Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The object is the relief and assistance of people in any part of the world who are the victims of war or natural disaster or catastrophe, in particular but without prejudice to the generality of the foregoing by supplying medical and/or other emergency aid and the relief of poverty among such persons. The trustees must use the income and may use the capital of the charity in promoting the object.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trust helps and supports people all over the world regardless of their ethnicity by providing finance and gets grants for people that need it.

The trust also aims to save lives and help people by providing housing/accommodation, prevent/relieve poverty and helps people that require medication or education.

The trust also provides overseas aid and famine relief.

The trust only works with other recognised and known organisations to distribute the funds to the true people in need. Most the funds are distributed via members of the trust who are also working with NGO's around the world. These NGO's are monitored to make sure they have the same aim and objectives as our charity. Any distribution of funds has to have evidence of its use and they need to be reported back to the charity. We maintain a record of all the funds distributed and evidence of its use.

No funds are distributed to any other cause other than specified within our objectives. Any beneficiaries receiving aid directly without an NGO being involved is then monitored by the charity's trustees to make sure that the beneficiary is a member of the public and does qualify for the aid.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.
