**Working Together (Ludlow) Limited**  
**Report of the Trustees**  
**For the year ended 30 June 2020**

The Trustees, who are also directors for the purposes of company law, have pleasure in presenting their report and the financial statements for the charitable company for the year ended 30 June 2020. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Working Together is a charity supporting people with learning disabilities and difficulties. We offer supportive opportunities for adults and young people aged 11+ and promote the positive role people with learning disabilities can play in the local community.

Our aims are to foster a welcoming, loving and supporting environment to:

- promote happiness, good health and wellbeing;
- encourage a strong sense of belonging;
- develop a stimulating and creative work and social environment;
- encourage all to develop their own skills and talents;
- do what we can as well as we can;
- create an environment where all are valued, appreciated and included;
- encourage the inclusion of people with learning disabilities in all aspects of community life

**Statement on public benefit**

Working Together (Ludlow) Limited's charitable purpose is enshrined in its objectives and delivers public benefit through the work it performs in delivering these objectives.

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

**Volunteers**

The Trustees are very grateful to the commitment and dedication given by the volunteers through this year. Without their time, energy and enthusiasm, generosity and support Working Together would not have been able to function. Our volunteers support the staff team and our members at our daytime activities, Youth Club, Diversity, Sewing Bee and Writers' Club. As a result of the Pandemic we have not been able to welcome as many volunteers since March as usual, but their support and commitment to the charity remains extremely important to us.

Sadly, in April, Richard Geuter, Working Together founder and manager for many years, passed away after a long battle with illness. The sad news brought an outpouring of emotion by many, demonstrating the huge respect in which Richard was held by so many people. Everyone at Working Together will continue to work hard to ensure Richard's legacy continues, for the benefit of adults and young people with learning disabilities, and their families, to offer positive opportunities and to support our Members to live their very best lives in the communities of Ludlow, South Shropshire and north Herefordshire.

**Key Personnel Changes**

We appointed a new Chief Executive, Yvette Thorman, in August 2019, following our Community Fund grant award. Julie Wright, Admin and Finance Officer left us in the autumn and we welcomed Helen Hughes to this role. Andrea Pearce resigned and James Small was offered a permanent contract. Yvette Thorman resigned in February. Nigel Bishop was appointed Interim Manager in March 2020. Lisa McCourt resigned from Diversity in April due to other work commitments. Our staff team has worked tirelessly through the Pandemic, switching to remote phone and digital support to all our members during full lockdown. Once restrictions eased the team worked on a viable Recovery Plan, for a Covid safe return to the Rockspring Centre. The Trustees would like to express their gratitude to all the staff, who have gone above and beyond, to seek to ensure support all our members and their families through some very challenging times in 2020.

## ACHIEVEMENTS AND PERFORMANCE

### Significant activities

Working Together has continued to promote a positive image of the role that people with learning disabilities and difficulties can play in the wider community. Our Members are well-known, liked and respected throughout the local area. During 2019 we built on the successful move to the Rockspring Centre following the closure of Fish Street Café. This move, together with a growing membership and the Community Fund grant will underpin a sustainable future for Working Together. During 2019/2020 we have delivered day activities for up to eight members a day, four days a week. Both Youth Club and Diversity have also moved to the Rockspring Centre, delivering a comprehensive weekly programme of positive opportunities and activities from our new home. Pre-Covid the new premises enabled us to still offer a small café to continue our focus on cooking, independent living skills and healthy eating. Supporters and customers were able to drop-in and enjoy a snack. Our food delivery service and occasional event catering were also proving popular.

The Rockspring Centre offers:

- A place for people to have lunch, coffee and cakes
- A skills training centre for our members
- A supported working environment
- Arts and crafts workspace
- A social club and safe haven
- A friendly meeting point for supporters, Members and volunteers

The outside space at Rockspring offers gardening activities, outside seating areas, pizza oven and barbeque facilities. All our activities provide opportunities for our Members to learn independence, life and social skills, and with support to maintain and progress work based programmes.

All of the food produced at Working Together is prepared with the help and input of our Members with learning disabilities and difficulties. Our staff team and volunteers support Members to prepare, cook and serve each other and customers to the café. They are also involved in the compliance management of food hygiene such as the opening and closing procedures, fridge and freezer temperature monitoring etc.

Social and Activity Projects including Youth Club, Diversity, Sewing Bee, Writers and Sports Club:

Youth Club (11-18) - Weekly Youth Club sessions, now held at Rockspring, have included the following activities:

- Food tasting from other cultures
- Animal encounters
- Craft sessions
- Physical activity sessions
- Use of computers
- Communication games

Diversity (18+)

Diversity is for members aged over 18 and includes fortnightly Diversity evenings with social activities based on the interests of Members. Events have included:

- Games at the Linney
- Film and food evenings
- Yoga
- Quiz nights
- Pizza making evenings

Sewing Bee encourages Members to develop and improve their sewing skills both by hand and using a machine. Writers' Club encourages Members to share their creative writing. Sports Club offers weekly physical activity sessions at Ludlow College. This popular regular program encourages the Members to join in activities such as parachute games, football, volley ball and basketball. They also use gym equipment in the fitness suite.

