Activities and Achievements To have resources available for expenditure on improvements to the quality of life, and the engenderment of esprit de corps. In the past year the mess has put on a full social programme for its members. Generous subsidies have been provided to selected functions from the profits made from the bar and other taxable activities.

Financial Review The Covid restrictions led to little social activity and the bar closed for most of the year. Despite these restrictions, the worth of the fund increased by £67.9K. The main reasons were:

- Gains in the market value of investments - £29.8K.
- Grant income increasing property values - £20.8K.
- Trading profits not needed for subsidies - £12.2K.
- Dividend income - £6.1K.

The fund was worth £620.7K. Of this £286.5K was represented by property and stock. A further £201K was held in long term investments. Bank and deposit accounts holding £108K easily covered liabilities of £11.6K.

Investment Selection Policy.	The investment funds are managed by Quilter Cheviot. The objective is to grow the capital value of the portfolio as well as generating some degree of income from the portfolio. Medium risk, can accept moderate variation or disruption to capital value or current income in order to meet the longer term objectives.
Financial Reserves Policy:	The Trustee has considered the level of reserves required to retain, appropriate to the charity's needs. The Trustee aims to ensure that the charity will be able to fulfil its charitable objectives even if there is a temporary shortfall in income and unexpected expenditure. The reserves are held in the investment portfolio, which had a market value of £201K. The Trustee will endeavour not to set aside funds unnecessarily but is aware that significant reserves may be required when the Wardroom moves to a new site.
Grant Policy:	Grants may be made to mess members to assist with the personal contributions to sporting, adventurous training or other activities where this is not available from the Leisure and Amenities Fund.
Risk Assessment:	The Trustee reviews the major risks to which the charity is exposed, and systems have been established to manage those risks and believes that by maintaining the free reserves stated it would provide sufficient resources in the event of adverse conditions. Quarterly independent examination of the accounts will mitigate the risk of any mismanagement by the mess committee.
Public Benefit Statement	This fund provides public benefit by assisting Service personnel to more effectively perform their roles within the Armed Forces of the Crown. It does this by providing and supporting mess facilities and social activities. This assistance enables Service personnel to face the challenges and danger associated with military service by developing and maintaining teamwork, spirit and attitude, and morale. As a result, the fund promotes the efficiency of the Armed Forces of the Crown by enhancing the Royal Navy's and Royal Marines' capability to undertake the roles demanded of it including the defence of the United Kingdom and its interests.

I confirm that have paid due regard to the Charity Commission of England and Wales's guidance on public benefit when deciding what activities the charity should undertake.

Declaration:

I declare, in my capacity of Charity Trustee, that I have approved the above report.

Independent Examiner's Report to the Trustee of the Wardroom Mess, HMS Nelson.

I report on the accounts of the Charity for the year ended 31 March 2021 which are set out in pages 1 to 8 and accompanying notes.

Respective responsibilities of trustee and examiner

The charity's trustee is responsible for the preparation of the accounts. The charity's trustee considers that an audit is not required for this year under section 144(2) of the Charities Act 2011 (The Charities Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a licenced member of the Association of Accounting Technicians.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustee for any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in any material respect:

- The accounting records were not kept in accordance with section 130 of the Charities Act; or
- The accounts did not accord with the accounting records; or
- The accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than in any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
