ANNUAL REPORT FOR THE YEAR ENDED 31st DECEMBER 2020

Aims and purposes

To promote the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

St John's and St Mary's PCC (PCC) has the responsibility of cooperating with the incumbent, the Reverend David Maclure, in promoting in the ecclesiastical parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. The PCC is also specifically responsible for the maintenance of the church building and the church hall at each of St John's Road TW7 6NY and Worton Road TW7 6ER.

Objectives and Activities

The PCC is committed to enabling as many people as possible to worship at our churches and to become part of our parish community in Isleworth. The PCC maintains an overview of worship throughout the parish and makes suggestions on how our services can involve the many groups that live within our parish. Our services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning our activities for the year, we have considered the Commission's guidance on public benefit and, in particular, the supplementary guidance on charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our parish community through:

- Worship and prayer; learning about the Gospel; and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- · Missionary and outreach work.

To facilitate this work it is important that we maintain the fabric of both the Church of St. John and St Mary as well as the church hall next to St John's. Currently the church hall next to St Mary's is unusable and the PCC has been actively seeking to identify a future for it.

The PCC is exploring with the vicar a vision for our parish work and are working toward producing a Mission Action Plan. The vicar (on several occasions) and PCC have met with the Bishop of Kensington's Director for Mission for guidance about this process. PCC agreed wording as follows to define who we are, what we do and why we do it:

"St John's with St Mary's is one parish church with two congregations at the heart of Isleworth. We welcome people of all ages and backgrounds to walk with us in our worship and witness. God's amazing welcome to each of us in Jesus forms the basis of who we are and what we do. "

At a PCC away day in January 2020 we arrived at "worship" and "youth" as a focus for where we would like to go as a church.

Staff Team

Over this last year Rev David Maclure has continued as vicar, and we have benefited from the continued ministry of Rev Oli Douglas-Pennant as Associate Vicar since March 2019. The church continues to employ a part time Youth and Children's Team Leader. The church also has Parish

Assistants who give significant time during the week to helping with admin and publicity, IT support and prayer. Gareth and Nicole Hanekom, two of these parish assistants, completed their time with the church at the end of December 2019 — although Nicole has helped with websites and publicity through this year remotely, but has now finished in all capacities at the end of December 2020. The Youth and Children's Team Leader provides leadership on developing our work with children and oversees effective Safeguarding provision in line with Diocesan policies. The PCC has complied with their duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016, in relation to having due regard to the House of Bishop's guidance on safeguarding children and vulnerable adults.

Worship and Prayer

The PCC offers at our 9.00am service at St Mary's and at 9.30 on a Wednesday morning at St John's a quiet, intimate and reflective environment for worship. At 10.30 each Sunday at St John's there is our main service, which includes people of all ages and on most Sundays groups during part of the service for all primary age children are provided. An informal morning prayer service is held at St Mary's from 9.30am on Fridays. Once a month, at 4.30 p.m. on a Sunday at St Mary's, there is Flightpath, an informal service for young people between school years 4 and 8. There is also a termly prayer morning hosted at Gumley House, as well as extra opportunities to pray around the major seasons.

The national lockdown because of the pandemic has, along with all other churches, severely altered our provision of worship and prayer. Once our buildings were shut for worship at the end of March, the staff team began to roll out worship and prayer online. These have taken the form of a Kids Church on Facebook (from April to July), a YouTube service each Sunday morning (from March and ongoing) and online Daily Prayer on Facebook (at first daily, and then since the summer twice a week). A number of other initiatives have been undertaken online, including the Alpha course – and also two courses on Looking after your mental health in a pandemic, pioneered by Rev Oli Douglas-Pennant.

We were able to reopen our buildings for socially distanced services and without singing etc. We managed this for the months of September and October, and for the start of December. Our service times changed at this point to accommodate the reduced capacity of our buildings — and so an extra service was added of a 9am service at St John's. Both St John's and St Mary's were left open for private prayer on occasion too.

Flightpath for kids has stopped, but in August and September the Youth Hub was meeting -a Tuesday after school club. We have attempted to connect with the children and their families online — through Facebook Story time and also in distributing resources into people's homes. For example, this year's Christingle service was conducted on zoom with the children creating their Christingles at home. A nativity service was also produced online with children recording parts on zoom or at home to be added to a video. When we have been allowed in our buildings, the children have had activity bags to use from the pews—these have been well received.

Sadly, since the lockdown no baptisms or weddings have taken place. All the couples preparing for marriage have postponed their weddings to 2021 at the earliest. Most of the funerals the clergy take are at either Mortlake or Hanworth crematoriums, although we have had one funeral service in the building this year. Easter and Christmas services took place online.

