OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objectives are the advancement of health and social care and the relief of those in need by reason of youth, age, ill-health, disability or financial hardship by:

- Providing information and advice to the general public about local health and social care services;
- Making the views and experiences of members of the general public known to health and social care providers;

Healthwatch Derbyshire gives people in Derbyshire a powerful voice locally, regionally and nationally. Healthwatch works to help local people get the best out of their local health and social care services. Whether it is improving them for today or helping to shape them for tomorrow.

Healthwatch Derbyshire has been set up to represent the views and experiences of patients, service users and members of the public, through targeted engagement activities. With the aim of influencing and improving the design and delivery of Health and Social Care Services.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

ACHIEVEMENT AND PERFORMANCE

- Creating reports for service providers and commissioners with recommendations for the improvement of services.
- Managing information sharing agreements with key stakeholders, which have been instrumental in improvements to service delivery and design.
- Representing the voice of patients and the public on Clinical Commissioning group meetings, the Health and Well-being Board, Improvement and Scrutiny Committees, and the Quality Surveillance Group.
- The regular scrutiny of comments received by members of the public through the work of the Intelligence, Insight and Action Sub Group (IIA). To identify areas of concern and discuss what action needs to be taken by Healthwatch.
- Producing a quarterly Intelligence Report to keep key stakeholders up to date with our work, and support triangulation of data.

- Feeding back to patients and the public about the impact their comments have had on service design and delivery. This happens through regular e-bulletins, written updates and through content on our website.
- Organising and targeting our engagement activity around key priorities with a clear rationale, in order to gather quality intelligence.
- Encouraging the active participation and involvement of local people as volunteers at all levels within the organisation and within all appropriate programmes and activities.
- Building on our digital presence through the development of our online feedback centre, and our Facebook and Twitter accounts.
- -The development of a Mental Health Engagement Service for service receivers and their carers called Mental Health Together.

FINANCIAL REVIEW

Principal funding sources

Our principal funding source is a yearly contract from Derbyshire County Council, which has been confirmed for the next 12 months, to represent patient and public interests in health and social care locally, with all income classified as un-restricted funds for all our activities.

The charity also had a three year contract which started on the 1 April 2017 and has been renewed for another 3 years to deliver an Engagement Service for Mental Health Service Receivers and their Carers called Mental Health Together.

Healthwatch Derbyshire had a total income of £363,881 for the year ended 31 March 2021, actively working in partnership with our commissioners to ensure value for money and effective use of our resources while developing strategic direction for the future.

Reserves policy

It is the aim of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to three month's expenditure.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

FINANCIAL REVIEW

Operating Efficiently

Healthwatch Derbyshire has effective governance and accountability and risk systems in place to oversee the work and ensure it has a robust management and staff structure to deliver the service remit.

We will continue to seek efficiencies and cost savings in our coming year, with frequent monitoring of expected costs and effective financial management critical to securing evidence based value for money and critical outcomes of engagement activities for people to receive of their local health and social care services.

Restricted Funds

During the year the charity received restricted funds of £42,767 to run the Mental Health Together service which is an engagement service for Mental Health Service Receivers and their Carers.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity was originally incorporated under the Companies Act 1985 on 21 February 2013 as a company limited by guarantee and is governed by its Memorandum and Articles of Association which were amended by special resolution on 9 July 2013. It was registered as a charity on 18 October 2013.

Recruitment and appointment of new trustees

A director (who also serves as a trustee and management group member) must be aged 18 years or older. Directors are appointed at the Annual General Meetings or by other directors. For full details of the appointment and duties of directors please refer to the Articles of Association. After the first Annual General Meeting, at each subsequent annual general meeting, one third of the directors, or, if their number is not three or a multiple of three, the number nearest to one third, must retire from office. Retiring directors can stand for appointment as directors again if they wish to do so. It is accepted that potential directors could be identified by personal recommendation or by advertising the vacancy.

Organisational structure

The Trustees delegate management responsibilities to the Chief Executive and also delegate certain functions to sub-committees. Each sub-committee has specific terms of reference and a chairman appointed by the Trustees. Trustees strengthen the sub-committees by co-opting experts in the relevant field when required.

This delegation is controlled by requiring regular reporting from the Chief Executive and the sub-committees to the Board of Trustees. Trustees acknowledge that such a system is designed to manage rather than eliminate the risk of failure to achieve Healthwatch Derbyshire's charitable purposes, and can only provide reasonable and not absolute assurance against material misstatement or loss.

Through the oversight of the Finance and Audit and Governance Sub-committees, Trustees review the effectiveness of the system of internal control and risk management.

Wider network

Healthwatch Derbyshire is part of a national network of Healthwatch organisations in England.
