Income and Expenditure is being monitored in total and is compared with the approved annual budget on a half yearly basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

Safeguarding

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- the safeguarding and protection of all children, young people and adults when they are vulnerable
- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities
- In all these principles we will follow legislation, guidance and recognised good practice

The Methodist Church commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation, guidance and safe practice in the circuit and in the churches.

The Methodist Church commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Reserves Policy

The Reserves Policy for the Church is to hold a minimum sum equivalent to 7 months' average expenditure. This should be sufficient to meet any unforeseen item of major expenditure on the church building and / or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full expenses including the assessment payable to the Circuit.

A detailed explanation of funds are included in the Trustees Annual Report

Notes to the Accounts

1. Basis of accounting

The financial statements have been prepared under the Charities Act 2011 in accordance with the 2014 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities applicable in the UK (effective from 1 January 2015) – the Charities SORP (FRSSE) – in replacement for the SORP's 2005 version specified in its related 2008 Regulations and in accordance with the 'true and fair override' provision contained therein. The Accounts have been prepared as a on going concern which assumes that the charity will continue in operational existance for the foreseable future. The Trustees continue to assess all income and expenditure that liabilities can be met.

2. Funds.

The funds held constitute: General Funds held for any purpose of the Church which are unrestricted, see fund balances breakdown. Restricted funds which are held for a narrower purpose including those for internal organisations. There are also the following Endowment funds as listed represents a gift-the capital, the income is either restricted or unrestircted. Details of each material fund are disclosed in note 16. Any funds may be represented by more than just cash.

3. Accounting policies

Basis

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Church's financial position and activities.

Income

Income is included in the Statement of Financial Activities (SOFA) when the Church becomes entitled to the resources, and the Trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Expenditure

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Church to pay out resources.

Grants

Grants made by the Church from its own funds are recognised in full at the time of agreement or when the Church accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

VAT

Since the Church is not VAT registered, all input VAT is charged with the expenses to which it refers.

. Tangible fixed assets for use by the Church

These are capitalised if they can be used for more than one year, and individually cost at least £1,000.

The freehold property is shown at Insurance Value cost and revaluation last completed in 2015. Other assets have been revalued in 2016 & nursery Unit in 2019. Property revaluation due to Covid 19 has not been posssible and will be done when it is safe to do so. Depreciation of fixtures is charged at a rate of 15% reducing balance. Capalisation policy: fixed assets are capitalised if purchases are over £100.

Investment Properties

Investment properties - property is being held for long term purpose of the charity.

Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA.

Debtors and Prepayments

General fund debtors represent items paid in advance and amounts owing.

Creditors

Creditors represent bills outstanding and monies collected to be paid over.

Basis of Independent Examiner's Report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention (other than that disclosed below*):

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - · to keep accounting records in accordance with section 130 of the Charities Act;
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
- * Please delete the words in the brackets if they do not apply appropriate
 - (3) I have/have not* obtained independent verification of all investments with the Trustees for Methodist Church Purposes ("TMCP") or held in other Trusts, Bank balances and Funds at the Central Finance Board of the Methodist Church ("CFB"), which are individually in excess of £10,000 (ten thousand pounds) at the balance sheet date.