All are welcome to attend our regular services when we are open. In normal times, about 50 to 60 young people attend St John's on Sunday mornings and about 70 adults, and we also see 1 or 2 children regularly at St Mary's too and about 25 adults. Despite the reality of the pandemic we have

seen 1 or 2 new families attend church via the booking system once we were in our buildings (perhaps 70 to 80 attending, including children), and others have connected with the community online.

Outreach, Mission and Evangelism

We were again a participating church in The Shelter Project Hounslow, a night shelter over the winter months for homeless men in the 19/20 season although this was cancelled for the 20/21 season. On every other Sunday we would normally have services at Atfield House, a local care home for the elderly, although this again has been on pause since March. This link often leads for "chaplaincy"-like links with the care home, for example in the taking of funerals on former residents at the request of families (several in the first wave of the pandemic).

We enjoy good relations with local schools such as Chatsworth Primary, Isleworth Town Primary and Bolder Academy and in normal times groups would come in to St John's church as part of the RS curriculum. The Youth and Children's Team Leader partners regularly with local schools. We have continued to work with schools online – for example by preparing pre-recorded online assemblies for the Blue School and in taking online R.E. lessons.

As mentioned above, our increased presence online has resulted in a chance for the wider community to find out about us and join in from the "safety" and comfort of home. There continue to be enquiries from the wider community about weddings, baptisms or general attendance despite the lockdown. Without the chance to meet in person we have not been able to open ourselves to the wider community in usual ways – such as with Christmas or Easter services. Nevertheless, we have run an online Alpha course (5 attended) this year, opening up the Christian faith to seekers. We hope therefore in 2021 or 2022 we will be able to have baptisms, confirmations and so on again.

As we have been mostly online this last year, the numbers of people engaging online has grown. We now have 200 Facebook subscribers and about 70 subscribers on YouTube and several new What's App phone groups have allowed us to engage better with some church members. Some choose to log into Facebook for prayer twice a week, and we normally have 8-15 in attendance for this. One or two friends and family who live far away, or former attenders or people from the wider community that we didn't know have also engaged with us online. All in all, despite the frustration of not being able to worship in our buildings or have our usual services and events, the move to online worship has been a positive one and allowed us to serve more people — including those from our community who are largely housebound.

Social and other Events

Due to the lockdown many of our usual socials and events were unable to take place — including the Summer Fair, celebration meals, events around Easter or Christmas or men's and women's socials. The Women's Breakfast, joint with other churches locally, successfully transitioned to an online format and attracted many viewers from across Isleworth and beyond.

Normally, on Christmas Day members of the church join the vicar and family for a Christmas lunch at the hall. As we weren't able to do that this year we prepared Christmas present packs as well as partnering with a local catering firm to have Christmas dinners delivered. In addition, Cook Chiswick, a catering firm who specialise in good quality frozen dinners have supplied a number of meals for free for us to distribute to the wider community for free. This was through their Kindness Fund and they have continued to do this after Christmas and into the New Year too. This has provided a chance to encourage and support people in our congregations and in the wider community,

particularly those who are isolating/shielding or who have COVID or who are struggling for any number of reasons.

Communications and Social Media

The weekly newsletter is sent out online to over 200 people, and now printed and mailed to those without internet access who have been at home since the lockdown began in March.

The website is a strength of the church and is responsive for use on the full variety of devices. The "A Church Near You" site has also proved useful and we have kept this updated with our church information. The church has a growing social media presence through Facebook and Instagram. This last year we have seen the benefit of advertising our events digitally and distributing these via WhatsApp groups and local community online groups and apps.

As the clergy began to produce online worship the church invested in some better laptops and cameras to allow for a more professional online presence. A benefit of this year is how many from the church have recorded videos of readings, prayers, interviews or other things for use in our online church service, or played over screens on the occasions we have been allowed in church.

St John's Church Building

There has been no substantial progress on the vision or planning with respect to any of our buildings. Routine maintenance is still maintained, however, through volunteers and the occasional employment of a local handyman. Robyn May Harris, our health and safety officer and member of the PCC, has worked tirelessly in 2020 to ensure our buildings have met the guidelines required in the pandemic so we could open safely when we were allowed to.

The Church Hall at St John's

This is an important resource used extensively both for the church and within the neighbourhood. St John's Pre-school continues to use it and there are music and movement groups, an art class, yoga groups, as well as private parties. The hall now has a new kitchen, and new lighting in the main room. The hall was largely out of use in 2020 due to the pandemic, although the pre-school have been allowed back in since the autumn.

St Mary's Church

The Western Rite Orthodox Church use the chapel, with appropriate permissions, once every 5 or 6 weeks.

