Incoming Resources

All incoming resources are recognised once the Association has entitlement of the resource, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability. Incoming resources from grants, where there are performance or service deliverables required by the terms of the grant are accounted for as the Association earns the right to payment through its performance. Grants where entitlement is not conditional on the delivery of a specific performance by the Association are recognised when the Association becomes unconditionally entitled to the grant.

Resources Expended

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Association to the expenditure. All expenditure is accounted for on an accrual basis and has been classified under headings that aggregate all costs related to the category.

9 GOING CONCERN

The Association has secured funding for the next 5 years which commenced October 2019 from the National Lottery "Reaching Communities Fund" to help assist in financing it's work in the Community.

A K Centre's funding from HS2 will expire in June 2021 but negotiations are continuing to extend this period.

The Association is always seeking funding from alternative sources to help finance it's projects and will continue to charge small fees for Immigration work and accept donations.
