The Trustees present their annual report together with the financial statements of Youth With A Mission The Kings Lodge for the year ended 31st August 2020.

The company was established under a Memorandum of Association which sets out the objects and powers of the charitable company. It is governed under its Article of Association dated 22nd September 2014.

The governing body of the charity is the Board of Trustees. The trustees are also directors for the purpose of the Companies Act.

Achievements & Performance

The Charity is dependent on the services of unpaid volunteers for which we are greatly indebted and wish to thank them for their commitment and support.

Due to COVID-19 pandemic, many of our usual activities, training and events were postponed or cancelled for some of 2020. Others had to be adapted and moved onto online platforms. However, with that said, we were still able to perform many activities in line with our purpose this year.

Achievements during the year include:

Volunteer training and support – The ways we have created opportunity for the growth and development of our volunteers is through weekly team meetings, personal 'one on one' mentoring, ongoing personnel reviews and exit interviews/debriefing times. We also provide access to national and international training opportunities for the ongoing development for our volunteers. Thanks to technology, most of these activities continued online when the COVID-19 pandemic hit.

Education – we are committed to running high quality training. We provide training that promotes growth in Godly character, skills and knowledge, resulting in the application of biblical truth and servant-hearted ministry. We provide life skills training, personal growth and development, Biblical studies instruction, cross cultural experiences, child and youth worker training, and other everyday life areas such as fire prevention, food hygiene, finances, first aid, and safeguarding. The King's Lodge is the administration centre of Youth with a Mission's University of the Nations international extension studies training platform. We are also the administrative home for a growing number of Online Biblical Studies courses. Our residential School of Biblical Studies that began in September 2019 adapted to being an online school for the summer term of 2020.

Engaging with young people — we run a weekly youth club each week for local children (that has continued online throughout the pandemic). We ran our Winter Wonderland event in December, designed for local families and schools, and just under 400 people attended. As well as this, we hosted 4 different local schools (around 330 children and 20 staff) as they enjoyed the "The Narnia Experience" and Bible UV project. We are engaging with local primary schools hosting school assemblies and Christian clubs. In partnership with the Bible Society, we run Open the Book events (relaying Bible stories in a dramatic way) in primary schools and desire to expand this ministry. We are also committed to the provision of safe environments for children and young people to grow in their understanding of God, with groups such as Sunshine Corner, Praise Makers, and Wildfire

Engaging with other faiths & the wider community — we are committed to continuing and growing the scope of courses and seminars that we offer, especially within our Muslim and Youth Ministries, creating a greater understanding between different cultures. We are directly involved in a new initiative called Saints, a community regeneration project in the heart of Nuneaton. This project aims to tackle unemployment and lack of education and promote wellbeing and community connection. Our Leicester base hosts language courses for students including Iraqi, Kurdish and Turkish refugees. These have continued online throughout the pandemic. The team in Liverpool continue to reach out to the homeless, and our team in Coventry is regularly involved in connecting with immigrant communities in various ways. Our small team in Birmingham engages with their local community in many ways, especially through art. We continue to build life-giving relationships with parents, families and the wider body of Christ, demonstrating God's love through mercy ministries. We encourage our whole community to regularly attend and engage with local churches,

Financial Review

Principle sources of income

The charity's primary sources of income are through residential training fees, which amount to 72% of total income, and voluntary donations, which amount to 19% of total income. Of the voluntary donation income, 38% is within restricted funds.

Expenditure

Our main expenditures during the year were to provide Christian training.

Reserves Policy

The Trustees consider that reserves equivalent to between three and six months operation expenditure is required to allow for the uncertain income flow through the fluctuation of student income and donations.

At the end of the period the unrestricted funds, or 'free reserves' of the charity, were £142,855 as shown in Note 14.

The trustees are considering ways to increase the certainty of student and donation income, and our unrestricted funds or 'free reserves'.

Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they have adopted the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

COVID-19 (coronavirus) update

Youth With A Mission The King's Lodge have been following and implementing the recommendations and guidance from the UK government (and thereby the chief medical officer and chief scientific officer). We have been reviewing and closely monitoring the situation daily and taking appropriate steps to ensure our volunteers, trainees and visitors' safety. Actions taken so far include closure / cancelling of schools and training programmes, events and implementing procedures to ensure our campus bases adhere to the social distancing guidelines. We will also continue to monitor the physical and psychological impacts on our full-time volunteers.

The Trustees are monitoring and following the outbreak and assessing the implications of covid-19 (coronavirus). The Charity will see income lost in the year of 2021, due to the closure of schools, training courses and events cancellations. The Trustees have recently reviewed the reserves held by the Charity. According to the Charity's most recent accounts (unaudited) its net assets were £154,388 incl. £116,888 cash in hand with £31,108 debtors; £143,971 unrestricted funds (corresponding to approx. 8 months operating expenses), which are sufficient to enable the charity to continue acting through these uncertain times. See Note 15.

Trustees' Responsibility Statement

The Trustees (who are also directors of Youth With A Mission The King's Lodge for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to;

- select suitable accounting policies and then apply them consistently;
- · observe the methods and principles in the Charities SORP;
- · make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose, with reasonable accuracy, at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees on 22nd February 2021 and signed on their behalf by:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31⁵⁷ AUGUST 2020

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)), and the Companies Act 2006.

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £10 per member of the company.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for a specific purpose.

Income

All income is recognised once the company has an entitlement to the income, it is probable that the income will be received, and the amount of income can be reliably measured.

For legacies, entitlement is taken as the earlier of the date on which either: the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably, and the company has been notified of the executor's intention to make a distribution. Where legacies have been notified to the company, or the company is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the company use of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised and refer to the Trustees' report for more information about their contribution.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefit will be required in settlement and the amount of the obligation can be measured reliably.

Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of interest paid or payable by the Bank.

15. NON-ADJUSTING BALANCE SHEET EVENT

Due to the Coronavirus pandemic The Kings Lodge had to cancel Schools and Events and will be adversely affected in the 2020-21 financial period. At time of reviewing the 2019-20 accounts the Trustees have reviewed the accounts and funds of the charity to ensure that there is sufficient assets and cashflow to allow the charity to continue operation. The Kings Lodge has adequate cash reserves to cover 8 months of operating expenses.