The Church Hall at St Mary's

The PCC continue to discuss and liaise with the church architect about the way forward for developing the hall. A cost analysis for renovating the church hall as it currently stands suggests a budget way beyond what the PCC has available from recent generous legacies. We will resume a process of shaping vision around use of the hall and making plans for the development of the site as we hopefully come out of the pandemic in 2021.

Buildings Security

The Diocese of London sent security teams in April to inspect the buildings. The doors to the buildings were made secure and some windows boarded up due to the likelihood of being outside out buildings for a long stretch of time.

Deanery Synod

Three members of the PCC sit on the deanery synod, although two have since withdrawn. This provides the PCC with an important link between the parish and the wider structures of the church.

Pastoral Care

Some members of our parish are unable to attend church due to sickness or age. We visited all church members who have requested it, to celebrate communion with them either at their homes or in hospital. Again, since the lockdown visits in home have been impossible. We now call and mail our elderly and vulnerable regularly to ensure all are OK during this time of the pandemic. When it was possible we might visit the doorstep of the elderly and have conversations with them there.

Ecumenical Relationships

We participate in the inter faith group, Hounslow Friends of Faith, and have strong links with other local churches in Isleworth. There is now a local Isleworth faith leaders group and we have hosted events at the hall in conjunction with them. Likewise, we have hosted events in partnership with Refugees Welcome Hounslow, an initiative in which people of all faiths and none participate.

Volunteers

We would like to thank all the volunteers who work so hard to make our church the lively and vibrant community it is, particularly as we do not have a large staff team. In particular, there are those who have volunteered in particular ways during the pandemic – and we are so thankful for your many efforts.

Structure, governance and management

The method of appointment of PCC members is set out in the Church Representation Rules. At St. John's and St Mary's the membership of the PCC consists of the incumbent (our vicar), churchwardens, and members elected by those members of the congregation who are on the electoral roll of the church. All those who attend our services / members of the congregation are encouraged to register on the Electoral Roll and stand for election to the PCC.

The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including deciding on how the funds of the PCC are to be spent. New members receive initial training into the workings of the PCC. The full PCC met six times during the year with an average level of attendance of 80%. The Standing Committee meets on an ad hoc basis, with issues discussed by email. Otherwise business is conducted through Working Groups.

Financial Review

1) SUMMARY

Receipts for the two Churches have been hit substantially by the effects of the COVID-19 pandemic with both churches being closed from 22 March at the start of Lockdown 1.0 and only reopened with social distancing in September and being closed again at the end of December. The unrestricted monies expended exceeded unrestricted monies (excluding the hall) coming in by £34,671 (before receiving £20,000 from the church hall account). Restricted payments exceeded receipts by £2,193 mainly due to payment of £1,000 for the therapeutic movement group and £984 for camera equipment from the Vicar's Discretionary account. The St John's Hall made a deficit of £30,720 mainly because of the transfer of £20,000 to the churches and the effects of the pandemic.

On the payments side, the Common Fund of £69K was paid in full.

2.1) ST JOHN'S CHURCH - OVERALL

Unrestricted payments exceeded receipts by £27,086 (before the £20,000 transfer from the Hall funds).

2.2) ST JOHN'S CHURCH - PROJECTS

There were no projects in 2020 other than to enable the church to be opened in a COVID-19 compliant manner in September.

2.3) ST JOHN'S CHURCH - OPERATING

Standing Orders increased slightly with a substantial decrease in all other forms of giving. There is still an appeal for members to give at least £10 per week (or £45 per month) by Standing Order. We continue to receive £11,550 per annum from the mobile phone mast (in the Tower) rental.

3.1) ST MARY'S CHURCH - OVERALL

The ordinary receipts did not keep pace with payments associated with running the church building due to the effects of the COVID-19 pandemic. There was the balance of £4,327 from the legacy from Maureen Pike's estate. There was a deficit on unrestricted funds of £7,585.

3.2) ST MARY'S CHURCH - PROJECTS

The hall development is currently on hold. The grounds were cleared of weeds and rubble and a number of trees were felled in 2020.

3.3) ST MARY'S CHURCH - OPERATING

Standing Orders and other giving declined substantially as a result of the effects of the pandemic.

4.1) ST JOHN'S HALL - OVERALL

Unrestricted payments would have exceeded receipts by £10,720 but for the transfer of £20,000 to St John's Church which resulted in a deficit of £30,720 on unrestricted funds.

4.2) ST JOHN'S HALL - PROJECTS

There were no projects in 2020 other than to make the building COVID-19 compliant.

4.3) ST JOHN'S HALL - OPERATING

Charges to hirers were increased on 1 January 2020. For regular 'historical' users the rate was £23 per hour with new users paying £25 per hour. These charges were also increased at the beginning of 2021 to £24 and £26 per hour respectively.

