2. Structure governance and management

The charity is a Charitable Incorporated Organisation registered on 30 October 2014. The financial activities commenced on 1st January 2017.

The body of Feoffees when complete consists of up to seven competent persons who, through residence, occupation or employment or otherwise have a special knowledge of the City of York. Feoffees must always comply with the statutory qualifications under the Charities Act 2011.

There must be at least three and no more than seven charity trustees. The first charity trustees' terms of appointment are set out in the constitution, thereafter every trustee must be appointed for a term of 3 years by a resolution passed at a properly convened meeting of the charity trustees.

A trustee can serve three consecutive terms but may not be reappointed thereafter except after an interval of at least one year.

The induction process for newly appointed Feoffees comprises an initial meeting with the Feoffees to brief them on their legal obligations under charity law, the decision making processes of the charity and its policies and procedures.

FEOFFEES REPORT FOR THE YEAR ENDED 31ST DECEMBER 2020 (Continued)

3. Objects and activities

The objects of the charity are to apply the income of the charity in or towards the maintenance of any church or churches of the Church Of England in the City of York and for general charitable purposes for the benefit of the inhabitants of the City of York. The City of York for these purposes refers to the administrative boundaries of the same as at 31 March 1974.

The charity invites applications for funding of projects from local churches and charities. Applicants are invited to submit a summary of their proposals in a specific format. The applications are reviewed against criteria which are set by the Feoffees. In planning the activities for the year the trustees have kept in mind the Charity Commission's guidance on public benefit at the trustee meetings.

4. Achievement and performance

The charity received a considerable number of new applications for grants in 2020. These were reviewed and discussed at the Feoffees meetings during the year. In total the Feoffees awarded grants in response to 9 applications, with the remainder being rejected. 11 grants were paid during the year including 5 outstanding applications from 2019. At the year end there were 3 grants which had not yet been paid out. The impact of the Covid-19 pandemic on the economy reduced the value of investments and is expected to reduce over time the income available from those investments. There has been some recovery in value of the investments, Grant applications were received to address issues caused by the pandemic and some grants were awarded with that purpose.

5. Financial review

During the year grants, net of adjustments, amounting to £52,855 were promised. A total of £100,605 was paid out. As at 31st December 2020 grants promised but unpaid amounted to £20,900. A list of the grants paid can be found in note 3 to the accounts. The income available to the charity over the year was £79,881. The expenses of administering the charity totalled £30,061, of which £11,285 were investment management fees paid out of capital.

Reserves policy:

It is the policy of the charity to maintain accessible funds, which are the free reserves of the charity at a level which equates to approximately six months unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs and to respond to emergency applications for grants which arise from time to time. The balance held in unrestricted funds at 31 December was £3,183,897 of which £70,896 are regarded as free reserves after allowing for funds tied up in investments.

The current level of free reserves is in excess of the target.

Risk management:

The Feoffees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen the risks.

Investment powers and policy:

The charity has no fixed time horizon and it is unlikely that there will be any additions to capital. The aim therefore is to preserve and if possible improve the real value of the assets, and to provide a rising income.

6. Plans for future periods

The charity plans to preserve capital in real terms to meet the long term objectives of the charity. The charity will continue to review its investment policy on an annual basis. As a result of changes in the economy prompted by the Covid-19 pandemic, Feoffees currently expect income from investments to continue to reduce in the short term.

7. Feoffees' responsibilities in relation to the financial statements

The Feoffees are responsible for preparing a Feoffees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Law applicable to charities in England and Wales requires the Feoffees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year.

In preparing those financial statements, the Feoffees should follow best practice and:

- a) Select suitable accounting policies and then apply them consistently;
- b) Observe the methods and principles in the applicable Charities SORP;
- c) Make judgements and estimates that are reasonable and prudent;
- d) State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements.
- e) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The Feoffees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations and the provisions of the trust deed. The Feoffees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report was approved by the Feoffees on 19th March 2021 and signed on their behalf by

Mr D A G Titchener - Chairman

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirements that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
