Directors and Trustees

The following persons served as directors during the year:

Directors' responsibilities

The directors are responsible for preparing the report and accounts in accordance with applicable law and regulations.

Company law requires the directors to prepare accounts for each financial year. Under that law the directors have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

This report was approved by the board on 29 April 2021 and signed on its behalf.

NEWHAM COMMUNITY PROJECT (Company limited by Guarantee) Accountants' Report

Independent Examiner's Report to the Trusteess of NEWHAM COMMUNITY PROJECT (Company limited by Guarantee)

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 August 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- -the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 386 of the 2006 Act other than the requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS102).

I have no concerns and have come across no matters in connection with my examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Status of the company

The charitable company is limited by guarantee and does not have share capital.

The liability of members is limited to £1 per member.

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)(effective 1 January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

Newham community project meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern statement

The financial statements have been prepared on a going concern basis which assumes that the Company will continue to operate. The validity of this assumption is dependent upon the continuance of support from the Company's key funders and in response to the progress made by the Company in pursuing a viable budget including the obtaining of further grants and other funds. The Company's current business plan shows that the Company will be able to operate in the foreseeable future. Based on this understanding, the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments, which would result from the basis of preparation being inappropriate.

Funds

General accumulated funds are unrestricted funds available for general purposes and include funds designated for a particular purpose; the use of such funds remains at the discretion of the trustees

Restricted funds are funds subject to conditions imposed by the donor or by specific terms of the appeal under which the funds are raised. The restrictive conditions are binding upon the Charitable Company.

Turnover

Items of income are recognised and included in the accounts when all of the following criteria are met:

The charity has entitlement to the funds;

any performance conditions attached to the item(s) of income have been met or are fully within the control of the charity;

there is sufficient certainty that receipt of the income is considered probable; and the amount can be measured reliably.

Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure on charitable activities includes the direct costs of projects and activities undertaken to further the purposes of the charity and their associated support & governance costs.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Leasehold land and buildings 30% on reducing balance Plant and machinery 20% on reducing balance

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Taxation

As a registered charity no provision is considered necessary for taxation.

Provisions

Provisions (ie liabilities of uncertain timing or amount) are recognised when there is an obligation at the reporting date as a result of a past event, it is probable that economic benefit will be transferred to settle the obligation and the amount of the obligation can be estimated reliably.
