TRUSTEES' ANNUAL REPORT

YEAR ENDED 31 MARCH 2021

The trustees, who are also Directors for the purposes of the Companies Act, have pleasure in presenting their report and the unaudited financial statements of the charity for the year ended 31 March 2021

Structure, Governance and Management of the Farming Life Centre

The Farming Life Centre (hereinafter referred to as FLC), was incorporated as a Company Limited by Guarantee and Registered Charity and is governed by its Memorandum and Articles of Association adopted on 8th October 2008.

Directors meet on a quarterly basis where they receive full financial reports from the Treasurer, a full project report from the Charity Manager and where they consider all other strategic issues relating to the Charity.

FLC Volunteers are recruited via our friends and contacts, statutory partners and via our social media accounts. We have worked with the Derbyshire Dales Council for Voluntary Service and other stakeholders to promote our request for volunteers, especially the need for new Trustees. Our hard copy publicity materials, new media and press releases include volunteer recruitment.

Our charity is open to everyone living in rural communities including farmers- we accept self-referrals as well as referrals from social care and health professionals- therefore anyone who lives in rural communities can seek support from the centre. Moreover, FLC is involved with rural enterprises/businesses and health so there is scope to support hard to reach individuals in a holistic way.

Our activities are charitable and projects aim to benefit those most in need. We aim to tackle wider determinants of health and impact on our rural/farming communities who are affected by distance decay. The FLC Board understands its obligations to manage resources wisely. Throughout the year, regular reviews of contingency and emergency funds have been carried out to ensure fully compliant. Given the challenges the Board actively seeks to manage risk to ensure continuation of the charity to reach increasing numbers of beneficiaries.

Risk Management

Major risks to which FLC might be exposed have been identified by the Board based on information provided by the Charity Manager and Treasurer. Where significant risks are identified, a strategy for mitigating those risks will be developed and presented to the Board of Trustees for approval.

Objectives and Activities of the Farming Life Centre and Public Benefit

The objects of The Farming Life Centre, as stated in its governing document;

'The relief of sickness, promotion of health and relief of financial hardship among the farming community in the area defined by the current boundaries of the Peak District National Park'

Rural Reconnections:

National Lottery Local Connections Fund helped FLC to re-connect with all its beneficiaries and help to reduce loneliness. Garden vouchers and a personal letter was sent.

Macmillan Rural Health Outreach Project - Macmillan Cancer Support

The Macmillan Rural Health Outreach Project is a 4-year project (2018-2022) funded by Macmillan and hosted by the FLC.

The service is designed to support people living in rural communities across the Peak District who are;

- Rurally /socially isolated
- Have little or no/family friend support networks available to them
- Are or have been directly affected by cancer and /or other life limiting health conditions
- Are or have been a recent carer for or close to someone with cancer or another life limiting condition where they need some support or signposting assistance.

The project is led by an Outreach Coordinator who reports to a multi-agency Steering Group. The Steering Group meets quarterly and provides strategic and operational support and oversight to the Coordinator.

Rural Social Groups:

Our rural social groups continue to grow. They are lively meetings of retired and semi retired farmers and family members who meet for tea and a chat with meals out and occasional speakers. The social groups 2020/21 were based in:

Ashford-in-the-Water, which met weekly at the War Memorial Institute

Hartington a monthly meeting at the Village Hall

Boylestone just south of Ashbourne based at primitive Methodist Church met monthly on a Thursday.

Due to Covid restrictions our meetings have been online via zoom.

Five Ways to Wellbeing

We used this grant to offer Chair Based Pilates for the over 65's.

Aims:

- To reach out and support local people in the community who are isolated, lonely or want to reconnect with local networks
- To improve the quality of life of rural residents who are lonely or isolated
- To improve people's mental health and wellbeing
- To improve/maintain physical wellbeing

Objectives:

- To provide a regular physical activity for the over 65s

THE FARMING LIFE CENTRE COMPANY LIMITED BY GUARANTEE

TRUSTEES' ANNUAL REPORT

YEAR ENDED 31 MARCH 2021

- To improve physical fitness
- To improve confidence and self-esteem
- To increase the social/support network for individual members
- To enable people to be connected/maintain connections with the community

The project brings members of the community together encouraging people to begin to reconnect. Some members of the community will not have not been out of their homes for a number of months. It is important to help them develop their physical strength in order for them to be able to keep mobile and well.

South West Peak Landscape Partnership (SWPL)

By working together in the South West Peak, we will shape a better future for our communities, landscape, wildlife and heritage where trust and understanding thrive. With support from the National Lottery Heritage Fund the SWPL is working to deliver a number of projects to benefit people, communities, natural and cultural heritage in the South Western part of the Peak District National Park.

Peak Land Lives (Book Project) - What we are doing:

- Telling personal stories of farmers throughout the South West Peak
- Examining the challenges faced by farmers and their families
- Preserving the legacy of farmers in a full-colour book and an archive of oral histories
- Discussing the importance of farming in the living landscape of the South West Peak
- Interpreting farming and its meaning to those outside the farming community

'The Land That Made Us' was published in September 2019. The book is being sold in a numbers of bookshops, Tourist information Centres, online as well as at agricultural events and livestock market gatherings.

Walking for Health — Monthly Farmers walks

Led by trained walk leaders the short "easy" walks starting from different locations each month and followed good paths with plenty of points of farming interest. Walks took place on a Thursday afternoon starting at 1.30pm. The walks generally aim to do a circular route, which takes about one hour at a steady, easy pace. The walks have been well attended with an average attendance of 20.

Responsibilities of the Board of Trustees

Company law requires the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable Company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the Board of Trustees should follow best practice and:

THE FARMING LIFE CENTRE COMPANY LIMITED BY GUARANTEE

TRUSTEES' ANNUAL REPORT

YEAR ENDED 31 MARCH 2021

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the Company will continue on that basis.

The Board of Trustees is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 1985 and any subsequent revisions of that act. The Board of Trustees is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of Trustees, who are directors for the purpose of company law and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out at the start of this report.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF

YEAR ENDED 31 MARCH 2021

I report on the accounts of the company for the year ended 31 March 2021 which are set out on pages 9 to 18.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

1.5 Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs relating to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources. Fund-raising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in the support of the charitable activities.

1.6 Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discounts offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.
