TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their annual report together with the financial statements of the company for the period from 1 April 2020 to 31 March 2021.

The Charity also trades under the name Thames Valley Gymnastics Club.

Objectives and Activities

a. Policies and objectives

The charity's objectives are to advance the education of school pupils by organising or providing or assisting in the organisation and provision of a facility or facilities together with the direct or indirect provision of training and coaching which will enable and encourage such pupils to undertake gymnastics to assist in ensuring that due attention is given to the physical education and development of such pupils, as well as to the development and occupation of their minds with a view to furthering these objectives.

b. Main activities undertaken to further the charity's purposes for the public benefit

The charity's Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties. This guidance is contained in "Charities and Public Benefit" published by the Charity Commission.

The company promotes public benefit locally and to the wider community in a number of ways and in particular:

- Provides a dedicated gymnastics facility and specialist gymnastics equipment in an area where there is no other public access to gymnastics training opportunities.
 - Provides training for its staff as part of their continuing professional development.
 - Provides a facility for early years learning of physical skills in a safe and controlled environment.
 - Makes its premises available to the local community for gymnastics coaching, physical exercise, ballet, dance classes and as a venue for meetings.
 - Provides financial support and bursaries to enable children to continue their participation in the sport in the event of family and financial difficulties and provides grants to enable children with potential to train and compete at higher levels in the sport.
 - Provides, without charge, governance and welfare officer support services to gymnastics organisations operating in the Thames Valley area.

c. Volunteers

The Charity has been supported by willing volunteers in meeting its objectives and administration activities of the Charity and the trustees would like to take this opportunity to say how much they appreciate their continuing and valuable support. The trustees consider no reliable value can be placed on cost of volunteers so have not included it within these accounts.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance

a. Review of activities

Due to Government Covid-19 restrictions, the gymnasium was closed for significant periods during the year and, when open, activities and class levels were restricted due to social distancing and hygiene requirements. There was consequently no competitive activity during the year and, accordingly, no sponsorship awards to gymnasts were possible. It was agreed to suspend around 50% of charges for serviced hours in the gymnasium during the year in order for those organisations using the gymnasium to remain viable. It is anticipated that this support will be necessary until September 2021 when it is hoped that activities will return to pre-Covid-19 levels. Governance assistance was provided during the year to both K D Gymnastics, Newbury and to Kennylands Gymnastics, together with the provision of Welfare Officer services to KD Gymnastics.

Financial review

a. Going concern

As a result of gymnasium closure periods and lower levels of usage, it was possible to make economies in running costs and, together with the receipt of Business Support Grants and Furlough payments, the financial performance for the year was satisfactory and the company's financial reserves have increased accordingly. It is anticipated that Furlough payments will be clalmed until September 2021 when it is expected that charges for serviced hours will return to pre-Covid-19 levels. The Charity has adequate reserves to carry it through this period; on this basis the financial statements have been prepared on a going concern basis.

b. Reserves policy

The Members have examined the Charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the Charity should be approximately 12 months of the expenditure. The trustees will therefore seek to maintain available general funds in excess of the budgeted expenditure for 2020/21 of £45,000. General funds at the year end amounted to £192,985. The reserves are needed to meet the working capital requirements of the Charity and the Trustees are confident that at this level they would be able to continue the current activities of the Charity in the event of a significant drop in funding.

Income from Room Hire during the year was significantly reduced due to the coronavirus pandemic, however the receipt of Government grants facilitated an increase in income which, together with savings in expenses, resulted in a satisfactory surplus for the year of £18,157 (2020 deficit: £1,898).

Structure, governance and management

a. Constitution

The Charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 24 January 1997.

The Company is constituted under a Memorandum of Association dated 24 January 1997 and was registered as a Charity, number 1062939, on 24 January 1997. The company's Memorandum and Articles of Association were amended by special resolution on 4 November 1998 and 4 December 1999.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2021

b. Method of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

The directors of the Company are also charity trustees for the purposes of charity law and under the Company's Articles are known as members. Under the requirements of the Memorandum and Articles of Association, the Trustees are required to retire from office at the Annual General Meeting, however any Trustee may stand for reelection.

Under the Memorandum and Articles of Association, any person may stand for election as a Trustee unless that person has not attained the age of 18 or has been disqualified from acting under the provisions of Article 30 of the Articles of Association. The Trustees may, by ordinary resolution, appoint a person to act as Trustee to fill a vacancy or as an additional Trustee. A Trustee so appointed shall hold office until the following Annual General Meeting.

c. Policies adopted for the induction and training of Trustees

Trustees Directors generally have a background in education, charity administration and/or gymnastics as a parent or a coach. The Trustee induction programme includes familiarisation with the gymnasium and its equipment. Training for Trustees for their duties as trustees of a charity, is made available to all Trustee Directors. Trustees are selected because of their relevant skills for the company's activities.

d. Principal activities

The Charity provides and maintains a fully serviced gymnastics facility together with specialist gymnastics equipment to enable the provision of structured programmes of gymnastics education and coaching for children through from infancy to adulthood. Funds are made available to enable continued participation in cases of financial difficulty and children with potential are offered additional hours of tuition together with financial support to enable them to train and compete at higher levels in the sport.

Members' liability

The Members of the Charity guarantee to contribute an amount not exceeding £10 to the assets of the Charity in the event of winding up.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2021

Thames Valley Gymnastics Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The functional and presentational currency of the financial statements is GBP and these are rounded to the nearest \pounds .

1.2 Company status

The Charity is a company limited by guarantee. The members of the Company are the Trustees named on page 1. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the Charity.

1.3 Going concern

The financial statements have been prepared on a going concern basis and consideration of the impact of Covid-19 has been addressed in the Trustees Report; this is not considered to cast significant doubt about the ability of the charity to continue as a going concern.

.1.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donated services or facilities are recognised when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the Friends is not recognised and refer to the Trustees' Report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Grant income is recognised in the period in which it is receivable.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. Accounting Policies (continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the company's educational operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

1.6 Tangible fixed assets and depreciation

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities incorporating Income and Expenditure Account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Long-term leasehold property		Straight Line over the term of the lease
Plant and machinery	-	20% Straight Line

1.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. Accounting Policies (continued)

1.10 Liabilities and provisions

Llabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
