#### TRUSTEES' REPORT (CONTINUED)

#### FOR THE YEAR ENDED 31 DECEMBER 2020

#### Plans for the future

The key objectives of the Trustees is to support the mission of the Church, to be witnesses of the Gospel of Jesus Christ to Fordingbridge and district. Having leased and developed a premises on the Fordingbridge high street, the Trustees now intend to expand their charitable activities from it & serve the community in greater measure.

In addition & in line with NLCC's vision statement, the Church and Charity will be looking to:

- Extend the mission of the Church family to the village of Downton. This includes establishing a work of service for the benefit of that local community.
- · Add an additional Trustee with suitable character & skill set to support the Church moving forward.
- Appoint a new treasurer to support the ongoing role of the Trustees.

#### Financial review

This is the first financial year for the charity as a CIO. The Church is dependent upon the generous support of its members who have continued to contribute towards its work during the year. In addition, government grants have helped enable the continued work of the Church during the pandemic period. Total income during the year (excluding the transfer of funds of £81,745 from the predecessor charity) amounted to £123,686 and total expenditure was £106,121.

It is the policy of the Church that unrestricted funds which have not been designated for a specific purpose should be maintained at a level equivalent to six months expenditure, a maximum figure of approximately £50,000. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Church's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Total unrestricted funds held at the end of the year were £94,166. The cash balance at the end of the year amounted to £73,518. Net current assets at the year end were £81,526. In accordance with all responsibilities, the Trustees are satisfied with the end of year financial position of the Charity.

The trustees has assessed the major risks to which the Church is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### Structure, governance and management

The Church is a CIO registered with the Charity Commission on 9 August 2018 (registration number 1179497). The assets of New Life Community Church Fordingbridge (registration number 1117692) were transferred to the CIO on 1 January 2020. ### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2020

#### Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Church and of the incoming resources and application of resources of the Church for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Church and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' report was approved by the Board of Trustees.

#### INDEPENDENT EXAMINER'S REPORT

#### TO THE TRUSTEES OF NEW LIFE COMMUNITY CHURCH FORDINGBRIDGE CIO

I report to the trustees on my examination of the financial statements of New Life Community Church Fordingbridge CIO (the Church) for the year ended 31 December 2020.

#### Responsibilities and basis of report

As the trustees of the Church you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Church's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Church as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

#### 1 Accounting policies

#### **Charity information**

New Life Community Church Fordingbridge CIO is a Charitable Incorporated Organisation incorporated on 9 August 2018.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Church's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Church is a Public Benefit Entity as defined by FRS 102.

The Church has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Church. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

At the date of this report, there remains uncertainty regarding the long term impact of the Coronavirus and from government policies to contain the spread. The duration and geographical extent of future governmental policies are unknown. Whilst the Trustees are still unable to predict the impact on the church's future, we have continued to use the going concern basis as appropriate in the preparation of these accounts.

#### 1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

#### 1.3 Income

Income is recognised when the Church is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Church has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Church has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2020

#### 1 Accounting policies (Continued)

#### 1.4 Expenditure

Liabilities are recognised when a constructive obligation exists, the payment is probable and the obligation can be measured or estimated reliably.

Resources expended are allocated to the particular cost centre to which they relate and include irrecoverable VAT.

#### 1.5 Property, plant and equipment

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following basis:

Leasehold land and buildings

Amortised over the life of the lease

Fixtures and equipment

15% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

#### 1.6 Impairment of non-current assets

At each reporting end date, the Church reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### Basic financial liabilities

Basic financial liabilities, including trade and other payables and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### 1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Church is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### 1.8 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2020

#### 2 Critical accounting estimates and judgements

In the application of the Church's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
