ACCOUNTS FOR THE YEAR ENDED 30TH JUNE 2020

Trustees' Annual Report

The Trustees of the Sabina Sutherland Charitable Trust have pleasure in submitting their Annual Report and Financial Statements for the year ended 30th June 2020.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

Objectives and activities

This charitable trust was created by a Declaration of Trust deed dated 7th July 2015. Its objectives for public benefit in accordance with its governing document are to apply the income and capital of the Trust by making grants to organisations or individuals at such times and in such manner as the Trustees in their discretion think fit. The purpose of the grant must fall within the scope of the following:

- the advancement of religion
- the advancement of the arts, culture, heritage or science
- the advancement of environmental protection or improvement
- the prevention or relief of poverty
- any other purposes currently recognised as charitable or any new charitable purposes which are similar to another charitable purpose.

To meet with the charity's objectives, currently the trustees have resolved to be guided in their grant-giving by the particular causes that Sabina supported in her will, and that the sums given annually would be in approximately the same proportions. The proportions are as follows:

Churches	44%
Poverty	21%
Art	15%
History	12%
Wildlife and environment	8%

It is emphasised, however, that these figures provide a guide and the proportions given to each sector could vary from year to year and the Trustees particularly welcome applications which combine two or more of each sector.

Achievements and Performance

The Trustees resolved to make a number of donations, as detailed in Note 7 to the accounts. Donations awarded varied between £108 and £5,600. The total awarded is attributable to each sector as follows:

0/

	.	70	
Advancement of religion	9,000	12	
Advancement of the arts, culture, heritage or science	40,786	52	
Advancement of environmental protection or improvement	5,000	6	
Prevention or relief of poverty	19,000	24	
Other (Education)	5,000	6	
	78,786	100

Trustees' Annual Report

The Trustees have complied with the duty in S17 of the Charities Act 2011 and have had due regard to guidance on Public Benefit issued by the Charity Commission when exercising any relevant powers or carrying out duties to which the guidance is relevant.

Financial review

Income from investments totalled £31,488 (income from legacies and investments £38,252 in 2019) and £12,882 (£13,385 in 2019) was paid to raise funds. The SoFA includes net losses on investment assets during the year of £17,540 (£43,895 net gains in 2019).

The Trustees pledged and paid grants totalling £78,786 during the year(£230,516 in 2019). After taking office and governance costs into account, a total of £83,324 was spent on the charity's activities (£235,371 in 2019).

The Charity funds totalled £1,002,909 as at the financial year-end (£1,085,167 in 2019), of which £8,860 (£3,755 in 2019) was held as Unrestricted Funds of Income and represented by cash held on the charity's income accounts.

Investments:

The Trust's capital is invested in marketable investments or held in cash. As there are no specific restrictions under the governing deed, the Trustees have full discretion over the investments and so have delegated Rathbone Investment Management to have full discretionary day to day control of the investments. They have agreed objectives with the Investment Manager to secure a reasonable growth in income consistent with the long term preservation of capital in real terms. Investment decisions should be made based on the views of a prudent person in accordance with the standard of investment criteria relating to suitability and diversification. These objectives are reviewed annually.

The Trustees wish to ensure that the objectives outlined above are achieved with an acceptable risk. This implies the need for diversification of investment of the Trust to include a range of assets, including fixed interest stocks, UK and overseas shares.

Investments continue to comprise of holdings in UK, large overseas listed companies, unit and investment trusts, including those investing in major international markets and also fixed interest securities. The portfolio can therefore include a proportion of medium-sized or smaller UK companies and has exposure to international markets.

The Investment Managers are required to operate within the constraints applying to trusts governed by the Trustee Act 2000. The performance of the fund is currently monitored against an agreed benchmark in conjunction with reports regularly provided by the Investment Manager.

Reserves

The Trustees do not consider the underlying capital to be reserves since they form the sole source of income for the Trust. It is not the intention of the Trustees to build up or maintain income reserves and aim to donate net income received each year, with any under expenditure being balanced by over in subsequent years.

Trustees' Annual Report

Risk Management

The Charity Trustees have given consideration to the major risks to which the charity is exposed and are satisfied that systems or procedures have been established in order to manage those risks. After considering the areas of governance, operational, financial, environmental and compliance the Trustees have identified that major negative fluctuations in investment assets could cause a material risk to the Charity's funds. In order to mitigate this risk and in accordance with s15 Trustee Act 2000 the Trustees have established a Policy Statement to be adhered to by the Investment Manager, which shall be reviewed at least once a year in line with investment performance.

Structure, governance and management

This charitable trust was created by Declaration of Trust deed dated 7th July 2015. Its governing body are Board of Trustees.

There must be at least three Trustees. Power of appointing new Trustees is vested in the then current Trustees. New Trustees are selected due to their connection with the current Trustees and in accordance their skills, experience and understanding of the obligations imposed on such an appointment. The Trustees do not undergo formal training as such but ensure they operate in accordance with current practice and meet with their duties within their powers as advised by Rathbone Trust Company Limited and from guidance published by the Charity Commission. Trustees are appointed by resolution which is passed at a special meeting.

