## Trustees' Annual Report (Incorporating the Director's Report) (continued)

#### Year ended 31 March 2020

#### Structure, governance and management

Beis Chaya Rochel (The Gateshead Jewish Academy) Limited is constituted by Memorandum and Articles of Association and is a company limited by guarantee. It was incorporated on 04 November 2003 as a company and the company number is 4952700. It was registered as a charity on 09 January 2004 with a charity number 1101438.

Recruitment and appointment of new trustees would be in line with the Trust Deed and with the consent of the trustees. The criteria set for the suitable candidate would be someone who is sensitive to the needs and demands of the organisation.

#### Trustee induction and training

New trustees undergo an orientation day to brief them on their legal obligations under the Charities Act, the committee, decision making processes, the business plan and the recent financial performance of the charity. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

#### Organisational management

The trustees of the charity are legally responsible for the overall management and control of the charity and meet regularly. The day to day affairs are managed by the principal and his dedicated team who oversee the governance and management of the seminary. They report to the trustees on a regular basis.

#### Risk review

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that systems are in place to manage our exposure to the major risks.

The principle risks are financial including items such as bad debts as well as reduction in student numbers and loss of grants receivable. The trustees plan to manage these risks by regular and rigorous review of debtors as well as maintaining a high standard of education and governance of the seminary to ensure it has a good reputation worldwide. Most grants receivable are linked to the associated expenditure such that if the grants would cease to be payable then the associated security costs would cease too.

#### **Company Limited by Guarantee**

#### Trustees' Annual Report (Incorporating the Director's Report) (continued)

#### Year ended 31 March 2020

#### Objectives and activities

#### **Objects**

The objects of the charity are the advancement and promotion of orthodox Jewish religion, education and general secular education and vocational training for Jewish girls being achieved through the operation of a residential college. The college delivers an intensive programme of religious Jewish education as well as the provision of vocational training.

#### **Public benefit**

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education when reviewing the charity's aims and objectives and in planning future activities and setting grant making policy for the year.

The trustees consider they have met the public benefit test and outline these achievements below.

#### **Grant making policy**

The charity does not normally pay out any grants as it operates a college and the charitable activity is normally directly charitable.

If the charity would pay out any grants it would be in line with the objects as stated above.

#### Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

#### Achievements and performance

The charity recorded £560,352 in voluntary contributions, registration fees and other income during the year as well as £586,955 in donations and £246,432 in grants receivable mainly from CST for security.

The charity paid out £1,276,389 on running costs of the college including instruction & other direct management costs as well as support costs. This expenditure was made in line with the stated objects of the charity. The college had a student roll of 196 girls for the period under review.

The charity had low governance and support costs being about 4% of total expenditure in the year to 31 March 2020. The charity achieved this objective by maintaining tight controls over office & other governance costs.

There were no investments made during the year.

Fundraising costs incurred during the year are as detailed in the notes to the accounts.

Related party transactions are recorded as applicable in the notes to the accounts.

There was an overall net income and net movement in funds for the year amounting to £117,812.

## **Company Limited by Guarantee**

### Trustees' Annual Report (Incorporating the Director's Report) (continued)

#### Year ended 31 March 2020

#### **Financial review**

#### Review of activities and achievements

The Seminary has continued to improve its programme during 2020.

The college delivers an intensive programme of religious Jewish education as well as the provision of vocational training in subjects such as information technology, dressmaking, hairdressing, interior design and music. At the financial year end the college's roll numbered 194 (previous year roll was 212).

The trustees feel that the activity reflects the profile and standing within the local community. The impact for future year's expenditure is self evident and the trustees would like to record their appreciation for all the financial support received from benefactors during the course of the year.

#### Reserves policy

The trustees and management meet on a regular basis to review the reserves and future requirements of the charity. All future needs are considered together with any risks or contingencies that may exist. The trustees are confident that sufficient reserves will be generated to achieve the objectives of the charity.

The unrestricted fund represents the unrestricted funds arising from past operating results. It represents the full reserves of the charity. The Trustees are satisfied that the balance of the Fund is satisfactory given the nature of revenue receipts against charitable activity and other costs. The trustees consider 10% to 20% of direct charitable activity to be a suitable level of reserves.

The free reserves of the charity, being the net current assets of the charity, amounted to £146,453 all of which are unrestricted. This amount is within the free reserves level set out above.

#### True and fair override

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charities governing document, The Charities Act 2011 and the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

#### Coronavirus

The impact of coronavirus on the charity is that the college was operating remotely from March to July 2020. The girls were listening to both live and recorded lessons by phone each day. Since September 2020 the lessons have continued face to face with all the recommended safety precautions in place. The trustees consider that going concern is not an issue as parents have been encouraged to continue with their voluntary contributions.

On the trustees report for the year ending 31 March 2021 there will be a further update on the situation. Everyone associated with the college has been working extremely hard to ensure the smooth running of the organisation during this unprecedented situation.

