Structure, Management and Governance

The Benefice of St Stephen's, Gateacre PCC operates under the Parochial Church Council Powers Measure 1956. The PCC is a registered charity, Registered Charity Number 1164672 (3rd December 2015).

Background

The Parochial Church Council of The Benefice of St Stephen's, Gateacre, known as The Gateacre Team Ministry, has the responsibility of co-operating with the incumbent, the Revd Philip Janvier (Team Rector), in promoting within the Parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

Until July 2019, the PCC according to the relevant pastoral measures had delegated much of its day-to-day responsibilities to the respective DCC of St Stephen's Gateacre, Christ Church, Netherley and St Mark's, Childwall Valley. Having responsibility for the respective districts within the parish the DCCs shared these responsibilities with the Team Rector the Revd Phil Janvier, the Team Vicar the Revd Sandra Doore and the Rev'd Philip Turner. From July onwards, the DCC's were suspended and the PCC assumed all responsibilities for the running of the churches within the ministry, supported by Local management Groups to reflect the individual characters of the three churches within the Team.

Membership

Members of each DCC and PCC are either ex-officio or elected by the Annual Parochial Church Meeting (APCM) in accordance with the Church Representation Rules, all PCC members are members of their respective DCCs.

Day to day management control of the Team Churches is exercised by the Team Rector, Team Vicars and Wardens: contactable via the parish office 0151 487 8480

The method of appointment of PCC members is set out in the Church Representation Rules. All church members are encouraged to register on the Electoral Roll and stand for election to the PCC.

Committees:

As stated above, the PCC operated mainly through the respective DCCs that meet at regular monthly meetings. The PCC met and continues to meet quarterly.

Each DCC has a Standing Committee:

This is the only committee required by law. It has the power to transact the business of the DCC between its meetings, subject to any directions given by the Council.

DCCs were responsible for members receiving induction training including trustee responsibilities, basic health and safety, risk assessment and management, and child protection procedures. The PCC will undertake these responsibilities from July 2019 onwards.

Risk Assessments:

To identify their major risks, the DCCs undertook a programme of assessments. Procedures were then put in place to manage those risks and minimise their impact on the life of the church. The PCC reviewed the DCC progress quarterly. Action in the main areas of risk has been taken as follows:

Financial Risk

As stated above, the PCC operates mainly through the respective DCCs therefore annual DCC budgets should be prepared to ensure short-term viability. Actual results compared with budget should be reported to the DCCs regularly. The investments held by the DCCs are reviewed by each DCC. Investments are only made in approved low risk funds approved for charity use. All assets are insured and levels reviewed annually and approved by the DCC. The PCC reviews the financial progress of the DCCs annually before the APCM. From July 2019, the PCC will have direct oversight of the financial affairs of each church.

Health and Safety

A member of the church with specific experience in this field has undertaken a review. The PCC via the DCCs has been appraised of the risks and the necessary compliance requirements and these have been complied with. Specifically, procedures for recording accidents have been put in place and appointed persons have been trained in fire safety. These procedures are reviewed on an annual basis and formally reported to the PCC.

Child and Vulnerable Adult Protection

The PCC have all been formally checked under child protection legislation and the DCCs have been checked under vulnerable adults legislation.

Operational Risk

Plans have been agreed locally for services to be held in the community hall or halls in the event of any of the churches becoming unusable for a limited period.

Objectives and activities

The PCC (Powers) measure 1956 states the PCC "is to cooperate with the minister in promoting in the parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical".

At the Benefice of St Stephen's Gateacre we believe our mission to be proclaiming the Gospel of our Lord Jesus Christ according to the doctrines and practices of the Church of England, both through the Word and our deeds to love the Lord our God and to love his children - our neighbours.

In order to do this our objectives in 2019 were:

Achievements and performance

This was a challenging year for the PCC and this is reflected in its achievements. However, some new initiatives were started in an attempt to rectify some of these shortcomings. Following our inability to appoint two wardens at Christ Church, the Archdeacon of Liverpool held an enquiry meeting. Therefore, the PCC approved the suspension of the DCC's and the appointment of a Local Management Group. The PCC has since assumed all running responsibilities, which it has always legally done. An action plan was agreed upon for the Team, and the following changes were made:

- St Stephen's and St Mark's service times were aligned at 10.30am
- Christ Church's service was moved to 8.30am so that more clergy, readers and preachers were able to support the Church. A new monthly family service, The Orchard, began in November and doubled the congregation immediately.

The St Stephen's Debt Centre, after struggling to gain new volunteers, closed.

Once again, the PCC has failed to produce an up to date set of accounts. This is not acceptable, but a shortage of skilled bookkeepers creates issues we are struggling to overcome. The PCC agreed that with two clergy and three churches, their expenses should be met by the Team and not just the church they live next door to.

Sadly, we say goodbye to the Revd Philip Turner, who retires this autumn. We are grateful for his ministry and appreciate all his hard work and commitment.

We were thrilled when Hilary Morgan was accepted for Reader Training, and we welcome Miss Sam Swann as an Ordinand, placed within the Team as part of her ordination process.

This year saw Rooted, a contemporary worship event based at St Mark's with a ministry team led by Gareth Morgan.

Finally, the PCC agreed to have one Deanery Share for the Parish instead of three separate ones for the districts.

The electoral roll	District Totals
St Stephen's:	54
Christ Church:	21
St Mark's:	29
Parish Total	104

Church Buildings are being maintained as recommended by our quinquennial architects and minor repairs to all three churches are ongoing.

Financial review

Finance, Giving and Fundraising continues to be an issue for all three churches but our Gift Aid Tax Reclaim continues to be a real blessing. The PCC is pleased that the DCCs continue to manage the finances wisely but recognise that there is room for improvement.

There was a surplus for the year of £12,745 (2018:£25,010).

Free reserves total £16,000

Independent Examiner's Report to the Trustees of Gateacre Team Ministries

Year ended 31 December 2019

I report to the trustees on my examination of the financial statements of Gateacre Team Ministries ('the charity') for the year ended 31 December 2019.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Gateacre Team Ministries
Notes to the Financial Statements
Year ended 31 December 2019

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Belle Vale Road, Gateacre, Liverpool, L25 2PQ.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Gateacre Team Ministries

Notes to the Financial Statements *(continued)*

Year ended 31 December 2019

3. Accounting policies *(continued)*

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Gateacre Team Ministries

Notes to the Financial Statements *(continued)*

Year ended 31 December 2019

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
