##### **Structure, governance and management**

soundLINCS is a Not-for-Profit organisation, and a Company Limited by Guarantee and does not have any share capital. It was incorporated on 10 March 1999 and registered as a charity with the Charity Commission for England and Wales on 4 May 2001. Every Trustee of the Company has limited liability in the form of a guarantee of up to £1. Any major risk, to which the Charity is exposed, as identified by the Trustees, has been reviewed and systems have been established to mitigate those risks. The Charity's governing document is its Memorandum of Association & Articles of Association.

soundLINCS is managed by a voluntary Board of Trustees who are all Directors of the Charity and meet each quarter to review policies and ensure a coherent strategic overview of the Company. The day-to-day operations are delegated to the Chief Executive Officer, Nikki-Kate Heyes MBE and a core staff of 3.5 full time equivalent employees as at 31 March 2021.

Trustees are appointed to the Board for an initial term of three years after which time they are eligible for re-election for a further two years. A full induction to the work of the Charity and its structure and governance is provided. The Charity makes no significant use of volunteers other than the Trustees.

##### **Objectives and activities**

The Charities Act 2011 requires that the purpose for which, soundLINCS, the Charity is formed is charitable and fits one of the 13 charitable purposes. In the Company's case this would be to advance the education of the public in the arts with particular but not exclusive reference to music. The Act also states that there is clear benefit to the public. The Trustees of soundLINCS have had regard to the Charity Commission's guidance on public benefit and can confirm that all of the Company's work in 2020/21 has been for the benefit of the public. This annual report provides demonstrable impact on the community.

**Achievements and performance**

There can be no disputing that 2020 was an extraordinary year; a year when everything stopped overnight. Work ceased, funding was repurposed and uncertainty prevailed as the Coronavirus rampaged throughout the world. The impact on the arts and cultural sector could not be underestimated, neither could the impact on soundLINCS. Covid-19 hit soundLINCS hard. Partner organisations, working with the vulnerable members of the community, continued to implement 'no visitors' rules to buildings. Accordingly, any development of new projects or work ceased. By March most of our anticipated funding was removed by providers. Potential income streams established by our fundraiser in 2019/20 with philanthropists and companies were wiped out. soundLINCS acted rapidly, pausing and ring fencing all active projects, furloughing all staff and the voluntary Board of Trustees took over the running of the Company. All non-essential costs were stopped and negotiations successfully reduced our office space and associated rent by 82% whilst making full use of remote communication. Fortnightly meetings of a Trustees' Finance Sub Group was instigated to closely monitor the Company's financial situation. soundLINCS successfully secured funding from the Arts Council England Emergency Fund, the Cultural Recovery Fund, a Small Business Discretionary Grant and, significantly, project funding from the National Lottery Community Fund which, together with Furlough, ensured that in November 2020, the voluntary Board of Trustees handed back a relatively healthy Company to the staff. However, with a second lockdown imposed and Lincolnshire moving into Tier 3 restrictions, staff continued to work from home, with hours rigorously controlled to ensure limited funds were spent as efficiently as possible, whilst many of the Company's existing projects were still unable to be opened up. The value of soundLINCS' work in a post-Covid world has been recognised by the award from the National Lottery Community Fund to provide music sessions to the most vulnerable in society. Restrictions currently hamper delivery but once conditions allow, there is a good level of confidence that this important work will form a healthy foundation for future soundLINCS' income opportunities. Accordingly, soundLINCS has developed office and workshop (physical and digital) Covid-safe policies and practices for music delivery along with appropriate PPE supply for all workers.

The will to deliver a quality product to people who really need our assistance is a constant driving force with our social and musical impact continuing to be delivered to a diverse and inclusive range of people, from older adults and hospitalised children, to hearing impaired and SEND participants. During the very bleak year, despite the adversity, between the voluntary Board of Trustees and our core team and soundLINCS' Music Facilitators we have:

- continued the support for carers, parents and community music professionals through the monthly free soundEMISSION e-bulletin plus the promotion and development of the vast array of musical inclusive toolkits and reports available free from the Company's website.
- Maintained a daily activity suggestion via social media.
- Delivered 104 music & training sessions ranging from 1 hour duration to 1 day.
- Remained in contact and employed, where possible, 20 Music Facilitators.
- Reached 75,907 people online.
- From 161 different countries.

In addition to this report, a fuller picture of our work, including the outputs and impact of our work, is available on our website [www.soundlincs.org](http://www.soundlincs.org). We invite you to visit our site and our associated social media sites to get a greater view of the sheer depth and breadth of the work we do. Our social media statistics show that more people than ever are getting involved across our platforms: YouTube, Bandcamp, Facebook, Twitter, Instagram and LinkedIn.

##### **Plans for future periods**

This is a challenging time as efforts recommence to reinvigorate previous project bids as well as seeking new project funding. Although currently the future looks a lot brighter with the rollout of the vaccine, this is set against a precarious economic background where Covid-19 may well re-impose restrictions on work and available funding.

