Section B Structure, governance and management

Description of the charity's trusts

Type of governing document

The Group's governing documents are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and rules of the Scout Association.

How the charity is constituted (eg. trust, association, company)

The group is a trust established under its rules which are common to all Scouts.

Trustee selection methods (eg. appointed by, elected by)

The trustees are appointed in accordance with the Policy, Organisation Rules of the Scout Association.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works:
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity commission as appropriate.

The committee consists of 3 independent representatives., Chair, Secretary and Treasurer together with the Group Scout leaders (if opted to take on the responsibility) and parents representation and meets every two months.

Members of the Executive Committee complete 'Essential Information for the Executive Committee' training within the first 5 months of joining the committee.

This Group Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for: The maintenance of the Group property;

The raising of funds and the administration of the Group finance; The insurance of persons, property and equipment;

Group public occasions:

Assisting in the recruitment of leaders and other adult support;

Appointing any sub committees that may be required;

Appointing Group Administrators and Advisors other than those who are elected.

Risk and Internal Control

The Group Executive Committee have identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the Church, community Centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to Leaders, helpers, supporters and members. The Group through Capitation fees contributes to the Scout Associations national accident insurance policy. Risk assessments are undertaken on all activities.

Reduced income from fundraising. The Group is primary reliant on income from subscriptions and fundraising. The Group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of **leaders** to an unacceptable level in a particular section or the group as a whole then these would have to be contraction, consolidation or closure of a section. In worst case scenario the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 6 years to 14 years and six months. If these was a reduction in membership in a particular section or the group as a whole then these would have to be contraction, consolidation or closure of a section. In the worse case scenario the complete closure of the group.

Risk and Internal Control part 2

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.

Section E

Financial review

Brief statement of the charity's policy on reserves

Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive committee considers that the group should hold a sum equivalent to 12 months running costs, circa £12,000

The Group held reserves of approximately £45,000 against this year end. This is above the level required for operating expenses and is wholly due to the Government COVID-19 Grant Support Scheme,. The excess funds have been used in the next financial year by totally refurbishing the toilet facilities at the Scout Hut and other general repairs to the hut facilities to

		ensure that the facilities provided to the members are of best possible standard to facilitate the section activities.
