#### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2020**

The trustees present their report with the financial statements of the charity for the year ended 30 June 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

# **OBJECTIVES AND ACTIVITIES**

## Objectives and aims

Islamic Aid continues to focus in the area of education, healthcare, livelihoods and emergency relief. Islamic Aid's strategic geographical focus remaines Pakistan, Palestine, India, Somalia, Sri Lanka, Bangladesh and Afghanistan. Islamic Aid also respondes to disasters wherever they occur. Our work continues to grow and new partnerships are developed.

#### **Our vision - for change:**

Islamic aid seeks a world where poverty and suffering have been overcome and people live in dignity.

#### Our mission - what we do:

Our mission is to make immediate and lasting improvements to the lives of people affected by poverty, war and disaster.

In this mission, our work for the alleviation of poverty is carried out through seven complementary activities:

**Education**: improving access to learning;

Healthcare: improving access to and the quality of healthcare;

Livelihoods: promoting income generation at household level to improve economic well being;

**Emergency relief** : provision of food, water, medicines and shelter in times of crisis.

Qurbani and Aqiqah: Help people celebrate these festival.

Children and women welfare: Improve their welfare.

Water & sanitation: Improve access to clean water and improve sanitation.

Our values:

**Equality**: We believe the lives of all human beings are of equal value.

**Respect**: We affirm the dignity, potential and contribution of participants, donors, partners, staff and volunteers.

Integrity: We act consistently with our mission, being honest and transparent in what we do and say.

**Partnerships**: We work together effectively to serve the larger community.

Quality: We constantly challenge ourselves to the highest levels of learning and performance to achieve greater impact.

## Public benefit

The charity meets the definition of a public benefit entity under FRS2.

## ACHIEVEMENT AND PERFORMANCE

## **Review of financial performance**

Our overall objectives in relation to fundraising was to maximise the amount of voluntary income raised and to ensure that we did so at a reasonable cost:income ratio. Our income for the year was  $\pounds 4,314,333$  (2019 -  $\pounds 4,369,471$ ). Our direct charitable expenditure during the year was  $\pounds 1,965,239$  (2019 -  $\pounds 1,368,687$ ).

## **Review of development activities**

In the 16th year of operation, the Trustees are satisfied with the continued progress and development of the Charity. The Charity was established in December 1999 to help alleviate poverty and the Trustees are satisfied that the focus of the work meets this criteria.

In future, Islamic Aid plans to focus on organisational development aimed at increasing investment in our long term development projects focused on a few countries and further improve our capacity to provide relief when disasters strike.

## **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2020**

# ACHIEVEMENT AND PERFORMANCE

#### Public Benefit

The management committee confirms that they have referred to the guidance on public benefit contained in documents produced by the charity commission, when reviewing the aims and objectives of the charity and planning future activities.

#### External factors affecting Islamic Aid's work:

Islamic Aid, like other Muslim overseas aid charities, is currently operating in a very difficult international environment. At home, constant talk of Muslim charities and terrorism in the same breath in the media and political circles and a sensitive situation abroad continues to put immense pressure on such charities, especially on those in the early stages of their development.

The trustees have adopted a "safe & cautious strategy" in all areas of our work to protect reputation and future work of the charity. We are extremely careful in selecting projects, partners, committee members, volunteers and staff and ensure that; a) rigorous controls and systems are in place; b) all funds only move through official channels; and c) we are able to trace aid up to final beneficiary level.

## FINANCIAL REVIEW

#### **Reserves policy**

The Trustees recognize the need to have reserves in place to ensure the continuation of our work in the event of an unforeseen downturn. This is particularly true for a young charity like Islamic Aid, which is going through a period of growth, where reliable income streams are being established.

Trustees are also conscious of the need to balance the necessity for reserves with our efforts for providing value for money and maximizing the resources available for our programmes. To this end, we try to achieve reserve for at least twelve months of total annual budget, which means reserves of up to  $\pounds.4.2$  million

The current level of unrestricted and undedicated funds is  $\pounds 5,181,838$  (2019 -  $\pounds 3,757,280$ ). We also maintain endowment funds, to ensure that enough funds are available in the long term for the establishment and running of longer term development projects, like schools, hospitals etc. The Endowment funds total at the end of the current year was  $\pounds 4,700,000$  (2019 -  $\pounds 4,200,000$ ).

