Registered charity number 1166746

Trustees Annual Report 2020-21

The lease of the Friendship Hall to Oaks Community Church continues, and facilitates the use of the Hall by the local community when not needed by club members.

The trustees have been unable to run the Friendship Club during the year 2020-21 due to the Covid-19 pandemic. It usually provides activities for older local residents. These include bingo, line dancing and a club social evening. All of these previously happened on a weekly basis. The Club also would arrange meals out for its members from time to time.

There are currently about 12 club members who would have attended regularly, should they have been able to; membership has declined in recent years due to the increasing ages of the members and a lack of interest in new membership. The club has adequate funds to continue running on the current basis and all the funds are now held in one bank account. The club hopes to restart their regular activities again once it is safe to do so.
