Blossom Project

Annual Report for the year ending 31 March 2020

Trustees' Report:

Introduction from Chair

I am pleased to introduce this report of our charity. 2019/20 has been a very good year with a lot to celebrate and be proud of.

We have continued to expand our services for Older People in tackling loneliness and social isolation, and we continue to attract more local diverse residents who have benefited from having a local community space. This is underpinned by our overriding ambition to reach out to residents including families from neighbouring boroughs.

As stated in the previous year, locally there are a lot of high rise blocks being built and housed to a mixture of social housing and private residents. Our aim is for Blossom Project to be a vibrant hub where all residents can come together to gain access to free services or low cost activities that would otherwise not be available to them. A Community Café, exercise classes, after school tuition, arts and crafts, intergenerational activities, activities for the family, a space for community groups to meet, a hub for education, a hub for learning and development, a hub for training for employment - and an affordable space for family celebrations.

As our name suggests we want our community to grow and to blossom. Supporting all ages, all backgrounds and all cultures and without barriers - Blossom Project plays a key role in strengthen our community by connecting people.

We have continued to broaden our network and strengthened our existing partnerships. We are co-developing new projects with the local community, but we aim do more during 2020/21 through inclusive decision making and project planning whilst building our own capacity and adapting to a post-Covid world.

I thank our trustees, general members, professionals from partner organisations, volunteers, funders and supporters who have contributed to the growth of Blossom Project with their skills, generous amounts time, investment, dedication and expertise.

 Volunteering opportunities, through encouraging local residents to build confidence and build experience to further education and work opportunities.

Volunteering Project

Blossom Projects Volunteering Project makes a difference to the community we serve. Our volunteers have a wide range of skills, experience and knowledge. Through volunteering they are able to build relationships with the community and also engage those in the community that are hard to reach. They inform the development and delivery of our services with local knowledge that is invaluable.

'By investing in our volunteers we are able to provide opportunities for skills development and potential routes to employment.'

Volunteering helps our beneficiaries to improving their health and wellbeing, reduce their social isolation and build confidence and independence.

Volunteers recruited during 2019-2020:

Allisa Miranda, Eftychia Tsamantioti, Rukshana Begum, Salma Noshin, Shahara Begum, Elana Munro, Amirun Nessa, and Jomirun Nessa

Our volunteers work in outreach, activity development and coordination, service delivery, befriending, guidance, mentoring, partnerships, policy development, governance and administration.

Community Café

Tackling social isolation and loneliness our free Community Cafe has gone from strength since 2017. Blossom Project identified an urgent need to tackle social isolation and loneliness facing older people and vulnerable adults. We were particularly inspired to act as a response to the Tower Hamlets Mental Health Strategy. Funded by Poplar and Limehouse Health Network, the Communty Café hosts weekly Tea and Coffee mornings. Total participants of this be-friending service have been 317 during 2019/20. Our volunteers work tirelessly to ensure that local people have a warm and friendly place to meet and connect with other residents. They organise many activities such as discussions, light exercise sessions, arts and crafts and day trips for all to enjoy. Creating lasting memories and lifetime friendships.

'Our Intergenerational activities aim to bring people together, promoting greater understanding and respect between generations and contribute to building a cohesive community whilst tackling loneliness and contributing to health and social wellbeing'

Training and Employment Project

Blossom Project has been working in partnership with Supporting Care in engaging local residents on low or no income who may be interested in entering or returning back to employment within the caring sector.

We have found that common barriers to employment include; lack of qualifications, low skills, lack of work experience, caring responsibilities (need for flexible employment), employer biases, confidence and coming from a disadvantaged background. Working in partnership with Supporting Care we have been able to support local people in overcoming these barriers through tailored support, advice and guidance, accredited training, volunteering opportunities, work experience and creating employment opportunities with flexible hours

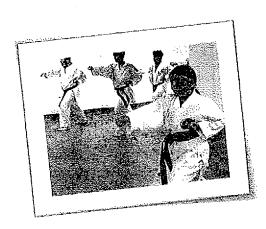

During 2019/20 Elana Munro, Aminur Rahman Shakll, Mashur Miah, Shefa Begum, Fatima Bibi, Salma Nohsin, Naim Ahmed, Amirun Nessa and Jomlrun Nessa all successfully completed their HABC Level 2 Certificate in Preparing to Work in Adult Social Care (QCF). As part of the course, they each completed at least 100 hours of work placement.

Veras Academy (Karate)

We continue our successful work in partnership with Veras Academy which provides fitness and physical activities to support local children and adults to develop a healthy, disciplined approach to well-being as well as develop self-discipline and confidence. 2019/20 sessions attendance registered 1287 Children and 553 Adults.

Residents have benefited immensely from these activities in enhancing their health and wellbeing!

Chandogram Welfare Association

The Chandogram Welfare Association continues to meet at the Blossom Project venue to work on projects to improve community cohesion/relationships within their community in Bangladesh. It supports the population of Chandogram through financial aid and support for the poor people in the village including students to further their education.

In addition the Association encourages the UK children of Chandogram families to learn about their heritage and culture and keep connections with Bangladesh. 96 residents attended meeting during 2019-2020.

'At Blossom Project local people benefit from having a Community space where they can meet, engage with other local residents and discuss issues that are close to their hearts'

'Residents are given the apportunity to develop their own projects and also co-develop activities with Blossom Project'

Benefit of Partnership Working

Partnership work as an approach to strengthen services, add value and avoid duplication is very important to Blossom Project.

