## **REPORT OF THE TRUSTEES** for the year ended 31 December 2020

The trustees present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### GENERAL

RSPCA - Fylde Branch ("the Charity") was registered with the Charity Commissioners on 5 August 1966 and is governed by the R.S.P.C.A. branch model rules, revised 19 July 1956.

### **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The Charity's objectives are to promote the work and objectives of the Royal Society for the Prevention of Cruelty to Animals (the Society) in the Branch area, namely to use all lawful means to prevent cruelty, promote kindness to and alleviate suffering of animals.

### Significant activities Advancement of animal welfare

1. The Branch's animal welfare work, although local in nature, benefits society at large, and also aims to help people in need with the care of their animals. The next section of this report highlights the Branch's main activities and demonstrates the benefit provided to the public. All our charitable activities, as described in more detail in the following pages of this report, focus on promoting kindness and preventing or suppressing cruelty to animals and are undertaken to further these purposes for the public benefit.

Charitable activities pursued for the public benefit

2. We support our local Inspectors by taking in, free of charge, mistreated or abandoned animals, including pets whose owners suffer ill health or financial difficulties or pass away. The Society's Inspectorate (as well as providing education, information and advice) rescues animals in distress and enforces laws against the cruel mistreatment of animals in England and Wales by bringing prosecutions. This work is key to 'the prevention or suppression of cruelty' part of the RSPCA objects, and promotes humane sentiments towards animals which involves moral benefit to humankind as a whole.

3. Animals in our care receive veterinary treatment, vaccination, neutering, micro-chipping and are assessed for re-homing. This work helps to control the incidence and spread of disease and suffering through vaccination and neutering.

4. We respond to enquiries (both direct and via the Society's national call centre) from the public about animals locally. The public benefits from knowing that we can intervene to assist animals in need.

5. We offer free animal care advice by having a dedicated local Advice Line. The public benefits through the promotion of responsible pet ownership

## ACHIEVEMENT AND PERFORMANCE

### Charitable activities

In an unprecedented year due to COVID 19 the Fylde Branch faced a major impact on its activities and had a number of challenges to overcome. Although all our fundraising events were cancelled and our Fleetwood Charity shop had to close for long periods, we were still able to achieve overall positive results and progress the Branches' development.

Following the initial lockdown, the Branch Trustees made the decision not to furlough our 2 employees, this enabled the Branch to function and provide care and support to as many animals as possible during very uncertain times.

The Branch Manager continued to run the Branch's day to day activities providing key support to the RSPCA Inspectors, General public and our homeless cats at our Meadow Green cattery unit. Our Shop Manager continued to work in our Charity Shop (despite closure) on a variety of Ad hoc tasks and back up to Our Branch Manager. Covid restrictions and protocols were adhered to all through this period.

Once Defra allowed rehoming on a temporary and reduced way and as result of our decision not to furlough our staff, we were able re start the adoption process almost immediately, in accordance with the strict rules set out by Defra and the RSPCA. We subsequently rehomed a number of cats virtually and delivered them in a strict COVID secure way.

We rehomed a total of 104 cats during the year, which was slightly more than last year. Along with neutering, spaying and micro chipping we also treated a number of cats for serious medical conditions which resulted in expensive Vets bills.

The Branch had always planned to employ an Animal Welfare Manager and despite the restrictions a successful recruitment resulted in Sara our new Animal Welfare Manager starting in early June. Sara has hit the ground running, rehoming a large number of cats in her first 6 months.

The Branch also took the opportunity to carry out essential maintenance at our Fleetwood shop and offices. The shop front was repaired and insulated and new heaters fitted inside. The Gable end was re rendered and new facia fitted. A new computer system was also installed, replacing an old out dated system, allowing staff more flexibility and control.

Once restrictions were lifted our Charity shop reopened, screens were installed, PPE and hand sanitisers were provided and the appropriate risk assessments undertaken. We also installed a card machine in order to take cashless payments.

The Branch applied successfully for a COVID non-essential Government retail grant which helped tremendously. The Branch also received a grant from Cats Trust for the cat neutering and spaying which the Branch undertook during the year, for which we are most grateful.

It is testament to all the Trustees, Staff and Volunteers that during these challenging times the Fylde Branch was still able to provide assistance to the RSPCA Inspectors and the local community. We helped a number of cats find their forever homes and we also neutered, spayed, microchipped and treated many more.

### FINANCIAL REVIEW

#### Financial position

The trustees are satisfied with the results for the year and the year end position of the charity. The results show that the charity made a net surplus during a difficult year of £18,532, the charity has unrestricted reseves of £397,405 as at 31/12/20. These results highlight that are currently no material uncertainties in relation to Going Concern.

#### **Reserves policy**

The trustees are of the opinion they should try to retain reserves equivalent to four times the expected level of annual net expenditure. In addition, they have identified expenditure requirements for maintaining the condition of the buildings operated by the branch. They therefore believe the current level of reserves, although slightly under the level of four times expenditure, to be appropriate and prudent, especially as they cannot rely on legacies, the timing and amount of which are beyond their control.

## **REPORT OF THE TRUSTEES** for the year ended 31 December 2020

### **FUTURE PLANS**

As government restrictions have still not fully lifted at the time of writing, we can only speculate as to the long term impact of the pandemic and the challenges that lie ahead. However, we intend to consolidate our current position by developing and increasing our fund raising activities, finding new income streams and enhancing our social media presence.

We will endeavour to recruit and train new Volunteers and Trustees and encourage RSPCA Branch membership.

We also want to continue to prioritise cat accommodation to Inspectorate generated cats as well as helping cats and other animals from the local area.

## STRUCTURE, GOVERNANCE AND MANAGEMENT

#### **Governing document**

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

### **Organisational structure**

The Society was formed by the Royal Society for the Prevention of Cruelty to Animals Act 1932 (as amended) and is governed by the RSPCA Acts and by the Rules of the Society. Membership of the Society is by subscription and may be on a life, annual, ex-official or junior basis.

The Society is managed by an elected Council who, subject to the rules, control the affairs, funds, property and proceedings of the Society. They are assisted in the administration of the Society by a central organisation, headquarters and branches.

The Branch is governed by a Committee who are Trustees of the Branch. They have individual and collective responsibility for the management of the Branch and its funds. Subject to the overall supervision of the Society the Committee controls and monitors all the fundraising and animal welfare initiatives of the Branch.

All Branch members are eligible to stand for the Branch Committee/Trustee subject to the following:

a) Candidates for the Committee/Trustee must be nominated in writing by at least 2 eligible Branch members.

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF R.S.P.C.A. (FYLDE BRANCH)

# Independent examiner's report to the trustees of R.S.P.C.A. (Fylde Branch)

I report to the charity trustees on my examination of the accounts of R.S.P.C.A. (Fylde Branch) (the Trust) for the year ended 31 December 2020.

### **Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
