Report of the Trustees for the Year Ended 31 December 2020

The trustees present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Guild's principal activity is the granting of relief from the funds of the Guild and the income arising therefrom to necessitous and deserving persons connected with the profession of Marine Engineers and Naval Architects.

The Committee decides who are proper subjects for such relief and include the following:

- Members of the Guild, their wives and families, or the widows and/or families of deceased members.
- Persons who have been engaged as Marine Engineer Officers in the Liverpool and Merseyside Area, their wives, widows and/or families.
- Persons who are or who have been Consulting Engineers or Naval Architects practising in the Liverpool and Merseyside area, or their technical staffs, their wives, widows and/or families.
- Persons who have been engaged as Marine Engineer Officers, their wives, widows and/or families in any vessel owned or managed by any member of the Port of Manchester, or by a Firm or Company any member or director of which shall be a member.
- Officers and employees of the Guild, their wives, widows and/or families.
- Surplus income may be allocated annually for charitable purposes deemed suitable by those attending the Annual General Meeting with particular consideration being given to the assistance of youth in marine related education or similar pursuits.

Significant activities

The Charity has continued during the year to give assistance to anyone who has served in the Marine Engineering or Naval Architectural professions in the Merseyside/Manchester areas or their dependents in the event that they were experiencing serious financial hardship. Its current and recent activities include provision of regular financial assistance to elderly men and women, assistance with nursing home fees and the provision of mobility equipment to those whose afflictions have left them physically impaired. Any surplus income after these needs have been met is allocated annually by the membership for the charitable promotion of education, local youth needs and in support of local charitable organisations involved in the marine industry.

The Charity has achieved these objectives during the financial year under review. It is intended to undertake similar charitable work for the foreseeable future. Funds will be raised from a mixture of events combined with membership fees and investment income. The Charity is run and operated entirely by the Honorary Officers.

Grantmaking

Surplus income may be allocated annually for charitable purposes deemed suitable by those attending the Annual General Meeting with particular consideration being given to the assistance of youth in marine related education or similar pursuits.

FINANCIAL REVIEW

Reserves policy

The Guild deems all funds to be free funds (unrestricted funds) for use in achieving the objectives of the Guild. The Trustees view is that it is prudent to ensure that there are sufficient funds to provide financial flexibility for the development of the Guild.

Notes to the Financial Statements for the Year Ended 31 December 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
