The trustees present their annual report together with the financial statements of the charity for the year ended December 31<sup>st</sup>, 2020 which are also prepared to meet the requirements for a directors' report and accounts for Companies act purposes.

## **REPORTING FRAMEWORK**

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015), referred to as the Charities SORP (FRS 102).

### **OBJECTIVES AND ACTIVITIES**

#### **Charitable objects**

#### **Registration history**

The company was registered on November 19 2014 and obtained charitable status on February 20th, 2015. It commenced operations in February 2015

## **Charitable objects**

The objects of the charity, which are for the public benefit, are specifically restricted to:

(1) the advancement of the education of the public anywhere in the world, in particular, but without prejudice to the generality of the foregoing, at the good life school in Kenya by providing and assisting in the provision of facilities for education at the school;

(2) to relieve sickness and poverty amongst children and young people through the provision and operation of an orphanage in Kenya;

(3) to advance in life and relieve the needs of young people through (a) the provision of recreational and leisure time activities provided in the interests of social welfare, designed to improve their conditions of life; and/or (b) providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals;

(4) for the public benefit, any exclusively charitable purpose according to the law in England and Wales as the trustees shall in their absolute discretion from time to time determine.

#### Aims

The main aim of the charity is to fundraise in the UK in order to provide funds to support charitable work in Kenya. It does not undertake its own charitable activity but provides financial support to two institutions in Kenya in fulfilment of its charitable purposes. The two institutions it supports in Kenya are The Good Life Orphanage and St Bernadette Mary School.

In order to support the effective use of its funding the charity also provides pro bono administrative support to these two institutions

#### Activities

The sole activities of the charity this year were connected with fundraising and in the provision of administrative assistance to the above Kenyan institutions

#### **Public benefit**

No charges are levied to the children who attend either the school or the orphanage in Kenya. In undertaking their duties, the Trustees of the charity have given due consideration to the Charity Commissions published guidance on public benefit activities

#### **Contribution of volunteers**

The charity does not employ staff or engage sub-contractors to undertake its work. It relies entirely on volunteer support. A significant contribution in terms of fundraising organisation, the provision of support to the Kenyan institutions, and general UK administration is provided by the Trustees and persons with who they are connected

## ACHIEVEMENTS AND PERFORMANCE

### Good Life Orphanage

During 2020, the charity provided funding to support the Good Life Orphanage in Kenya. The orphanage caters for children up to the age of 18 years old. The Orphanage is registered as a Charitable Children's Institution and the Kenyan Government (Department for Children) refers children to the orphanage.

The funding provided by this charity provides for:

- Safe and suitable accommodation
- Three well-balanced meals a day
- Staff supervision and appropriate specialist support

All the children are either orphaned, abandoned or living in a volatile situation where they are in danger, and many are malnourished & abused so the need for specialist care is paramount.

During 2020 we continued to ensure all the children were well cared for in a loving and secure environment. In March 2020 strict lockdown restrictions were introduced in Kenya which affected the operations. The Therapy & Respite Centre remained closed until September as visitors were not allowed to enter the premises.

As staff members were unable to move from county to county during the lockdown the majority of staff stayed at the orphanage caring for the children and adhering to strict procedures to ensure our most vulnerable children did not get the virus which could have been fatal for them.

There are now twenty-nine children being supported within their extended families in the community as we are aware that having this link with their families is very important for their stability and development.

#### St Bernadette Mary School

During the year, the charity provided funding to support the St Bernadette Mary School in Kenya. The school is registered as a private mixed-day school with the Ministry of Education, Science and Technology. The school provided free education for 350 pupils between the ages of 4 years old to 18 years old. 300 children from the surrounding community who live in abject poverty and would otherwise never have attended school and 50 orphans from The Good Life Orphanage.

Established in 2012 the school continues to develop and during 2016 employed 13 fully qualified local teachers and a further 7 support staff. It has quickly become a well-respected educational facility with a very high success rate in the annual K.C.P.E. Examination results.

Due to the strict Covid-19 guidelines, the school remained closed from March 2020 until November 2020 when only Class 4 and Class 8 pupils returned to school. As a result of the lockdown, the K.C.P.E. Examinations were postponed until March 2021.

There is no electricity in the homes of our SBM pupils so online learning was not an option. To solve this problem worksheets were available for all pupils on Tuesdays and Friday when the majority of parents made the journey by foot to pick up & drop them off as they were also very keen for their children to continue to participate in school studies.

