**TRUSTEES REPORT**

---

The trustees present their annual report and financial statements of the charity for the year ended 31st March 2021. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's constitution, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102.

**OBJECTIVES**

We aim to offer a safe and secure environment for all children, in which they will be offered a wide range of opportunities to learn through play. Enthusiastic staff will give the children opportunities to be creative, imaginative and to develop physical skills. We have a wide range of activities and equipment to suit all ages and interests. The children will be empowered to extend and develop their skills and confidence in a caring supportive framework.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

**STRUCTURE GOVERNANCE AND MANAGEMENT**

The charity is governed by a Trust Deed which requires that there shall be at least three trustees. A trustee is recommended by an existing trustee and invited to a meeting and then elected at the next trustees meeting.

All trustees receive adequate induction and training.

**TRUSTEES AND ORGANISATIONAL MATTERS**

The trustees of the charity during the year are shown in the legal and administrative section.

**ACHIEVEMENTS AND PERFORMANCE**

Mr Bee's family centre has had a busy and challenging year whereby a number of systems, policies and protocols have been reviewed resulting in a more streamlined service being offered.

At the beginning of the school year, the family support centre number grew with in excess of 450 families on our register and 58 staff members both childcare and operational. This of course, was until March 2020 when the pandemic hit and like most organisation, uncertainties began and daily operation became increasingly difficult. The Mr Bee's team is strong and coped with these changes well and continued to operate throughout the pandemic.

- The use of Famly to document and record the children's learning has been embedded into practice allowing childcare staff to spend more time with the children and less time record keeping.

**ACHIEVEMENTS AND PERFORMANCE - continued**

- Parents continue to provide good feedback with regards to the new system which allows ease of access to children learning and development, communication between home and nursery continually promoting the partnership with parents.
  
- All staff members have participated in staff Development days, the later part of the year being virtually – in keeping with job roles and areas of responsibility. in the moment planning training completed ready for the new school year.
  
- Our apprentices completed nationally recognised level 2 and 3 whilst another staff member completed their BA Hons.
  
- Staff have updated relevant mandatory qualifications – including first aid, Covid-Prevent and safeguarding, with sessions on the latest requirements and legislation.
  
- We continued to successfully implement the Early Years Foundation Stage in keeping with best practice as identified in the OfSTED reports.
  
- Centres operated efficiently during the pandemic, ensuring all additional measures were put in place to ensure to keep the children, families and staff safe.
  
- Children have had the opportunity to visit various locations when pandemic permitted in the local environment.
  
- Surviving the pandemic financially – staff members have been extremely supporting with opting to be furloughed through the job retention scheme or agreeing to reduce hours to support the future of Mr Bee's – their commitment is second to none.
  
- Community spirit revived with kind donations, supporting with shopping as well as words of encouragement.
  
- Home learning was put in place by way of 'graduation packs' being put in place for children going to reception, video for the children who could not attend to keep in touch with their peers and key people, virtual story times and ideas for activities which can take place at home.

### **STAFF REPORT AND UPDATE**

#### **Childcare Staff Team;**

This year we said goodbye to some of our long serving members of staff as they head off to try something a little different or move to pastures new. Congratulations to those who still managed to get married, despite the odds being against family gathering's in the current climate. Staff have transitioned from one centre to another during the pandemic which has been challenging but positive at the same time – reuniting the whole Mr Bee's team. Teams have had to pool their resources, skill wise and environmentally to provide consistent, stimulating and safe care for the families during anxious and uncertain times. Often becoming the only 'stable' part of life during Covid-19. Well done to all staff and families working together, we wouldn't have been able to get through it without you!

Parent and Toddler group started in September 2019 and was successfully running with a group of ten parents. The group stopped in March 2020 during the pandemic and it is hoped this will start running again as soon as it is safe to do so.

#### **Operational and Support Staff;**

The financial team continue to work diligently over the past year which has seen new systems and processes put in place. A human resource officer was hired to support with the growing numbers of staff, employment legislation and payroll which was very supportive during the introduction of the Government's job retention scheme. In March, however, it was necessary to put Head Office on lockdown and all but a skeleton staff at Mr Bee's and the doctor's office were present on site meaning the Café temporarily closed. Necessary maintenance was completed but visions of developing our community outdoor areas put on hold. It was a difficult and uncertain time for all Head Office staff and their professional approach during this period as they continued to provide support to our clients in a friendly and professional manner which is very much valued and an indication of how dedicated staff are to our organisation.