Partnership work ensures a diverse range of sustained services and activities are available to local residents.

'Partnerships help us grow our community, share knowledge, ideas and resources - and sustain our community space for all'

* Children's Language Club

The Children's Language Club focuses on Bengali, English language and Arabic. The club is open during the weekend from 10-12pm. Through extended and targeted outreach carried out by our Tutor Rufia, the Club has been able to attract students from E14 and E3 children.

Total Children's Club participants for 2019/20 was 50.

Rufia has developed her own book publishing company called the Eternal Tree, which she has started in 2019 and in the process of developing a website.

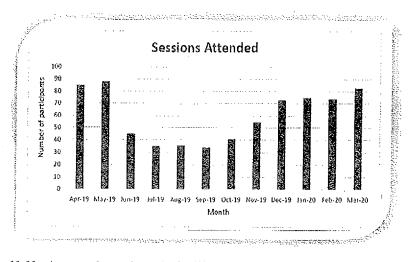

Tower Hamlets Early Years

During 2019/20 Blossom Project continued its partnership with Tower Hamlets Early Years, who by hiring our venue for their First Ald, Pediatric First Aid, Safeguarding and Early Years staff training support to keep our projects running.

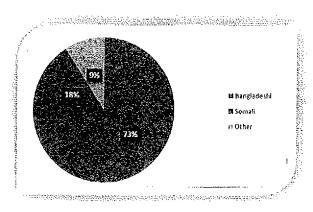

The Study Spot

Blossom Project is working in partnership with TSS to provide local children with the opportunity to supplement the development of their English, Maths and Science abilities, whilst offering a childcare facility to local parents. TSS has continued to attract families in taking up this Ofsed and Dfe registered tultion and childcare service available to them locally at Blossom Project.

. 35-88 primary and secondary school children attended each month during 2019/20.

The highest take up was during school term time.

77% Bangladeshi and 18% Somali children attended sessions during 2019/20.

BP to date has been successful in continuing its strong partnership work with The Study Spot, engaging with local parents for children and supporting their children's education attainment

Discounted and Affordable Spaces for the Local Community

During 2019-2020 local residents benefited from Blossom Project's Hall booking and meeting room. These are offered at discounted rate to residents of Tower Hamlets making it an affordable and flexible alternative to hiring out commercial halls and meeting rooms.

One most popular uses of hiring our Main Hall is for Mehendi party. Mehendi or Mehndi or henna; is an ancient form of body art, originating in India and across South Asia and the Middle East. A Mehndi party is the pre-wedding celebration in Hindu and Sikh culture which has been adopted by Asians from the sub-continent mainly from India, Pakistan and Bangladesh where traditionally the bride has the redorange mehndi 'tattoo' applied to her palms, back of hands, and feet.

Typically held the day before the wedding, the event often has a lounge feel, with colourful pillows. Although these parties were traditionally held in the bride's home, today's brides are opting to host it at an outside venue, which is celebrated with friends and family before their wedding date.

During 2019-2020 a total of 20 Mehndi parties were held with over 100 participants, 11 Childrens parties with 440 participants, 2 Baby Showers with 80 participants and 1 Wedding Anniversery with 100 participants.

'Local Residents are able to make lasting memories and friendships, connect with the others, enjoy and celebrate special occasions regardless of background and economic circumstances'

Special Thanks

First of all we would like to thank all our Users, Residents, Volunteers and Partners for another successful year in delivering services that are most needed in the community.

Thanks to Hasina, Ruznna and Mubin for their continued 'behind the scenes' support in establishing and coordinating projects voluntarily whist building partnerships with local private, public and voluntary sector organisations.

A big thanks to Supporting Care who have been an excellent tenant for the last four years, and for supporting and training our volunteers, some of whom now are working with them as care workers.

Challenges

Blossom Project has been making progression in developing our services. There is still a lot of work to be done and challenges which need to be addressed through:

- 2. Active involvement of participants in meetings, co-design and promoting the service.
- 3. Adapting the Charity for a post Covid-19 world, ensuring projects continue to run in a Covid safe environment.
- 4. Promoting our venue to local establishments and schools so that the venue can be in used more frequently. So that we may continue to fund our projects post Covid-19.
- 5. Diversifying our income strategy to fund future projects and activities.

Reserves Policy

Blossom Project seeks to establish and maintain reserves of funds within the terms of its constitution, and Reserve policy therein. We have taken into consideration the Charitles Commission guidance to cover contingencies arising during our activities, as well as in the event of cessation of operations, or winding down costs.

Risk Mitigation

The board has examined the principle areas of the charity's operations and considered the major risks, which may arise in these areas. In the opinion of the trustees the charity has adequate resources and review systems which, under normal conditions, should allow the risks identified by them to be mitigated to an acceptable level in its day-to-day operations.

Financial position

The Statements of Financial Activities shows a surplus of £12,721 (there was a deficit of £2,085 in 2018). And the Balance Sheet at period end shows total funds at £36,572, which is a slight improvement from our position in 2019. The accounting period preceded periods of national lockdown amidst the COVID-19 pandemic, which limited our activities somewhat, but the charity has continued to be resilient and has sufficient funds to continue into the next year.

Independent examiner's statement