## Going concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

## STRUCTURE, GOVERNANCE AND MANAGEMENT

#### **Governing document**

The charity is a Trust and is governed by its Trust Deed dated 1 June 1999. The Board of Trustees of the charity is responsible for the overall operations of the charity. New trustees are appointed by majority decision of the Board. Normally trustees are people who already have an existing involvement with, and knowledge of, the charity. Induction meetings for new trustees are held prior to their first Board meeting.

The Board of Trustees meets quarterly. Other ad hoc meetings and telephone conferences involving either the whole Board or selected members of the Board are also held as required. Following a Trustees meeting in March 2014, subcommittees for the both fundraising and programmes have been set up.

Office bearers are responsible for the day to day running of the charity and manage the staff and volunteers of the charity on behalf of the trustees.

## **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2020**

## STRUCTURE, GOVERNANCE AND MANAGEMENT

#### Risk management

The major risks, to which Islamic Aid is exposed, are identified and reviewed by the trustees as part of the annual risk review process. Appropriate systems and procedures are in place to manage these risks and provide reasonable but not absolute assurance against occurrence.

The main risks identified, together with the methods adopted to manage them are summarised below and have not significantly altered since last year's report:

**Governance risk:** The organisation needs to ensure that appropriate corporate governance structures and practices are in place, to reduce the risk of organisation failure and support the long term survival and success of Islamic Aid. The Board regularly r eviews the policies and structure in order to ensure that they meet accepted good governance standards.

**Continuity of funding**: The organisation has no guaranteed income. If it is to continue its work it is entirely dependent on the goodwill of the public. In order to reduce the risk of significant fluctuations in income the organisation aims to foster public commitment to the developing world and geographically diversify sources of income. It has also set aside a portion of its  $\pounds 4.2$  m illion of reserves to reduce disruption in the event of a temporary fall in income.

**Effectiveness of expenditure**: Islamic Aid needs to be able to demonstrate that it is able to use resources effectively in order to achieve lasting res ults. Systems have been put in place to monitor work quality.

**Fraud or error**: Significant errors or fraud could severely damage the charity's reputation as well as resulting in the loss of resources. The charity has developed financial controls and reporting systems to mitigate this risk.

**IT security and continuity**: In common with many organisations we are dependent on information which is stored electronically, the loss or damage of these systems would severely disrupt operations. We have developed detailed IT policies and procedures de signed to counter this risk.

The board is however satisfied that systems are in place to monitor, manage, and mitigate Concern Worldwide UK's exposure to major risks and all information is fully backed up and secured.

**Grant-making Policy**: Grant-making is governed strictly by partnership and funding agreements. Islamic Aid's decision to allocate funds is determined solely on the basis of need, the individual merit of each project and the ability of the partner organisation applying for the grant to deliver. All documentation, including the Funding agreement is revised periodically to take into consideration changes in the law and the situation in Islamic Aid's areas of operation. Changes are made where nece ssary and local partners are required to complete and return a signed copy of the new agreement.

## STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2020**

Approved by order of the board of trustees on 23 April 2021 and signed on its behalf by:

A Raje - Trustee

## Opinion

We have audited the financial statements of ISLAMIC AID (the 'charity') for the year ended 30 June 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 June 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

# REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF ISLAMIC AID

#### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

#### Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Total	7,794,547	970,994	8,765,541

## 1. ACCOUNTING POLICIES

#### **Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

#### Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

#### Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

#### Allocation and apportionment of costs

The fundraising and advertising cost are equally apportioned between cost of generating voluntary income and direct cost of charitable activities.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	-	25% on reducing balance
Computer equipment	-	25% on reducing balance

#### Taxation

The charity is exempt from tax on its charitable activities.

#### Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

## Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
