Directors'/Trustees' Report

The directors/trustees present their annual report and accounts for the year ended 30 June 2020.

The board of directors/trustees are satisfied with the performance of the charity during the year and the position at 30 June 2020 and consider that the charity is in a strong position to continue its activities during the coming year, and that the charity's assets are adequate to fulfil its obligations.

Principal activities

The company's principal activity during the year continued to be that of a charity.

Objectives and activities of the Trust and Public Benefit

Al-Ansaar Welfare & Education is constituted under a Trust Deed adopted on 15 December 2002.

The Trust Deed gives the Directors/Trustees the power to apply funds in such a manner as they think fit to or for the benefit of any charitable object or purpose. The activities are listed below :-

- To provide Islamic education for children aged 5 to 16.
- To provide Madrasa for children aged 5 to 16.
- To provide and promote youth work.
- To provide Islamic awareness workshops.
- To provide Nikah (marriage) service, counselling and guidance.

Management and governance

Directors/Trustees

The following persons served as directors during the year:

Mr M F Kazi	Director and Trustee
Mr A Bhayat	Director and Trustee
Mr J Pathan	Trustee

The daily running of the Charity is delegated to Mr F Kazi who acts as Charity Co-ordinator with the support staff.

The chair of the Trustees is responsible for the induction of any new trustee which involves awareness of the trustee's responsibilities, the governing document, administrative procedures, the history and philosophical approach of the charity. A new trustee would receive a copy of the previous year's annual report and accounts and a copy of the Charity Commission leaflet 'The Essential Trustee : What You Need To Know'.

The trustees annually review the risks that the charity faces. The main focus of risk to the trustees on a monthly basis is to monitor donations received and to ensure they remain at the level the charity requires to continue with its activities. Having suffered a reduction in donations in the year under review and its income from fund raising activities the trustees have reduced the costs of the charity by negotiating with suppliers for a reduction and kept expenditure to a minimum where possible and the trustees consider that the charity still has a viable stand alone position.

Directors'/Trustees' responsibilities

The Charities Acts and the Companies Acts require the board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements ;

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Al-Ansaar Welfare & Education Limited

Independent Examiner's Report

Report of the Independent Examiner to the trustees on the accounts of Al-Ansaar Welfare & Education Limited for the Year Ended 30 June 2020

I report on the financial statements of the Charity on pages 7 - 13 for the year ended 30 June 2020 which have been prepared in accordance with the Charities Act 1993 and with the Financial Reporting standard for Smaller Entities (FRSSE), effective April 2008, as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, effective April 2005 as modified in June 2008. (The SORP), under the historical cost convention and the accounting policies set out on page 11.

Respective responsibilities of trustees and examiner

As described on pages 2 to 4, the Charity's trustees, who are also the directors of the company for the purpose of company law, are responsible for the preparation of the financial statements.

The trustees are satisfied that the audit requirement of Section 43(2) of the Charities Act 1993 (the Act) does not apply and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

having satisfied myself that the charity is not subject to audit under company law, or otherwise, and is eligible for independent examination, it is my responsibility to :-

- a) examine the accounts under section 43 of the Act
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 43(7)(b) of the Act and ;
- c) state whether particular matters have come to my attention.

Basis of opinion and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England & Wales setting out the duties of an independent examiner issued by the Charity Commissioners under section 43(7)(b) of the Act) in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the Statement of Recommended Practice issued by the Charity Commissioners for England & Wales (effective April 2005 as modified in June 2008), on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

Al-Ansaar Welfare & Education Limited

Approved by the board on 19 April 2021

Al-Ansaar Welfare & Education Limited
Notes to the Accounts
for the year ended 30 June 2020

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (FRSSE), effective April 2008, and all other applicable accounting standards, as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008). The accounts have been drawn up in accordance with the provisions of the Charities (Accounts and Reports) Regulations 2008 and the Companies Act 2006, and include the results of the charity's operations which are described in the Trustees' Report, all of which are continuing.

Insofar as the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008) requires compliance with specific Financial Reporting Standards other than the FRSSE then the specific Financial Reporting Standards have been followed where their requirements differ from those of the FRSSE.

Advantage has been taken of Section 396(5) of The Companies Act 2006 to allow the format of the financial statements to be adapted to reflect the special nature of the charity's operation and in order to comply with the requirements of the SORP.

The charity has taken advantage of the exemption in the FRSSE from the requirement to produce a cash flow statement.

The particular accounting policies adopted are set out below.

Accounting convention

The financial statements are prepared, on a going concern basis, under historical cost convention.

The charity is entirely dependent on continuing donations and as a consequence the going concern basis is also dependent on the continuing donations.

Incoming Resources

Incoming resources are accounted for on receivable basis.

Investment Income

Bank interest is included in the income and expenditure account on a receivable basis.

Recognition of liabilities

Liabilities are recognized on the accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the Statement of Recommended Practice for Accounting and reporting (revised June 2008) issued by the Charity Commissioners for England & Wales.

Al-Ansaar Welfare & Education Limited
Notes to the Accounts
for the year ended 30 June 2020

Resources expended

The policy for including items within the relevant activity categories of resources expended is as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs to the appropriate category.

In particular the policy for including items within costs of charitable activities and governance is :-

Charitable Activities

The cost of goods and services and ancillary trading costs that have been incurred in charitable activities. The Chair of the trustees and support staff both promote and developed the charitable activities of the charity and therefore the relevant salary costs are treated as direct charitable expenditure.

Governance costs

Governance costs shall include all expenditure directly related to the administration of the charity including expenditure incurred in the management of the charity's assets, organizational administration and compliance with charitable and statutory requirements.

Allocation of costs within types of resources expended

Other Resources Expended

These include expenditure not directly related to the charitable activity. In respect of certain items of expenditure it is a matter of judgment as to whether such items are direct charitable expenditure or are administrative or premises costs, and the directors have applied what they consider to be reasonable judgments in apportioning such costs.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Land and buildings	Nil
Plant and machinery	15% reducing balance

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company, and therefore included in relevant costs in the Statement of Financial Activities.

Fund Structure policy

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.