A decision was made by the trustees to continue paying the staff during the lockdown period due to the financial circumstances of the staff, without their salaries, many would have not been able to feed their families. This was welcomed by all the staff who were very grateful to receive their salaries.

#### High school, vocational education.

Also provided by the funds raised, is sponsored high school education for the top performing pupils from St Bernadette Mary School annually. Without this additional support, it is unlikely that these children would have continued in formal education, because of the unaffordability of the tuition costs for poorer families. This scheme also encourages the other pupils to perform well so they may also receive this sponsorship.

In 2020 the high schools were closed in March due to the strict Covid-19 restrictions, five of the university students resumed their studies in October 2020 but worked remotely using the computers in our Technical Block.

The Technical Block which opened in 2016 had to also close for the majority of 2020 but the adjoining sewing room remained open as the need for the reusable sanitary kits became urgent as teenage girls could not access sanitary protection as all the schools were closed.

#### Fundraising progress

There was no annual fundraising event in 2020 due to lockdown, the charity continued to receive monthly donations from people which go towards covering some of the annual running costs. We received an annual donation from the Maher Family that covers the operating costs of St Bernadette Mary School.

## **FINANCIAL REVIEW**

#### Overview

During the year, the charity successfully raised just over £190,800 to support its charitable purposes.

Most of the monies raised were remitted to Kenya during the year and costs associated with fundraising and with the administration have been minimal.

#### Reserves

The Trustees have assessed that the charity's main requirement for reserves at the date of this report is to provide financial security for the Kenyan school and orphanage. These institutions are wholly reliant on funding from this charity and therefore if this charity's income reduces then its capacity to support the work in Kenya would, in the absence of reserves, be immediately reduced.

The Trustees have resolved that the appropriate level of reserves should be one that is sufficient to fund twelve months' recurring costs of the Kenyan school and orphanage. Based on current operating budgets this equates to circa £100k.

#### **Going concern**

The charity has not entered into formal commitments to continue to offer grants and has no significant third-party liabilities or significant recurring routine administration costs. Its ability to continue is dependent on it maintaining the trust and goodwill of its donors and on the capacity of its Trustees and supporters to continue their pro-bono work on its behalf

In the opinion of the Trustees, the charity is properly regarded as a going concern.

# **FUTURE PLANS**

The overriding continuing priority for this charity is to underpin its financial capacity to provide the continuing grant support that the Good Life Orphanage and St Bernadette Mary School require.

Over and above this essential requirement the Trustees are very conscious of the desirability of extending the existing work in Kenya so as to provide additional provision with regard to:

- Children with special needs including development of the Therapy & Respite Centre. This would in time also
  offer educational support to the children who attend the centre.
- Assisting girls to stay in school throughout the month by providing reusable sanitary protection.
- Preparing older children for Independent Living in our Transition House.
- With ongoing changes in government legislation, tracing extended families of our orphaned and abandoned children for children is even more important. We are seeing the success of the children already reintegrated to the family units and with the monthly financial support they are experiencing Kenyan village life.
- Supporting successful students with their university/college studies.

### STRUCTURE GOVERNANCE AND MANAGEMENT

#### **Governing document**

The charity is a company limited by guarantee governed by its memorandum and articles of association dated November 13 2014. It is a registered charity with the Charity Commission.

#### Members of the company

There are currently four members of the company who are also Directors and Trustees

## Appointment of trustees

The present Directors/Trustees are the company's initial subscribers. The Articles provide that all directors/trustees should be members and that all members should be directors/trustees.

Directors/trustees retire by rotation and may be reappointed for a three year-term. The board may co-opt up to two directors/trustees and such persons must stand for re-election at the next Annual General meeting.

#### Trustee induction and training

Directors/trustees are expected to take a close interest in the work of the charity and contribute to its fundraising efforts and/or to its administration. The present directors/trustees were familiar with the project before the company was incorporated a so no induction was required for then. Appropriate induction processes will be devised to reflect any future recruitment of board members.

#### Organisation

The charity is run on an entirely voluntary basis. There are no paid staff and the main functions of the charity are carried out by the Trustees and by other supporters. The trustees hold formal meetings at least twice a year but collaborate informally more frequently.

The day-to-day oversight of the charity is delegated to Mary Maguire.

# **Related parties**

There is one category of transactions with Trustees that is deemed to be a related party transaction. There are unrestricted donations made by Trustees or by persons connected with them to the charity – these are disclosed in aggregate Note 15 to the accounts.
