 March 2020. During the year, the Centre generated income of £133,199 and expended resources of £136,455. At the year-end, it held Restricted Funds of £26,248 and Unrestricted Funds of £61,779. The primary sources of income are made up of hall hire and grants (including ongoing support from Crawley Borough Council). The Restricted Funds include £20,000 contributed by Crawley Borough Council held for future use in the Major Buildings Repairs Fund, plus a further £53,000 designated by the Trustees for the same purpose.

Brief statement of the charity's policy on reserves

The trustees determined that a reserve of £25,000 was needed to support major building repairs and renewals. This has been achieved and will be increased further as results permit.

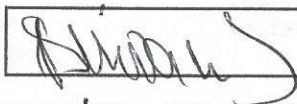

The Trustees recognise the need to develop an operational reserve to support the day-to-day activities of the centre, and continue to seek funding to do this but do not consider it necessary to compromise the centre's services by diverting significant amounts of unrestricted income to achieve it.

Details of any funds materially in deficit

The trustees declare that they have approved the trustees' report above.

**Respective
responsibilities
of trustees
and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. *Delete [] if not applicable.*

It is my responsibility to:
examine the accounts under section 145 of the Charities Act,
to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
to state whether particular matters have come to my attention

Basis of independent examination
My examination was carried out in accordance with general Directions given by the Charity Commission. An **examiner's statement** examination includes a review of the

accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the

statement below.

Independent examiner's statement In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

the accounting records were not kept in accordance with section 130 of the Charities Act; or
the accounts did not accord with the accounting records; or
the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Note 2

Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

On accounts

**Respective
responsibilities
of trustees
and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. *Delete [] if not applicable.*

It is my responsibility to:
examine the accounts under section 145 of the Charities Act,
to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
to state whether particular matters have come to my attention

Basis of independent examination
My examination was carried out in accordance with general Directions given by the Charity Commission. An **examiner's statement** examination includes a review of the

accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the

statement below.

Independent examiner's statement In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

the accounting records were not kept in accordance with section 130 of the Charities Act; or
the accounts did not accord with the accounting records; or
the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Note 2

Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.