The Trustees meet to review applications for funding, investment performance, income levels and the financial statements

Future plans

The Trustees intend to continue with the policies stated throughout this report for the foreseeable future. However, at the time of signing the Report, the Trustees are cognisant that the Covid-19 pandemic has caused a profound shock for economies all over the world which has led to significant falls on global markets. Charity's funds have been impacted by this and the Trustees recognise that future income levels will be under pressure and are expecting significant falls in income as a consequence. This will be kept under review and the Trustees recognise that all funds are available for distribution at their discretion.

Statement of Trustees' responsibilities for the annual accounts

The Trustees are responsible for preparing the Trustees' Annual Report Accounts in accordance with law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these accounts, the Trustees are required to:

- select suitable accounting polices and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Declaration

The Trustees declare that they have approved the Trustees' Annual Report above.

Independent Examiner's Report

Independent Examiner's report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30th June 2020, which are set out on pages 6 to 17.

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I am a member of an approved body subject to the provisions of the Revised Ethical Standard 2016 issued by the Financial Reporting Council (FRC). Rathbone Trust Company has provided book keeping services in accordance with the terms of engagement signed by the Trustees and I do not report to the book-keeper in any respect. I give due consideration to the FRC's Revised Ethical Standard 2016 at all times.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in any material respect:

- * the accounting records were not kept in accordance with section 130 of the Charities Act, or
- * the accounts did not accord with the accounting records, or
- * the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ACCOUNTS FOR THE YEAR ENDED 30TH JUNE 2020

Notes to the Accounts

1 Accounting Policies

The Sabina Sutherland Charitable Trust was established by a Declaration of Trust dated 7th July 2015 is governed by a board of Trustees. The Charity is registered in England and Wales. Its principal address is 84 Beech Lane, Earley, Reading, Berkshire, RG6 5QE.

Accounting Convention

These accounts have been prepared in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), Accounting and Reporting by Charities the Statement of Recommended Practice for charities applying FRS102, the Charities Act 2011 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015.

The charity is a Public Benefit Entity as defined by FRS 102.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared on the historical cost convention, modified to include the revaluation of investments at fair value. The principal accounting policies adopted are set out below.

The charity has taken advantage of the provisions in the SORP for Charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

Going Concern

At the time of approving the accounts and as detailed in the Trustees' report the Trustees have considered the impact of Covid-19 on the charity and the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the 'going concern' basis of accounting in preparing the accounts.

Fund accounting

Unrestricted funds are available for use at the discretion of the charity in furtherance of the general charitable objectives of the charity unless the funds have been designated for other purposes.

Expendable Endowment funds are to be retained for the benefit of the charity as a capital fund and are largely invested to produce income that is to be spent for the purposes of the charity. Endowment funds released as expendable funds are transferred to unrestricted or designated funds of the Charity.

Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income Tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

ACCOUNTS FOR THE YEAR ENDED 30TH JUNE 2020

Notes to the Accounts

All investment income is recorded net and includes tax deducted only when it is repayable to the Charity.

Expenditure

Expenditure is recognised when paid or when there is a legal or constructive obligation for which it is more likely than not that a transfer of economic benefit will be required in settlement and the amount can be reliably measured as at the reporting date. A constructive obligation exists where the charity has communicated the commitment to provide particular funding to the recipient by the reporting date and there are no conditions attached to its payment falling due after the reporting date.

Provisions for liabilities must be recognised when either the timing or the amount of future expenditure required to settle the obligation is uncertain. These are distinguished separately on the balance sheet. If a transfer of resources is no longer required, provisions are reversed and charged to the SoFA.

Investments

Investments held in the fund are included at their market value as follows:

- (a) Listed securities are valued at the mid market value ruling at the balance sheet date.
- (b) Listed securities held in foreign currencies have been valued at the mid market value and translated into their sterling equivalents at the rates ruling at the balance sheet date.
- (c) Gilts are valued at the mid market value ruling at the Balance Sheet date and include interest which has accrued up to that date.

Investments are classified as a fixed asset except when classified as a current asset where the intention of the trustees is to dispose of the asset and not reinvest the proceeds.

Other recognised Gains and Losses

Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost and are charged or credited to the Statement Of Financial Activities in the year of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities resulting from revaluing investments to market value at the Balance Sheet date.

Taxation

The charity is not liable to income or capital gains tax on its charitable activities. Irrecoverable VAT is included in the asset cost or the expense to which it relates.

Cash and cash equivalents

Cash at bank and in hand is held to meet short-term cash commitments as they fall due rather than for investment purposes. Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Financial Instruments

The Charity has elected to apply the provisions of S11 'Basic Financial Instruments' and S12 Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

ACCOUNTS FOR THE YEAR ENDED 30TH JUNE 2020

Notes to the Accounts

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are recognised at transaction price price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities.

Cancellation of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