We look forward to the new academic year when we hope things will return to normal or at least as normal as possible once again.

#### **Company Limited by Guarantee**

### Trustees' Annual Report (Incorporating the Director's Report) (continued)

#### Year ended 31 March 2020

#### Plans for future periods

The charity will continue to provide education in line with the Memorandum and Articles of Association.

#### Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

# **Company Limited by Guarantee**

# Trustees' Annual Report (Incorporating the Director's Report) (continued)

## Year ended 31 March 2020

The trustees' annual report and the strategic report were approved on 26 April 2021 and signed on behalf of the board of trustees by:

A M Guttentag

Trustee

#### **Company Limited by Guarantee**

#### Independent Auditor's Report to the Members of BCR GJAG LTD

#### Year ended 31 March 2020

#### Opinion

We have audited the financial statements of BCR GJAG LTD (the 'Charity') for the year ended 31 March 2020 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties
  that may cast significant doubt about the charity's ability to continue to adopt the going concern
  basis of accounting for a period of at least twelve months from the date when the financial
  statements are authorised for issue.

## **Company Limited by Guarantee**

## Independent Auditor's Report to the Members of BCR GJAG LTD (continued)

#### Year ended 31 March 2020

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

## Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Company Limited by Guarantee**

#### Independent Auditor's Report to the Members of BCR GJAG LTD (continued)

#### Year ended 31 March 2020

#### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error,
  as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

#### **Company Limited by Guarantee**

## Independent Auditor's Report to the Members of BCR GJAG LTD (continued)

#### Year ended 31 March 2020

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Use of our report

This report is made solely to the charity's members, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Mr Michael Black ACCA (Senior Statutory Auditor)

The notes on pages 14 to 25 form part of these financial statements.

#### **Company Limited by Guarantee**

#### **Notes to the Financial Statements**

#### Year ended 31 March 2020

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 138 Coatsworth Road, Gateshead, Tyne & Wear, NE8 4LL.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

#### 3. Accounting policies

#### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Fair value

Debtors and creditors are stated at fair value.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements did not require management to make judgements, estimates or assumptions that affect the amounts reported except for bad debts and the provision provided for them.

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

## **Company Limited by Guarantee**

## Notes to the Financial Statements (continued)

#### Year ended 31 March 2020

#### 3. Accounting policies (continued)

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the
  contracted service. This is classified as unrestricted funds unless there is a contractual
  requirement for it to be spent on a particular purpose and returned if unspent, in which case
  it may be regarded as restricted.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking
  activities that further its charitable aims for the benefit of its beneficiaries, including those
  support costs and costs relating to the governance of the charity apportioned to charitable
  activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

## Company Limited by Guarantee

## Notes to the Financial Statements (continued)

#### Year ended 31 March 2020

#### 3. Accounting policies (continued)

#### Tangible assets (continued)

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Land and Buildings Fixtures and fittings 1% reducing balance 25% reducing balance

Motor vehicles
Equipment

25% reducing balance
25% reducing balance

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### **Stocks**

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

The stock figure was an estimate for the year ending 31 March 2020. This was due to limited access caused by the lockdown. The estimate was based on the figure for the year ending 31 March 2019.

#### **Company Limited by Guarantee**

#### Notes to the Financial Statements (continued)

#### Year ended 31 March 2020

#### 3. Accounting policies (continued)

#### **Financial instruments**

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

#### **Defined contribution plans**

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

## **Company Limited by Guarantee**

#### Notes to the Financial Statements (continued)

#### Year ended 31 March 2020

#### 3. Accounting policies (continued)

#### Defined contribution plans (continued)

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### 4. Limited by guarantee

BCR GJAG LTD is a registered charity and a company limited by guarantee and does not have a share capital. In the event of the charity being wound up, the members are required to contribute an amount not exceeding £10.

#### Year ended 31 March 2020

#### 14. Staff costs

The total staff costs and employee benefits for the reporting period are analysed as follows:

	2020	2019
	£	£
Wages and salaries	429,616	384,115
Social security costs	12,511	21,981
Employer contributions to pension plans	1,764	2,286
	443,891	408,382
	100	· ·

The average head count of employees during the year was 34 (2019: 34). The average number of full-time equivalent employees during the year is analysed as follows:

	2020	2019
N to the state of	No.	No.
Number of administrative staff	1	1
Number of management staff	1	1
Number of teaching & other staff	32	32
	34	34

No employee received employee benefits of more than £60,000 during the year (2019: Nil).

#### 15. Trustee remuneration and expenses

No remuneration or other benefits from employment with the charity or a related entity were received by the trustees.

#### 16. Intangible assets

The freehold property was revalued by the trustees in a previous period and the basis of the valuation is market value. The trustees are of the opinion that the current carrying value is at fair value.