#### **Fundraising;**

The staff and children have organised fundraising for those less fortunate in the local and wider community and have supported BBC Children in Need this year. Covid-19 has prevented participating in some of the usual events such as Comic Relief and MacMillan Coffee Morning. Some staff members have chosen Mr Bee's as their chosen charity to individually raise funds.

#### **Partnership Working;**

The development of the community garden at St Augustine's was started by the NCS program at the local college last year and the Mr Bee's maintenance team had been working hard to continue this project up until the pandemic. We are currently looking for support from 'Unpaid Work' to continue and hope to have the garden up and running in the near future with the support of local organisations and volunteers. The aim is to creating a community garden and wooded area whereby those from the local area can come and relax and enjoy gardening, improve health and well-being.

#### **Local Health Team;**

The childcare staff have regular dialog with the local health team to plan and implement learning activities for those most in need as well as plan reviews for the children (2 year checks).

#### **FINANCIAL REVIEW / PLANS FOR THE FUTURE**

At the end of the year the charity held £167,377 in the bank. Trustees recognise that they must not only invest in promoting, developing and improving the services provided but also ensure that sufficient income and reserves are secured to meet the day to day running expenses of the charity.

Financially it has been a really tricky year as we have worked through COVID and the restriction and constrains this has caused. Not least the pressure that the loss of revenue from our childcare has had on the budgets. We have been able to make use of The Government Job Retention Scheme and put some staff onto the scheme to allow us to claim support with their wages keeping within the guidance of the scheme. Alongside those staff on furlough we have needed to reduce hours for all staff. We have really valued the goodwill shown by staff as they have worked on reduced hours and salaries to support the future of Mr Bee's.

This has been another difficult year to balance the demands of the cost of providing a quality childcare service against the revenue available from government funding and childcare fee's. The rising cost of our service has caused increasing tensions on the budgets and financial sustainability of Mr Bee's. We have been able to continue to claim funds for 2, 3 and 4 year olds and Norfolk County Council have made payments based on estimated attendance rather than actual attendance; which has helped to keep us viable and afloat during the toughest 'national shutdown' times. As the drop in fee paying children attending presented us with the dilemma of how to ensure that Mr Bee's remained financial secure; without overtly disadvantaging families and maintaining recommended good practice. This resulted in many very difficult decision's having to be made by the trustee's to achieve this, including ;

- Putting on hold Non-funded childcare fee's reviews and increases until early summer 21.
- Spending / Costing reviewed and savings made where possible including utilities and other such running costs.
- Reducing staff wage bills by the use of the JRS and staff agreeing to work reduced hours neither of which could not have been achieved without the goodwill of the staff team the trustees really value how staff have 'step up' when it was most needed – this was a brilliant effort by all.

**FINANCIAL REVIEW / PLANS FOR THE FUTURE Cont...**

- Staff wages reviewed and increased in line with recommendations for minimum wage and the living wage from April 2021.

**RESERVES**

The unrestricted funds are used for the general purposes within the charity. The restricted funds are used according to their original instruction.

The level of reserves is monitored and reviewed at the regular trustees meetings.

The trustees believe that the level of reserves which is necessary should be enough to cover the running costs of the sites for one year, including all free family services, and that this is to be monitored and maintained throughout the year.

**MAJOR RISKS**

The main risk experienced by the charity is the competition from other nursery and childcare services in the area. This is closely monitored and action put in place where necessary to protect against the impact on the charity.

To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity, the charity's members as a body and the charity's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

**Responsibilities and basis of report**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

- 1 examine the accounts under section 145 of the Charities Act,
- 2 to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- 3 to state whether particular matters have come to my attention

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

YEAR ENDED 31 MARCH 2021**

**Independent examiner's statement**

In connection with my examination, no material matters, except for those detailed in the emphasis of matter paragraph, have come to my attention which gives me cause to believe that in, any material respect:

- 1 the accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2 the accounts did not accord with the accounting records; or
- 3 the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
