PEEC is dependent on large numbers of volunteers. Over the last year we had 40 volunteers who helped with running various activities.

Each volunteer signs a Volunteer Agreement and is familiar with our Volunteer Policy, health & safety Policy, Equal Opportunities Policy and Expense system.

Our volunteers are DBS Checked.

Our volunteers are involved in all kinds of activities depending on their skills and talents.

We provide internal and external volunteer training opportunities as well as vast opportunities for work experience.

Our volunteers help with running group activities, office support, organising events, trips and co-ordinate other volunteers etc.

We value our volunteers and appreciate their commitment to help other Polish and Eastern European families.

Achievements and performance

PEEC provides a range of programmes and family assistance that supports the development of young children (mainly under 5). We provide group opportunities for children's social interaction and play activities. We provide opportunities for parents on how to be a better parent. We run parenting classes for parents and provide them with course materials that they can study more at home.

The main plan for the future of the organization is to secure funding for a part time office administrator and coordinator. The organisation is applying for various funding to expand its activities.

Financial review

It has been a long term objective of PEEC to build up reserves. It is therefore seeking to establish a level of reserves to further its objectives. PEEC seeks to increase its reserves in order to maintain long term viability.

The Committee review the risk to which the charity is exposed on an annual basis. There is a standard item on the committees agenda covering health and safety risks and compliance while financial risks are reviewed quarterly. The committee is satisfied that appropriate steps have been taken to identify and manage the major risks to which the charity is exposed.

The charity is a company limited by guarantee.

The Charity is governed by its Trustees which consist of 5 Trustees. Our Trustees meet regularly to manage its affairs.

PEEC has one full time member of staff and several part time workers and frequently employees staff for specific projects. NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

1 Accounting policies

Charity information

POLISH & EASTERN EUROPEAN CHRISTIAN FAMILY CENTRE LTD is a private company limited by guarantee incorporated in England and Wales. The registered office is Haringey Irish Centre, Pretoria Road, London, N17 8DX.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are those which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The cost of raising and administering such funds are charged against the specific fund.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1 Accounting policies

(Continued)

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers	20% straight line basis
-----------	-------------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.6 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
