Policy on grant making	Para 1.38	<p><b><u>DONCASTER WENT VALLEY LIONS CLUB (CIO)</u></b></p> <p><b>A Charitable Incorporated Organisation</b></p> <p><b><u>Grant Making Policy</u></b></p> <p><b><u>1. The Objects of the Doncaster Went Valley Lions Club</u></b></p> <p>Under the terms of the Clubs' Constitution, Trustees apply funds at their discretion, making grants where they believe that their contribution will make a real difference. We can only make grants in furtherance of our charitable objectives.</p> <p><b><u>2. Priorities for Support</u></b></p> <p>The number of applications that can be supported is, of necessity, limited to the amount of funds available for distribution in any one year. The Trustees have determined that the priorities for funding will be: subject to other elements of the Trustees grant-making policy, no restrictions are imposed on the purpose for which a grant may be made; thus, applications for support towards capital projects, other projects or core costs are considered; as there are numerous Lions Clubs in the UK, applications from the local Doncaster Went Valley areas are generally given a priority. Trustees also consider international funding requests referred to them by the Lions International organisation; candidates for support and/or grants are all considered on their own merits, following investigation by the club membership. However, given that most of the available funds are raised within the local community, those candidates that are local are given special consideration. Using the former as a guiding principle the following are examples of areas adopted for</p>

		<p>support:</p> <p><b><u>Local Charities</u></b> - youth groups, groups working with the elderly, residential and nursing homes, disabled and individual appeals;</p> <p><b><u>Youth and Children's Organisations</u></b> - sport related groups or individuals, scouting and guiding, youth club activities, young people undertaking overseas assignments;</p> <p><b><u>Community Facilities</u></b> — aid for disadvantaged, elderly, homeless individuals and families, village hall projects. Community aid and support is generally provided through service requests generated from NHS Health Professionals and Health Visitors, Care Support Workers, Council Social Services and Local Health Centres as well as direct from the General Public.</p> <p>The above priorities in this policy will be reviewed every year when a budget is compiled (or more often if deemed appropriate by the Trustees), and may be changed in accordance with the Trustees' view of the most effective application of available funds at any point in time.</p> <p><b><u>3. Principles</u></b> In awarding grants, the Trustees will apply the following principles:</p> <ul style="list-style-type: none"> <li>• Trustees will not normally support applications from large national charities or charities dedicated to issues deemed by the Trustees to be already well funded;</li> <li>• Trustees will work with other organisations to fund initiatives beyond the financial scope of a single organisation;</li> <li>• All applications from previous recipients of grants or from previously unsuccessful applicants will be considered by Trustees on their own merits. Although Trustees will have regard to the outcome of the previous grant, any new application will not receive preferential or adverse consideration.</li> </ul>
--	--	---

		<p><b><u>4. Exclusions</u></b></p> <p>4.a The Trustees will only approve the use of funds for medical research projects of international, national or locally based charities if a distinct local benefit can be established;</p> <p>4.b The Trustees will not normally approve the use of funds for purposes for which government has a statutory responsibility to provide.</p> <p>4.c The Trustees will not normally make cash or cheque payments to individuals. The Club will instead purchase goods and services for delivery to their customers or make grant, donation and sponsorship payments by cheque to the official bank account of an organisation. Alternatively a Club Member might arrange to accompany a customer for the purchase of goods, eg, clothing, toys, etc, and pay direct to the supplier, or the Club may entrust a known Care Professional with a designated level of funding who would accompany a customer to purchase the goods and to make payment and provide a receipt for the purchase(s).</p> <p><b><u>5. This includes transfer to and use by such individuals and organisations as the Trustees deem appropriate. The Trustees require the assurance of the applicant that personal data about any other individual is supplied to the Trustees with his/her consent. At the point of submitting an application, applicants and their nominated representative(s) are asked to confirm this consent and assurance.</li> </ul> <p><b><u>6. Grants will be considered by the Trustees at their meetings and they will aim to inform the applicant of the outcome of their application for funding;</li> <li>• Trustees will not be obliged to provide an explanation to the applicant should their application be unsuccessful, however Trustees do realise the importance of feedback and will where appropriate provide suitable comment to the applicant;</li> <li>• Applicants should note that Trustees receive far more applications than they have funds to support. Even if a project fits with the criteria and priorities of the Trustees and a</li> </ul>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p><b><u>DONCASTER WENT VALLEY LIONS CLUB (CIO)</u></b>  <b>A Charitable Incorporated Organisation</b></p> <p><b>History and Context</b>  Doncaster Went Valley Lions Club is part of Lions Clubs International Multiple District 105 which covers the UK &amp; Ireland. As a Lions Clubs their purpose is to "serve local communities" and Lions principles to which the clubs must adhere include "acting to benefit the public interest". Administrative costs at local, national and international level are covered by modest annual membership fees, which means that all monies raised by fundraising are spent supporting good causes (mainly registered charities, but also including charitable grants to individuals and organisations). The trustees of Doncaster Went Valley Lions Club (CIO) understand that the club is subject to charity law and will only be able to undertake activities which are charitable.</p> <p><b>Purposes</b>  The club operate within the agreed objects of the Charity Commission, however the trustees may change the focus from time to time. The trustees are independent and make their own decisions, but as a Lions charity they will consider national appeals and members' guidance as part of their decision making.</p> <p>Examples of activities undertaken by this club include:</p> <ul style="list-style-type: none"> <li>• <b>Advancement of Citizenship:</b>  Encouraging people to volunteer e.g.</li> </ul>

