Objects, Aims and Activities**Objects and Aims**

The objects of the charity are:

- To advance public education by running and/or assisting in the running of a library at Bathurst Gardens, Kensal Rise, London, NW10 5JA, for the benefit of the residents of the London Borough of Brent.

Activities

The principal charitable activity of Friends of Kensal Rise Library Limited is in seeking to meet the above aims. We deliver our services in the library through various activities, events, other projects in close collaboration with the community. The activities include charitable services provided either without charge or for reasonable and proper remuneration which support this object. These charitable services are designed to respond to the various and changing needs of the community and are not limited by the Charity's constitution.

The Charity's main activity is the running of a single library in Bathurst Gardens for the benefit of the broader community. The library allows the borrowing of books, access to newspapers and journals, study area, public access computers and Wi-Fi and a printing and photocopying service. The Charity also organises a number of events all open to the public based on literacy, theatre and music. These events are intended to provide the community with access to high quality speakers and performers at modest cost. These events also provide part of the source of funding for the Charity.

Achievements and Performance during the year

The library continued to develop new, and strengthened existing, partnerships with other local charities like the Mayhew, Octavia, (both 'new'), schools and nurseries, businesses, churches. As well as operating the library, during the year there were numerous public events/classes/meetings organised by the Charity. These continued to prove popular with the local community and maintained the use of the library space. Hire of the space was promoted and used by various users: local ward Councillors held their monthly surgery and ward meetings; local children's parties and other social functions have been held; two successful markets have taken place. All of this has contributed to the sustainability of the charity. We closed in March due to the pandemic, although we did open to the public in December 2020 for two sessions, but then had to close due to another lockdown. The reopening preparations involved much work and expenditure to make the setting covid secure. In this we were aided by some successful funding applications to: Government, Power to Change and the Lottery. We also changed our library management system (LMS) and attendant procedures. Volunteers received training for these new procedures via zoom. We also offered online events like the Poetry Group, artist John Rogers talking about his work with the community and the library for the Brent London Borough of Culture 2020 – as the pandemic put paid to face-to-face events. We strengthened our partnership with The Mark Twain House and Museum in America collaborating on online events about Mark Twain (who opened the library in 1900). This drew local audiences and also international ones. We had monthly Zoom meetings with the Brent library Service and other Brent Community Libraries. Thanks to a grant from Octavia Housing we installed a projector and sound system. We also partnered our local Kensal Green Mutual Aid during Covid. The pandemic has severely impacted our room hire income stream. Our Trustees have continued to meet throughout the pandemic.

Trustees' Report for the year ended 31st March 2021 (continued)

Plan for Future Periods

Between the re-opening in Oct and closing for lockdown in March, over 600 adult and children membership cards were issued. All the book stock has been donated and there are now over 4,000 books of library condition on the shelves. The library continued to be a popular venue hire until lock down on 23 March 2021. Lockdown means the complete halt of our income stream from room hire - we had to cancel bookings that had been made all the way through to the summer. Further fundraising from successful award applications, donations and fundraising events like Programme of Writers' Masterclasses, including authors' and publisher's talks, until lockdown halted this also. Virtual events, meetings continue to take place and their extension explored to maintain engagement with the community. Links with local Mutual Aid were established and the library space is used for both food and clothes collections. Preparations are underway for a phased reopening, including risk assessment for staff, volunteers and users.

Public Benefit

Friends of Kensal Rise Library Limited carries out a wide range of activities as detailed in pursuance of its charitable aims. In setting our work programme each year the trustees have regard to the Charity Commission's guidance on public benefit and ensure activities we undertake are in line with our charitable objectives and aims.

The Trustees are satisfied that the Charity's activities throughout the year provided public benefit because:

- the majority of its activities are free to the public;
- activities gave the public free access to local library; and
- feedback from participants consistently praised the work of the Charity.

Financial Review

During 2020-21 the charity made a surplus on its Unrestricted Funds of £5,761 (2020 – Deficit of £7,703). Unrestricted Income made up of grants, donations and earned income totalling £42,568 (2020 - £52,006) were received during the year. Overall, at 31st March 2021, the charity had total reserves of £91,580 (2020 - £85,819). These reserves were totally made up of free reserves (funds which are neither restricted nor designated). At that time the charity held cash at bank of £93,198 (2020 - £89,841).

Compliance with Reserves Policy

Friends of Kensal Rise Library Limited reserves policy is designed to reflect the underlying risks facing the charity and to ensure that we have an appropriate level of reserves to safeguard its operations. We are in compliance with the Reserves Policy (as set out in the Structure, Governance and Management section) for 2020-21 and will continue an annual review of this policy and the underlying risks.

Structure, Governance and Management**Governing document**

The Memorandum of Association which established the objects and the powers of the charitable company and is governed under its Articles of Association.

Governance

It is the Board's duty to:

- Establish the guiding principles and policies for the organisation (through the decision-making process outlined below).
- To delegate responsibility and authority to those who are responsible for enacting the principles and policies
- To monitor compliance with those guiding principles and policies.
- To ensure that Staff and Board alike are held accountable for their performance.

The Trustees have not delegated their powers to any one Trustee or other person. The Trustees as individuals take on certain aspects of management of the Charity. The Charity employs one part-time staff. The Trustees manage the day-to-day affairs of the Charity; there is no executive management. The Trustees meet regularly and take note of the acts of individual Trustees on behalf of the Company.

