Introduction

Trustees' Report

The trustees are pleased to present their annual report and financial statement for the year ended 30 June 2020. These financial statements have been prepared in accordance with the accounting policies set out by the Charity Commission and comply with the charity's constitution.

Background

Donate4Refugees was founded on 26 July 2016. This annual report highlights our activities during our fourth year at the heart of the UK's grassroots response supporting refugees human-to-human. It shares where our funds come from and the difference they are making. Along with insights about the amazing people in the Donate4Refugees' community; together an inspiring family of volunteers, donors and fundraisers focused on providing a helping hand to people in need during particularly challenging humanitarian times.

This year was another distressing year for the Crisis. A year which saw horrific right-wing attacks on refugees; and the volunteers helping them. A year which witnessed major fires in the camps and the warehouses. And, from March 2020, the global COVID-19 pandemic.

Structure, Governance and Management

During this year, Donate4Refugees has been governed by four charity trustees each in place for the full term. Our constitution provides for a minimum of three and maximum of seven trustees. New trustees can be appointed by existing trustees and can serve for three years and any charity trustee is eligible for re-appointment.

Trustees sign a declaration statement on appointment committing them to giving of their time and experience freely and no trustee remuneration was paid during this period.

Trustees met at least three times via video calls each of which was chaired and minuted by the Chair of Trustees. Quorum for trustee meetings and decisions is two and, in the event of a split vote, the Chair of Trustees has final decision-making authority. In between meetings trustees communicate more-or-less daily using email and WhatsApp. This is how new member registrations and grant applications are approved or declined.

The broad strategy and areas of activity and focus for the charity are reviewed on an ongoing basis due to the fast-changing nature of the refugee crisis.

Introduction

Grant Recipients & Partners

We work with like-minded volunteers putting refugee welfare and dignity at the heart of their humanitarian operations. Many of our inspiring partners during this period are below.

Grassroots groups and individuals helping refugees in Europe apply to register with Donate4Refugees using our accessible online form at www.donate4refugees.org. To be eligible, they will normally be UK, or part-UK team (founder, trustee or long-term co-ordinator), and be on-the-ground helping refugees in one of Europe's refugee hot-spots. They may also be refugee-led or host-nation led by trustee discretion.

Each application is reviewed by trustees and approved or declined. Once successfully registered, membership is on a rolling basis, however ongoing membership is always at trustee discretion and may be suspended without notice. Trustees might do this where new information becomes available that a member no longer complies with our charitable aims.

During the year, Donate4Refugees touched the lives of thousands of men, women and children in need through our collaborative approach and unique grant services for small and impactful grassroots volunteers, along with our provision of basic charity fundraising umbrella services as needed. Continue reading for some headlines from the year.

September 2019: on-the-ground in Greece

With 'Mama Somalia' in Samos

Here Amber met and volunteered with our partners:

- FORGE for humanity, Athens
- Project Armonia, Samos
- Action for Education, Samos
- Refugee 4 Refugees, Lesvos
- Refugee Rescue, Lesvos
- One Human Race, Athens

experiencing first-hand the incredible impact these grassroots services are having on their local refugee communities.

December 2019: on-the-ground in Greece

Amber was back in Greece with her sister, Vycki, volunteering with partners:

- Refugee 4 Refugees, Samos

And visiting:

- Action for Education, Samos
- Refugee Biriyani & Bananas, Chios

Experiencing again the difference being made to so many lives by the actions of volunteers, including many refugees themselves.

February 2020: on-the-ground in Northern France

With Herts for Refugees volunteers at RCK, Calais

For this trip Amber joined a volunteering weekend organised by our great friends at Herts for Refugees. They volunteered with:

- Refugee Community Kitchen (RCK)

And were able to visit:

- Collective Aid
- Project Play
- Mobile Refugee Support
- Roots

Amber was shocked by the condition of refugee sites served in Calais and Dunkirk.

COVID Grounded us from March and we had to Re-Think

"It's always been important to me that we're connected to what's happening on-the-ground. So when COVID stopped international travel we moved online starting a series of Facebook Live interviews.

"Since May 2020, our partners have been sharing first-hand what's happening for refugees where they are and how they're making a difference. To borrow Trish Clowes' words *These interviews are a window into something that's almost incomprehensible.*"

Connected

We collaborate effectively at the heart of the UK grassroots response to Europe's Refugee Crisis.

UK Collaboration with Group Leaders

Across the UK are many amazing people helping refugees. These localised volunteer groups are so powerful in enabling communities to feel a personal connection with the refugee crisis and the help they give. We all work together as "Group Leaders" thanks to the inspiring Brian Donnelly.

At Donate4Refugees we love these partners and working collaboratively together.

Awarded Humanitarian Charity of the Year!

Founder Amber and Trustee San were present at the prestigious Charity Today Awards ceremony. Here they were amazed and so proud, that Donate4Refugees won **Humanitarian Charity of the Year!**

This Award belongs to everyone we support and everyone who supports us. We're both grateful and thrilled to be recognised leaders in the sector.

Connected

We collaborate effectively at the heart of the UK grassroots response to Europe's Refugee Crisis.

Taking part in the Refugee Solidarity Summit

Founder Amber and trustee Karen took the opportunity to meet, listen to and generally be inspired at the first ever Refugee Solidarity Summit. Speakers included Sara Mardini and authors Gulwali Passarlay and Onjali Rauf. Whilst volunteers travelled from across the UK and overseas, meeting and greeting and putting faces to names, often after being social media friends for years! It was a wonderful event and we look forward to the next one!

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Donate4Refugees meets the definition of a public benefit entity under FRS 102.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement dates in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources.

Expenditure includes VAT which cannot be recovered.

Governance costs

Governance costs include the cost of the preparation and examination of the statutory accounts and any cost associated with governance or constitutional matters.

Allocation and apportionment of costs

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources e.g. Floor area, per capita or estimated usage.

DONATE4REFUGEES**NOTES TO THE FINANCIAL STATEMENTS****YEAR ENDED 30TH JUNE 2020****1. ACCOUNTING POLICIES - continued****Taxation**

The charity is exempt from tax on its charitable activities.