		<p>working in conjunction with volunteers from the local community. Each year the club promote their Santa Seligh collection around the streets of Northern Doncaster. This is a major fundraising event but is also a much anticipated local event for the community.</p> <ul style="list-style-type: none"> <li> <b>Promoting the Voluntary Sector for the public benefit by associating with local authorities in a common effort to advance education and provide facilities in the interests of social welfare, etc:</b>  The club have a good relationship with both the local Council especially the Social Services and with NHS Health and Care Professionals. Each year they received referrals from the Council and Care Professionals about support needed for local families facing hardship. Each year they make donations and provide support for the provision of items such as carpets, white goods, eg, cookers, washing machines, fridges and freezers, also household furniture, beds and mattresses, safety gates, educational and medicinal aids etc, to support these families. </li> <li> <b>Promoting Volunteering:</b>  Recruiting new Lion members to support regular local activities. By working locally and supporting / promoting local events the club are helping to promote volunteering. A number of the donations this year have been aimed at supporting community organisations. The club continues to recruit further members who are willing to support the club in their activities. </li> <li> <b>Relief of poverty and relief of those in need – the club support causes both locally and internationally</b>  As well as the clubs community support through the local Councils and health care referrals, they have donated funds to Water Aid and Lions Sight Savers and to various Lions Clubs International Projects supporting developing countries and disaster relief initiatives. </li> </ul>
--	--	---

		<ul style="list-style-type: none"> <li> <b>Advancement of Health:</b>  The club have made donations towards the Lions Summer Walk for Doncaster Cancer Charity, they continue to support the Lions 'Message in a Bottle' scheme and they support the Lions annual disabled fun and spots day organised on behalf of the District. In addition donations are provided for funding towards medical and clinical support needs. </li> <li> <b>Environment:</b>  The Club are keen to support environmental projects in their local area and have in the past been invited to support litter picking initiatives organised by the local council. They also support recycling initiatives, eg, spectacle collections, reconditioned white goods, the provision of quality second hand furniture, etc, and are mindful of their carbon footprint reflective of their travel arrangements. In addition Club members fully support waste recycling schemes and they endeavour to conduct their services so as to minimise their negative impact on the environment. Whenever white goods, such as washing machines, fridges, freezers, etc, are purchased the Club also endeavour to source out energy efficient appliances with A* ratings whenever possible and affordable or supply fully serviced reconditioned appliances in support of recycling initiatives. </li> <li> <b>Healthy Recreation</b> The club have supported junior football and cricket clubs in the local area. </li> </ul> <p><b>Grant Making Policy</b>  Trustees have adopted the grant making policy formally for the CIO. As the CIO has general charitable purposes, any charitable objects fall within that policy. The club however retains its discretion to change its policy and/or make grants and donations to other charitable projects.</p> <p><b>Operating and Public Benefit</b>  The national Lions body, 'Lions Clubs International Multiple District 105', provides various template policies which it is then up to individual clubs to adopt. The CIO will undertake its own reporting and administration, as well as making its own</p>
--	--	--

		<p>independent decisions on choice of grantees. The Multiple-Districts have sight of the Club accounts but will have no direct input into the running of the CIO.</p> <p><b>Personal Benefit</b>  Doncaster Went Valley Lions Club occasionally gives grants and donations to individuals, for example financial support of individuals on gap years or to attend sporting events so those individuals can achieve their full potential, whether that potential be in education leading to future employment or towards a sporting achievement.</p> <p>The Trustees take steps to ensure that grants and donations made to individuals are to be put to good use, specifically charitable purposes to do with health, well-being, welfare or education. In cases of hardship, the preferred option is to donate to a fund-raising effort, or to pay a contractor or service supplier directly for necessary work to be done or goods to be supplied.</p> <p>No Doncaster Went Valley Lions Club member benefits from grants or donations made by the Club.</p> <p><b>Accounting for Volunteer Events</b>  Any events run by Doncaster Went Valley Lions Club are <u>not</u> as a "reward" for individuals, but are undertaken to motivate the membership, build up the team of volunteers by mobilising additional support from the community, promote volunteering and, in some cases, as fundraisers. These events also aim to encourage attendees to take an active interest in the community and may provide a forum for discussion of matters of local public interest. In any event the members pay the costs of these events themselves through administration funding.</p>
