Directors' Report

The directors present their report and accounts for the year ended 31 August 2020.

Governing Document

The Company is a company limited by guarantee governed by its Memorandum and Articles of Association dated 25 May 2005. It is registered as a charity with the Charity Commission. There are currently six members (the directors) each of whom has agreed to contribute £10 in the event of the company being wound up in circumstances where its liabilities exceed its assets.

Appointment of Directors

Pursuant to the Articles of Association there shall be at least three directors. Appointments of directors are by resolution of the members or the directors (the members and directors are the same persons). If appointed by the directors, the new director is required to retire at the next annual general meeting (but may be reappointed). At each annual general meeting one third of the directors are required to retire by rotation but may be reappointed.

Objects

The objects of the Company are the furthering of the musical education of children and young people enabling them to perform in public. Its primary activity is the running of a specialist string chamber orchestra providing quality training for talented, young string players up to the age of 21 and giving them regular experience of the art of public performance.

Risk Assessments

The Company regularly reviews its child protection policy, risk assessments and critical incident response plans in the light of the venues where it is holding courses and the students who will be attending.

Activities

This year was our 25th year (NYSO had operated as an unincorporated trust for 10 years before the establishment of the Company). Sadly but inevitably Covid meant that we were unable to hold our residencies or perform our concerts. Everyone had been looking forward in particular to our Senior Orchestra performing the opening concert of the 2020 Three Choirs Festival but sadly it was not to be. Fortunately the preparation that had been done for the residencies will put us in good stead for when we are able to resume activities.

Our patron Alina Ibragimova very generously gave masterclasses to three of our violinists which was a wonderful experience for them. Damian Iorio, our Music Director, also ran online sessions for our Intermediate Orchestra players (on Piazzolla's Libertango) and for the Senior Orchestra (on Mozart's Eine Kleine Nachtmusik).

With this anniversary coming, it was a timely moment for fundraising for bursaries. It is central to our ethos to welcome young players without regard to their financial means. In addition to our many Friends and other generous individuals who support us we are particularly pleased to thank the Angus Allnatt Charitable Foundation, The D'Oyly Carte Foundation and the Garfield Weston Foundation together with longstanding supporter John Lewis & Partners for their generosity in providing bursary funding. Some of this funding was received before the financial year and forms part of the previous year's results.

During the year we claimed orchestra tax relief in respect of the prior years for which this was possible. We are very grateful to Graham Suggett of Creative Tax Reliefs for his advice and

assistance and to HMRC for their promptness in handling the claims. This relief will hopefully provide a significant boost to our income in future years.

Public Benefit

The Company provides benefit to the public by providing world-class coaching and performance opportunities to children and young persons from across the UK regardless of background or means. Fees charged only cover part of the costs and bursaries are available for all or part of the fees in appropriate cases. The Directors confirm that they have referred to the Charity Commission's guidance on public benefit.

Result for the year

The Company made a surplus for the year of £13,148.

Reserves

The directors have established the level of reserves (that is those funds that are freely available) that the Company ought ideally to have. Reserves are needed to bridge the funding gaps between expenditure on courses and receiving resources through donations, payment of course fees and admission charges and to cover any other expenditure as well as providing funds to enable the Company to grant bursaries towards the costs of attending the Company's courses where appropriate. The directors therefore consider that the minimum level of reserves as at the year end would be £30,000.

The reserves at 31 August 2020 were £63,842. It is uncertain whether with Covid it will be possible or prudent in 2021 to hold residencies and perform concerts. The directors have considered the implications of this and consider that these reserves will be sufficient to ensure the continued operation of the Company for the next financial year.

Small Company Provisions

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

This report was approved by the board on 30 April 2021 and signed on its behalf.

Charles Clark

Director

**Independent Examiner's Report on the Accounts
to the directors of National Youth String Orchestra
(A company limited by guarantee having no share capital)
for the year ended 31 August 2020
Registered number: 05482194**

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with section 386 of the Companies Act 2006;
- the accounts do not accord with such records:
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.

The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The accounts have been prepared and delivered in accordance with the special provisions applicable to companies subject to the small companies regime. The profit and loss account has not been delivered to the Registrar of Companies.

Charles Clark
Director

Approved by the board on 30 April 2021

National Youth String Orchestra
(A company limited by guarantee having no share capital)
Notes to the Accounts
for the year ended 31 August 2020

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Charities SORP 2015 (FRS 102) and the Companies Act 2006.

Funds

The unrestricted funds represent funds which are expendable at the discretion of the directors in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Restricted funds are funds subject to specific restrictions imposed by the donors. These funds are not available for the directors to apply at their discretion. The purpose and use of the restricted funds is set out in note 5 to the financial statements.

Income

Income is recognised when the charity has entitlement to the funds on an accruals basis.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Harpsichord	10% straight line
-------------	-------------------

Taxation

The National Youth String Orchestra is a registered charity and is thus exempt from tax on income and gains falling within Part 10 of the Income Tax Act 2007 or s256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have arisen.

Foreign currency translation

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction. At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange. Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction.

2 Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, which are described in note 1, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed above.