Everything came to a halt at the end of March 2020, as a result of Covid-19 and lockdown, when we had to close our doors and everyone had to stay at home. Knowing how important Working Together is to its Members the staff team immediately started work on how we could continue contact and support to our Members and their families during a very challenging time. We were able to retain contact with all our Members, using different forms of communication to keep in touch. Some Members happily engaged via digital platforms, others were not wanting to communicate that way but enjoyed regular phone calls. Some of our contacts were individual, some were group based, always endeavouring to offer remote support in the most appropriate way for each individual Member. We increased the frequency of our newsletter, issuing weekly editions, sharing thoughts, information, ideas and experiences. We improved the content on the website, ensuring it was kept up to date, including providing useful links to Coronavirus information and support services for Adults with Learning Disabilities. Trustees met monthly, via Zoom, during lockdown, working closely with the Interim Manager to ensure we continued to

deliver the very best service and support to our Members that we could. This enabled us to move swiftly towards a Recovery Plan and a gradual Covid safe reopening as soon as it was safe, feasible and possible to do so.

#### **FINANCIAL REVIEW**

Total receipts for the year were £106,592 of which £68,199 were to unrestricted funds and £38,393 were restricted to specified projects. Income from the charitable activities of food sales was £6,693, down from previous years, which reflects the closure due to Covid for the last 3 months of the financial year. Member income contributed £52,513, an increase of 32% on last year as a result of increased day time attendances in 2019. Donations provided a further £9,225. Grants received included National Lottery Community Fund £27,500; BBC Children in Need £9800; Ludlow Town Council £750 as well as donations from the Millichope Foundation, White Stuff, the Baptist Church and many other valued donors. Total payments for the year were £81,550 of which £57,688 was spent on wages. The excess of payments over receipts was £25,042, which allows £64,456 to be carried forward into next year.

#### **Reserves**

It is our policy to try to maintain a balance of unrestricted funds which equates to at least 6 months' unrestricted payments. This is equivalent to just over £40,700. It is held to smooth out fluctuations in cash flow and to meet emergencies. The balance on unrestricted funds at the year end of £59,799, means that the charity has achieved this target for 2019/20. The Trustees will continue to keep close management of the finances during what are extremely challenging economic times.

#### **Going concern**

Given the challenges of 2020 the financial position of the Charity remains sound. Despite being unable to increase income levels in line with our Business Plan, by increasing our Membership and the number of Members attending daytime activities; and despite being unable to increase sales through our café and outreach food delivery service as a result of Covid closure, we have been able to maintain sufficient income levels to meet expenditure, underpinned by our year 1 grant from the National Lottery Community Fund.

Working Together (Ludlow) Limited  
Independent Examiners Report to the Trustees  
For the year ended 30 June 2020

I report to the trustees on my examination of the accounts of the charitable company for the year ended 30 June 2020.

**Responsibilities and basis of report**

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiners statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements  
For the year ended 30 June 2020

## 1. Accounting Policies

### Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006.

Working Together (Ludlow) Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

### Going concern

The accounts have been drafted on the basis that the charity is a going concern.

### Funds

Funds held by the charity are either

Unrestricted income funds are those funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds are those funds donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

### Incoming resources

All incoming resources are included in the statement of financial activities when the Charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income including donations, legacies and grants that provide core funding or are of a general nature is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which it has been received. Such income is only deferred when

- the donor specifies that the grant or donation must only be used for future accounting periods; or
- the donor has imposed conditions which must be met before the charity has unconditional entitlement.

Incoming resources from tax reclaims are included in the statement of financial activities when received.

Income derived from events is recognised as earned (that is, as the related goods or services are provided).

Investment income is recognised on a receivable basis.

The value of voluntary help received is not included in the accounts.

### Donated services and facilities

Donated services and facilities are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the Charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the Charity of the service or facility received.

### Resources expended

Liabilities are recognised as resources expended when there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Working Together (Ludlow) Limited  
Notes to the Financial Statements Continued  
For the year ended 30 June 2020

**Charitable activities**

The activities of the Charity are those of developing work skills and providing social and sporting opportunities for its Members.

**Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example allocating staff costs by the time spent and other costs by their usage.

**Taxation**

The charity is exempt from corporation tax on its charitable activities.

**Tangible fixed assets**

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:
