Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2020.

Objectives and activities

Public benefit

The objectives of the charity which are undertaken for public benefit are:

- 1. To advance education by the provision of items, services and facilities for Trinity St Peter's Church of England (Aided) primary School, (the school).
- 2. To advance education by the provision of items, services and facilities for any school substantially serving Formby.
- 3. To advance the education of persons in Formby who are in need of financial assistance and who are:
- i. persons who are attending Trinity St Peter's Church of England (Aided) Primary School, or
- ii. persons who have at any time attended the School or;
- iii. persons under the age of 25
- 4. The provision of facilities in the interest of social welfare for the recreation for persons under the age of 25 resident in Formby who have need of such facilities by reason of their age with the object of improving their conditions of life.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Grant making policies

Each year the trustees invite schools and other eligible groups in Formby to apply for grant assistance to support any special projects that would otherwise not be met from the Local Education Authority. The trustees meet to consider the merits of each application and make grants to such applicants as fulfill the trustees' criteria.

Achievements and performance

The charity was able to assist organisations in the community during the year. In particular the charity was able to provide funding for Trinity St Peters Primary School to be able to purchase a number of laptops. Due to the Covid-19 pandemic schools have had to change to on line learning and a number of pupils did not have access to a computer.

Financial review

The charity's income for the year amounted to £34,737 (2019: £34,654) and expenditure amounted to £36,469 (2019: £29,052). This gave a small decrease in unrestricted reserves held by £1,732. The balance on the unrestricted reserves at the balance sheet date amounted to £88,111 (2019: £89,843).

There was an unrealised gain on the endowment investment of £47,690 (2019: £104,312), the balance on the endowment fund at the balance sheet date amounted to £1,087,736 (2019: £1,040,046).

Trustees' Report

Policy on reserves

The trustees propose to continue their policy of making grants to appropriate bodies and persons, subject to the maintenance of a reasonable level of reserves that are required to meet ongoing repair and renovation obligations.

Investment policy and objectives

The trustees have continued to maintain the policy adopted in the old trust of investment in CBF Church of England Investment Fund. This fund is specifically designed to generate long term capital and income growth and is invested mainly in equities with a wide diversification of good quality holdings in both the UK and overseas.

Structure, governance and management

Nature of governing document

The charity is a company limited by guarantee incorporated on 31 January 2016 and registered as a charity on 22 July 2016. The company was established under a Memorandum of Association which established the objects and powers of the charity and is governed under its Articles of Association.

The trustees, who are also the directors for the purpose of the company law, and who served during the year end up to the date of signature of the financial statements were:

Rev Anne Taylor Mrs Sarah Elizabeth Howard Gorman (Appointed 15/10/2020) Mr Paul McHenry Mr Steven Andrew Edwards (Cessation 15/10/2020)

Major risks and management of those risks

The trustees have accessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Trustees' Report

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Credit risk

The charity's principal financial assets are bank balances, cash, and investments. The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on 19 April 2021 and signed on its behalf by:

Reverend Anyle Taylor Trustee

Statement of Trustees' Responsibilities

The trustees (who are also the directors of St Peter's Formby Educational Trust 2015 for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- · select suitable accounting policies and apply them consistently;
- · observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 19 April 2021 and signed on its behalf by:

Reverend Anne Taylor Trustee

Independent Examiner's Report to the trustees of St Peter's Formby Educational Trust 2015

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2020 which are set out on pages 7 to 20.

Respective responsibilities of trustees and examiner

As the charity's trustees of St Peter's Formby Educational Trust 2015 (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of St Peter's Formby Educational Trust 2015 are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of St Peter's Formby Educational Trust 2015 as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than
 any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of
 an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 December 2020 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

(Registration number: 09978248) Balance Sheet as at 31 December 2020

The financial statements on pages 7 to 20 were approved by the trustees, and authorised for issue on 19 April 2021 and signed on their behalf by:

Reverend Anny Taylor

Trustee

Notes to the Financial Statements for the Year Ended 31 December 2020

1 Charity status

The charity is limited by guarantee, incorporated in , and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is: St Peter's Vicarage Cricket Path Formby Liverpool Merseyside L37 7DP

These financial statements were authorised for issue by the trustees on 19 April 2021.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

St Peter's Formby Educational Trust 2015 meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

The trustees have reviewed the impact of the Covid-19 pandemic and are confident that the charity will continue to be a going concern. The charity is well placed with sufficient funds.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Notes to the Financial Statements for the Year Ended 31 December 2020

Income and endowments

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income from investments, including interest received, is included when receivable, Income from the endowment is credited to the unrestricted fund.

Assets given for use by the charity are recognised when receivable as donations.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Endowment funds exist where there is a capital fund with no power to convert the capital into income. The freehold land and buildings included in tangible fixed assets and in investment properties are historic, inalienable and form part of a permanent endowment which means that they cannot be sold but must be held in perpetuity.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Notes to the Financial Statements for the Year Ended 31 December 2020

Investment properties

Investment property comprises the School Cottage, 15 Paradise Lane. The fair value of the investment property has been arrived at on the basis of a valuation carried out on 30 January 2019 by Mr A D Hill FRICS of HW Commercial. The valuation was made on an open market value basis for similar properties. The trustees believe that this valuation represents the current fair value of the properties at the balance sheet date.

Investment property donated to the charity has been measured initially at fair value based on a previous valuation. Subsequently it is measured at fair value at the reporting end date. The surplus or defecit on revaluation is recognised in statement of financial activities.

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above);
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.

Notes to the Financial Statements for the Year Ended 31 December 2020

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors, cash and bank balances, are intially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the tranaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets are classified as receivable within one year are not amortised.

Basic financial liabilites

Basic financial liabilities, including creditors and bank loans are intially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are susequently carried at amortised cost, using the effective interets rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilitesif payment is due within one year or less. If not, they are presented as non-current liabilite. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilites

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