The Pre-School rent and contract was reviewed in 2014. The rate charged to the Pre-School effective 1 January 2015 was £10 per hour which rose to £13 per hour in September 2015 and then by RPI from January 2016 (£13.01 per hour) and is now (January 2021) £14.64 per hour.

Our thanks to Michelle Burns who manages the hall bookings.

The hall was closed from 22 March (Lockdown 1.0) until 1 September and since then only the Pre-School have been able to use it.

5.1) ST MARY'S HALL - OVERALL

The Hall is not in use for Health & Safety reasons.

5.2) ST MARY'S HALL - PROJECTS

There were no projects associated with the Hall during 2020. Discussions are in abeyance in connection with the possible redevelopment of this site or to restore the hall to use. It is anticipated that the monies (circa £500,000) from the two legacies will be used to finance this.

6) OUTLOOK FOR 2021

Financially there are significant challenges in 2021 until the buildings can be opened and permit prepandemic activities to start.

Our Common Fund is maintained at £69K (which is still only around 81% of the costs associated with the parish and, hence, St John's and St Mary's is being "subsidised" by other parishes in the Diocese).

The Budget for 2021 indicates a substantial deficit for the year on the churches and the hall. The implication of this is that to achieve a balanced budget (Receipts equalling Payments) there would need to be an increase in congregational giving of around 70%. No account was taken in the Budget for any works that might be needed to improve the heating of St John's church or other developments.

7) RESERVES POLICY

It is PCC policy to maintain a balance on church unrestricted funds (if possible), which equates to approximately three months' unrestricted payments, to cover emergency situations that may arise from time to time. The balance of around £85K (excluding the circa £500K legacies received) on church and hall unrestricted funds at the year-end matched this target. The Treasurer maintains a close watching brief and alerts the Standing Committee and/or the PCC when a significant decline appears.

8) GIFT AID SECRETARY

Our thanks to Janek Scotney who is our Gift Aid Secretary.

Approved by the PCC on 10 March 2021 and signed on their behalf by the Reverend David Maclure (PCC Chairman)

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE PARISH OF ST JOHN THE BAPTIST WITH ST MARY THE VIRGIN, ISLEWORTH

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 December 2020, which comprise the Statement of Comprehensive Income, the Statement of Financial Position and the related notes.

Respective responsibilities of Parochial Church Council and examiner

The Parochial Church Council are responsible for the preparation of the accounts. The charity's Parochial Church Council consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act;
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in reference to the accounting and Reporting by Charities:Statement of Recommended Practice issued in 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for periods beginning on or after 1 January 2015.

In connection with my examination, no material matters have come to my attention which gives me cause to believe that, in any material respect:

- accounting records were not kept in accordance with section 130 of the 2011 Act; or
- the accounts do not accord with the accounting records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

ACCOUNTING POLICIES

1 Charity Information

The Church is a charity registered with the Charity Commission, constituted under the PCC Powers measure Act 1956 as amended, Church Representation Rules 2017. The charity is a public benefit entity as defined by FRS 102.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for Charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the regulations but has since been withdrawn.

The financial statements have been prepared under the historical cost convention except for the valuation of investment assets which are shown at market value,

The accounts are prepared in sterling which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest whole pound.

1.2 Going concern

At the time of approving the accounts the Parochial Church Council have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the PCC continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the PCC in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The restrictions and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under gift aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised when there is sufficient certainty that the legacy will be received and the incoming resources can be measured with sufficient reliability.

Turnover from trading activities is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business net of discounts.

Planned giving includes both donations directly remitted to the Barclays Bank PCC Current account by Standing Order and donations made on a regular basis through the Envelope scheme.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

1.5 Creditors and provisions for liabilities and charges

A liability is recognised for the amount that the charity anticipates it will pay to settle a debt or the amount it has received as an advance payment for goods or services it must provide. A provision is recognised when:

- there is a present obligation at the reporting date as a result of a past event;
- it is probable that a transfer of economic benefit, usually in the form of cash, will be required in settlement; and
- the amount of the settlement can be estimated reliably.

1.6 Charity Assets

The following assets are recognised but not necessarily valued in the Statement of Assets and Liabilities: The legal ownership of the plate, ornaments and other movable goods of the church is vested in the Churchwardens during their term of office (Canon E1(5)). A faculty is required for the disposal of these items.

1.7 Allocation of support costs

Support costs are allocated to individual activities where they directly related to that activity. Where the support cost is not directly related to an individual activity it is allocated to activities on the basis of the proportion of total direct resources expended for each activity.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the PCC are required to make judgements estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period or in the period of the revision and future periods where the revision affects both current and future periods.