As pandemic conditions ease, soundLINCS will continue with the three longer term programmes of work:-

**Future of the Past** - funded by the National Heritage Lottery and Lincolnshire County Council, which will see soundLINCS as lead applicant working in partnership with the Lincolnshire heritage sector and 4 other arts organisations in the exploration as to how voluntary trustees of 7 heritage sites across Lincolnshire can engage and work with young people to the advancement of understanding between the generations and the promotion of the sites across all the community.

**soundPLAT4M** programme enters the final year. Funded by the National Foundation for Youth Music with additional contributions from partners including Springwell Learning Community Lincolnshire, LCC Future4Me Service along with Lincolnshire Adoption Service and the Lincolnshire Music Education Hub. The programme continues to create new music-making opportunities for the least advantaged children and young people across the region.

**NewTricks:NewWorld** which brings music to the most vulnerable older adults of the community.

We hope to be able to continue our **Together Through Music** partnership for SEND schools music making work; partnering with Lincolnshire County Council to produce FAB! 2022; and review and consult as to the needs of the musicLINK members, whilst ensuring the soundEMission information service is strengthened.

Once restrictions are lifted, our extensive bespoke music delivery project work will continue in a Covid-safe manner and we will continue to partner with other organisations and charities to help create and deliver music programmes to continue 'Unleashing potential through music'.

#### **Year ended 31 March 2021**

---

More than ever, in the post-Covid world, soundLINCS will develop further programmes of work and funding applications in line with its Business Plan with the aim of consolidating the Company's position as the foremost independent music and social development organisation for the East Midlands. This will include development in the following areas:

- o continue the pursuit of artistic outcomes including:
  - o creating original musical pieces
  - o self-expression of participants in all soundLINCS' activities
  - o Music Facilitators provided with new creative opportunities
  - o breaking new ground through innovative use of technology to enable mass performances
  - o practitioners developing new musical skills and confidence to facilitate their groups
  - o enabling an emerging workforce
  - o developing research opportunities to benefit the participatory music sector locally, nationally and internationally.
- Continue to develop, present and distribute high quality research papers in accordance with soundLINCS' 'Inquiring Minds'© process
- Maintain and develop innovative culturally diverse experiences in collaboration with partner organisations and complementary providers.
- Build on existing partnerships and relationships to ensure a musically inclusive offer with non-music based specialists including, Older Adults, Looked After Children, Participation Service, Youth Offending Service and hospitals.
- Continue the development of innovative resources that embrace the use of digital technologies (such as apps) and social media channels to ensure the sharing and development of best practice.
- Expand the work with Music Education Hubs across the region, to support the social mobility agenda and to ensure a musically inclusive offer maintained and developed for children and young people in hard to reach and challenging circumstances.
- Continue our commitment to training and development for all staff, trustees and freelance associates and develop the Company's self-assessment systems for reviewing staff & board development, delivery of the programme and financial stability.

To achieve these goals in the short term, given the constant uncertainty of when physical delivery is able to commence, the voluntary Board of Trustees will continue to work closely with the staff, ensuring appropriate risk management assessments and fund raising goals are regularly reviewed, alongside the Company's budget and cashflow.

#### **Financial review**

soundLINCS aims to diversify its income base through funding applications for new and progressive post Covid projects whilst building on its core base of working with children and young people in challenging circumstances.

Actions towards achieving these aims continue with the review and creation of a new post-Covid business plan which will build on the staff re-structure of 2019/20, in line with the post Covid organisation which soundLINCS will become with a focus on increasing the charity's fundraising capacity to sustain and grow the organisation for the foreseeable future.

Post Covid, the charity will review previously repurposed grant applications and assess their fitness and relevance to the current situation. We will continue to work with partners to generate project income and replace lost revenue and work to ensure a solid recovery and programme of work for 2021/22.

#### Reserves Policy

It is the policy of the charity to maintain unrestricted free reserves at a level to allow the charity to research and develop new programmes and funding strategies to enable it to continue in its charitable objectives, and to provide sufficient funds to cover redundancy provision and three months operating costs in the event of it having to cease operating. The Board is satisfied that the current level of unrestricted funds is sufficient to meet this policy based on the current level of projected operating expenditure.

Unrestricted reserves at 31 March 2021 £201,433 (2020: £16,110).

Restricted reserves at 31 March 2021 £10,244 (2020: £10,169).

There were no designated funds at 31 March 2021 or 2020.

#### Responsibilities of the Trustees

The trustees (who are also the directors of soundLINCS for the purposes of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Independent Examiner's Report to the Trustees of soundLINCS**

**Year ended 31 March 2021**

---

I report to the trustees on my examination of the financial statements of soundLINCS ('the charity') for the year ended 31 March 2021.

#### **Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT which cannot be recovered. All expenditure has been classified under headings that aggregate all costs relating to that category. Expenses relating to one activity or cost category have been directly allocated. Charitable activities - Chief Executive Officer 85%, administration 90% and all other staff costs 100%. Governance - Chief Executive Officer 5%, administration 10%.

**Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	- 25% reducing balance
-----------	------------------------

**Financial instruments**

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value.

**Defined contribution plans**

Contributions are made to a workplace pension scheme for employees where required under the automatic enrolment legislation.
