Report of The Council of Management

The Trustees present their report together with financial statements for the period 23 September 2019 to 31 December 2020.

The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

OBJECTIVES AND ACTIVITIES

The Charity's objects are to advance education, development and training of individuals to enable them to work for the benefit of society, and deliver progressive social change in communities and organisations. The principal activity is to provide training, mainly to charities and other social enterprises by providing residential courses and online workshops.

ACHIEVEMENTS AND PERFORMANCE

The Charity has successfully designed and implemented the Fellowship outreach and selection strategy in the UK. Working with over 250 partners and 70 evaluators, the charity selected the 2020 UK Cohort for the Fellows Programme - comprising 22 social leaders across the United Kingdom. The charity has adapted and delivered the first part of the 2020 Fellows Programme, designed to empower the cohort with skills and community needed to deepen their ability to build progressive social change in their communities and organisations.

FINANCIAL REVIEW

The charity made a surplus of £104,510 during the year on unrestricted funds and a surplus of £111,332 on restricted funds. The restricted funds at the year-end stood at £111,332 and the unrestricted funds were £104,510.

Reserves Policy

The charity maintains free reserves to:

- provide a level of working capital that protects the continuity of our core work, including the costs associated with the outreach and recruitment cycle for the next cohort of UK fellows.
- provide a level of funding for unexpected opportunities.
- provide cover for risks such as unforeseen expenditure or unanticipated loss of income.

The trustees have determined that a minimum of four months operating costs are required, and will review the above criteria with reference to the strategy and Annual Plan to determine the target level of free reserves.

The free reserves of the charity (unrestricted funds less amounts invested in fixed assets) amount to £104,510 which amounts to almost 8 months running costs. The trustees are satisfied with the level of reserves.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Acumen Academy UK CIO was incorporated on 23 September 2019. The CIO started to operate on 1 January 2020.

Governing document

The Charitable Incorporated Organisation's governing document is its constitution dated 19 September 2019.

Appointment and Recruitment of Trustees

Other than the first charity trustees, every trustee must be appointed for a term of three years by a resolution passed as a properly convened meeting of the trustees. In selecting individuals for appointment as trustees, the charity has regard to the skill, knowledge and experience needed for the effective administration of the CIO.

Organisational structure

The Trustees hold quarterly Board Meetings where key decisions around governance are made and recorded in the minutes. The day to day running of the charity is dealt with by the Programme Director.

Trustee Statement

In setting our objectives and planning our activities, the trustees have given careful consideration to the Charity Commission guidance on public benefit.

Approved by order of the board of trustees on

1 ACCOUNTING POLICIES

(a) General information and basis of preparation

The charity is a registered charity in England. The address of the principal office is given in the charity information on page 1. The nature of the charity's activities are shown in the Report of the Trustees.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 published in October 2019 rather than the accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention. The charity currently has sufficient reserves to continue in operation. The Trustees therefore believe that it is appropriate to prepare the financial statements on a going concern basis.

The financial statements are prepared in sterling which is the functional currency of the charity, rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Income

Items of income are recognised and included in the accounts when all the following criteria are met:-

- The charity have entitlement to the funds;
- Any performance conditions attached to the item(s) of income have been met or are fully within the control of the charity.
- There is sufficient certainty that receipt of the income is considered probable; and
- The amount can be measured reliably.

Income from other trading activities includes income recognised as earned (as the related goods or services are provided) under contract. There is no netting off within the accounts.

Donations are credited to income as they are received. Grants received are recognised as income for the period which they relate to.

Notes to the Financial Statements for the Period 23 September 2019 to 31 December 2020

(c) **Expenditure**

All expenditure is accounted for on an accruals basis and is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount can be measured reliably. Irrecoverable VAT is included in expenditure against the relevant cost for which the expenditure was incurred. Expenditure is classified under the following headings:-

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities. It includes both costs which can be directly allocated to activities and those costs of an indirect nature.
- Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs.
- Governance costs are those incurred in connection with compliance with constitutional and statutory requirements.

(d) **Fixed Assets**

Fixed assets are stated at cost less accumulated depreciation. Assets costing less than £500 are not capitalised.

Computer equipment is depreciated on a 33% straight line basis to write off each asset over its estimated useful life.

(e) **Debtors**

Trade and other debtors with no stated interest rate and receivable within one year are recognised at the transaction price.

(f) **Cash at bank**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

(g) **Creditors**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

(h) **Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering the funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

(i) **Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

(j) **Pension Costs**

The Company operates a defined contribution pension scheme for the benefit of its employees and contributions are charged to the SOFA in the year in which they are made.

Notes to the Financial Statements for the Period 23 September 2019 to 31 December 2020

(k) **Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Independent Examiner's Report to the Trustees of Rape and Sexual Abuse Counselling Centre.

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 December 2021 which are set out on pages 4 to 11.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of your charity's accounts as carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