Responsible governance of the charity is exercised through the Board of Trustees who are all trustees of the charity ('the Board'). The Board is made up of independent lay members who are responsible for the conduct of Friends of Kensal Rise Library Limited and for ensuring that it satisfies all legal and contractual obligations. The trustees are volunteers and are not remunerated for their time. The Board is responsible for setting the strategic direction of the charity and is ultimately accountable for how effectively the charity meets the defined aims through direct charitable activity. The Board employs a part time Library Manager to engage in direct charitable activities to service users.

Principle Risks and Uncertainties

The Trustees have a duty to identify and review the risks to which the company is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

In relation to these matters, and apart from matters completely outside the charities' control, the trustees consider that the risks to which the charity is subject have been mitigated to a satisfactory level.

The Trustees of Friends of Kensal Rise Library Limited have a risk management strategy which comprises:

- An ongoing review of the principal risks and uncertainties the charity faces.
- The establishment of policies, systems and procedures to mitigate those risks identified.
- The implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.
- Management and monitoring of adequacy of risk management policies, systems and procedures, including the Reserves policy.

The key types of risk to which the charity is exposed, along with the principal processes in place to manage and mitigate the risks, are briefly described below:

1. Risk on Personnel: a reliance on one part-time member of staff for all aspects of operation.

Trustees' Report for the year ended 31st March 2021 (continued)

2. Funding Risks: the Charity is reliant on grants and donations of various kinds. The Trustees have proved adept at adapting their fundraising sources over the past years and are confident of continuing to do so. The level of reserves buys considerable time to adapt further should the Charity find funding difficult. The Trustees maintain contacts with a range of grant providers and potential donors to understand their requirements and to try to develop future funding.

Related parties

No trustees received any payment of money or other material benefit (whether directly or indirectly) from the Charity except for reimbursement of reasonable out of pocket expenses as per our Memorandum and Articles.

Reserves policy

It is Friends of Kensal Rise Library Limited' policy to maintain free reserves (unrestricted reserves not invested in fixed assets or designated for specific purposes) at a level which can finance our projected closing liabilities, calculated based on shutting down the organisation with legal costs, redundancies and any other liabilities.

The reserves level approved for 2020-21 are £20,000.

Statement as to Disclosure of Information to the Independent Examiner

Each of the persons who are trustees at the time when this report is approved confirms that:

- (a) So far as each trustee is aware, there is no relevant audit information of which the charity's auditor is unaware; and
- (b) to the best of their knowledge and belief, each director has taken all the steps that ought to have been taken as a trustee, including making appropriate enquiries of fellow trustee and of the charity's auditor for that purpose, in order to make themselves aware of any information needed by the charity's auditor in connection with preparing its report and to establish that the charity's auditor is aware of that information.

Independent Examiners

A resolution to re-appoint Additude Ltd as the charity's independent Examiner will be put forward to the forthcoming Annual General Meeting.

The trustees have prepared this report in accordance with the special provisions relating to small companies within part 15 of the Companies Act 2006.

Statement of Trustees' responsibilities

The Trustees (who are also the Directors of Friends of Kensal Rise Library Limited for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income or expenditure, of the charitable company for that period.

In preparing these accounts, the Trustees are required to:

- select suitable accounting policies and apply them consistently
- observe the methods and principles in the Charities SORP
- make judgements and accounting estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The Trustees are responsible for keeping proper and adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the Directors of Friends of Kensal Rise Library Limited for the year ended 31st March 2021

We report on the accounts of the company for the year ended 31 March 2021, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of CIPFA.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ending 31st March 2021

1. Accounting policies**a. Going concern**

The Trustees confirm that at the time of approving the financial statements, there are no material uncertainties regarding the Charity's ability to continue in operational existence for the foreseeable future. In arriving at this conclusion, the Trustees have taken account of current and anticipated financial performance in the current economic conditions, its business plan and its reserves position. For this reason, the going concern basis continues to be adopted in the preparation of the Charity's financial statements.

b. Basis for preparation

The financial statements have been prepared under the historic cost convention unless otherwise stated in the relevant accounting policy notes and in accordance with Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The principal accounting policies that have been applied to all years presented in these financial statements are set out below.

c. Recognition of outstanding employee benefits

No provision for outstanding holiday pay was made under previous UK GAAP. Under FRS 102 the costs of short-term employee benefits are recognised as a liability and an expense. The cost of any unused holiday entitlement is recognised in the period in which the employees' services are received.

d. Fixed assets

Individual fixed assets costing £10,000 or more are initially recorded at cost. Fixed assets that cost less than £10,000 are treated as expenditure in the statement of financial activities.

e. Income

Income is recognised when the charity has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably. Donations and grants are split between restricted and unrestricted funds in accordance with the terms of the grant or donation. Donations and gifts are recognised in the statement of financial activities when receivable. Income from government and other grants is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received, and the amount can be measured reliably and is not deferred. Donated services and facilities are included at the value to the charity where this can be quantified.

Bank interest is recognised on an accrual basis.

Notes to the Financial Statements for the year ending 31st March 2021 (continued)

f. Expenditure

Expenditure is included in the statement of financial activities on an accrual's basis, inclusive of any VAT. It is recognised when there is a legal or constructive obligation to pay for it. Certain expenditure is directly attributable to specific activities and has been included in those cost categories.

g. Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Fixtures, fittings and equipment	33.33% straight line basis
----------------------------------	----------------------------

2. Critical judgements and estimates

No critical judgements have been made by management in applying the charity's accounting policies.
