REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 SEPTEMBER 2020

OBJECTIVES AND ACTIVITIES

Grantmaking

Grants are made in response to requests received from non-charitable organisations to fund specific policy studies, conferences and lectures. The purpose of these studies must be to enhance public discussion of issues normally in the economic, industrial, social and foreign policy fields. Publication is expected and requests for grants to fund conferences and lectures associated with the publications are considered by the trustees at their quarterly meetings.

When considering the requests from non-charitable organisations the trustees follow the guidelines made by the Charity Commission.

FINANCIAL REVIEW

Principal funding sources

The trust's work is entirely reliant on income from public donations and associated gift aid.

Investment policy and objectives

In accordance with the trust deed, the trustees have the power to invest money of the trust not required for immediate funding purposes. The trustees have considered the amount of income required to maintain the current level of charitable activity and the likely needs of future beneficiaries.

Reserves policy

The trustees review the level of reserves on a monthly basis. The trustees maintain free reserves in unrestricted funds at a level which equates to not less than two years of support and governance costs. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that amount is not designated.

At the year end, the balance held as unrestricted funds is £454,204 (2019: £401,052) of which £240,892 (2019: £108,637) are regarded as free reserves, against an actual spend of £14,842 (2019 £14,633). Included within unrestricted funds are designated funds of £213,312 (2019: £292,415) which have been established by the trustees to enable the trust to fulfil any obligations for donors wishes as maybe considered appropriate by the trustees.

FUTURE PLANS

The trustees plan to continue the activities as outlined under significant activities for the forthcoming years subject to satisfactory income.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Insitute for Policy Research was established under Declaration of Trust (Deed of Trust) on the 1 July 1982. The trust is constituted as an unincorporated charity which is registered with the Charity Commission on 26 July 1982. The charity's governing document is the Deed of Trust which is supplemented by a Deed of Variation dated 24 January 1984.

Recruitment and appointment of new trustees

The power of recruitment and appointment of new trustees is vested in the existing trustees. The number of trustees shall not be less than three.

Organisational structure

Responsibility for the overall management of the trust rests with the trustees who meet on a quarterly basis. At the trustees' meetings grant applications are considered as are the board strategy and areas of activity for the trust, including consideration of grant making, investment, reserves and risk management policies and performance. The day to day administration of grants and the processing and handling of applications prior to consideration by the trustees is delegated to the secretary/treasurer.

Induction and training of new trustees

All existing trustees are fully aware of the workings of the trust and it follows that induction and training of new trustees would follow a similar line before taking a full part in the trust.

Risk management

The trustees have considered the major risks to which the trust is exposed and have reviewed those risks and considering the size and nature of the trust have established systems and procedures to manage those risks.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE INSTITUTE FOR POLICY RESEARCH

Opinion

We have audited the financial statements of The Institute for Policy Research (the 'charity') for the year ended 30 September 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE INSTITUTE FOR POLICY RESEARCH

Responsibilities of trustees

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the trust. Single or multi-year grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they receive a grant and any condition attaching to the grant is outside of the control of the trust. Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Allocation and apportionment of costs

Support costs are those that assist the work of the charity but do not directly undertake charitable activities. Note 6 provides a breakdown of the costs and how these have been allocated.

Taxation

The charity is exempt from tax on its charitable activities. The trust is not registered for VAT as the trustees consider the sources of income are exempt from VAT. For this reason it is unable to recover input VAT it suffers on purchased goods and services and the cost is included with the item of expense to which it relates.

Fund accounting

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
