REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

OBJECTIVES AND ACTIVITIES

As Dentaid enters its 25th year, we do so off the back of another challenging year, but one we should be immensely proud of, as we continue to fulfil our mission to alleviate dental suffering and advocate for oral health issues.

I am immensely proud of Andy and the team for adapting in such a dynamic environment. Like all charities, the inability to remain closely engaged with supporters has been very difficult when we aren't able to run fundraising events, be present at the major dental exhibitions and awards ceremonies, or visit regional meetings. The team misses the interaction and can't wait to see more of you all!

I have been struck by two things over the past year for Dentaid:

- 1. How the crisis has accelerated change. In the UK, we see growing need for our support and an immediate opportunity to deploy volunteers unable to travel abroad who are volunteering on our mobile dental units providing dental care for the most vulnerable people in their own communities.
- 2. And while we can't yet travel overseas, we continue to develop our approach that delivers holistic, sustainable solutions with our local partners by funding outreach clinics and providing equipment that enables them to increase capacity and provide life-changing dental care for those with no other access to treatment.

My wife is a practising GDP and so I have seen first-hand the challenges of adapting to new clinician rules as the industry continues to serve people. At the same time, her joy and satisfaction of serving on Dentaid's mobile dental unit in Worthing might just be the highlight of the year to date! My thanks to each and every one of our volunteers for giving time when life continues to be so topsy turvy.

Dentaid is positioned well for the next 25 years and with God's grace and your continued support we will continue to reach those who deserve to have their oral health needs met.

Crispin Keanie Chair of trustees

This year has been one of contrast, change and opportunity. The impact of the pandemic was huge both financially to our charity and to the lives of our homeless and vulnerable patients. Overnight our fundraising events were cancelled, UK clinics stopped and overseas volunteering trips postponed. So many people were left without help in such a difficult time. Lockdowns overseas meant our dentists could not travel to rural areas to run our outreach clinics. And in the UK, the homeless and hard to reach who already often live with the misery of dental pain had nowhere to turn to access care.

This period has brought about a lot of change globally and in the worlds of charity and dentistry. And change brings opportunity. Once we could get back up and running, we adapted our approach to provide care for as many people as we can. In the UK and despite the lockdown, we completed more clinics in the first three months of 2021 than we did in the whole of 2020. We are still sending portable and refurbished equipment to overseas partners and funding our overseas associates to deliver care in remote communities. None of this would be possible without the help of our volunteers and supporters, and I thank you all.

However, every week the task gets bigger. We receive at least two requests a week from other charities for clinics in the UK to help the homeless and hard to reach. We continue to receive requests from overseas projects for equipment and our support. We help where we can, however, without funding we can only meet a small proportion of requests. With more funding we can do so much more.

Lastly, I would like to thank the amazing Dentaid team, both staff and volunteers. Without your commitment to help those less fortunate none of what we have achieved would be possible.

Andrew Evans C.E.O.

"We've all had toothache at some point, but very few of us have had toothache while being hungry, wondering where we will sleep, whether we'll be safe overnight or wondering if anyone will be able to help us. Working for Dentaid on a clinic is like witnessing kids opening presents on Christmas Day. It really is such a rewarding experience to know that, today, we have dramatically improved an individual's wellbeing, health and quality of life."

Quote from our new trusts and grants fundraiser Pete.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. The trustees refer to public benefit throughout this report.

STRATEGIC REPORT

Financial position

A surplus of £100,131 has been reported increasing total reserves to £527,020. Cash flow has been consistent during the year with a cash balance of £267,160 reported at the year end.

Principal funding sources

The principle funding sources are from donations and legacies. The organisation also receives grant income. The organisation is not solely reliant on a small number of funding sources.

Reserves policy

At the 31 March 2021 the organisation has reserves of £527,020 of which £341,603 were unrestricted reserves. The reserves include donated goods stock of £221,366 which is distributed to beneficiaries and fixed assets of £31,348. Excluding these items the value of free reserves amount to £88,889. The Trustees consider maintaining free reserves equal to six months support costs or £75,000 to be a sensible policy. This allows the Charity the financial headroom to seek new funding opportunities and make cost savings in the event of the loss of current income stream.

Going concern

The Board and Management review the financial position of the Charity regularly and consider the organisation to be in a position to continue to survive the current COVID restrictions. The Board consider Dentaid Limited to be able to continue to operate as a going concern.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

STRATEGIC REPORT

Principal risks and uncertainties

Dentaid regularly reviews its risks as part of its management strategy and reporting structure. Risks and uncertainties are considered by the senior management team and trustees so mitigations can be put in place. As of March 2021 the principal risks are:

- 1. Impact of Covid-19 on overseas volunteering trips. Dentaid has postponed all overseas volunteering trips until 2022 at the earliest. Funds raised by volunteers will be held until it is safe and practical for our teams to return. We will be following advice from the UK Foreign Office, our travel partners and local dental teams. Principal risks are: (a)The financial impact of rising costs including travel, accommodation, medicines, dental supplies and in country transport. (b) The confidence of UK volunteers to travel and volunteer abroad. (c) Sourcing PPE and establishing Covid-secure protocols prior to travel and during trips so clinics can run safely. (d) Possible reputational damage should there be an incident linked to Covid-19 while our teams are away. Measures and communication strategies are in place to address each of these risks before the recommencement of the overseas volunteering programme.
- 2. Income generation. Covid-19 prevented Dentaid's community fundraising activity for 2021. There has been and will be a greater reliance on obtaining grant funding and statutory funding to continue the charity's work. Dentaid will have to source new funding and renew existing relationships to ensure financial sustainability. An events programme for 2022 has been designed but Covid-19 is certain to have an impact on fundraising and public donations. The fundraising team of is in place to grow Dentaid's fundraising revenue and secure new sources of income for the charity.
- 3. Equipment depreciation. Dentaid's UK work is primarily delivered from two second-hand mobile dental units. Equipment breakdown, lack of availability of parts, costs of repairs and lack of time for unforeseen repairs as the UK programme gets busier are all risks to the charity. The vehicles will have a regular maintenance programme and time will be given in the clinic schedule for routine servicing. Dentaid is recruiting a driver who will report any potential problems with the vehicle and ensure they are addressed. The charity has been donated a dental trailer which could become a contingency clinic if required.
- 4. Loss of key personnel. Dentaid is fortunate to have a loyal workforce. Five of the 12 staff have been with the charity for more than 5 years including the CEO. Several members of staff have specific expertise that has grown with the charity and would be hard to replace. The experience, versatility and knowledge of the UK development manager would also be a great loss to Dentaid if she left the charity.
- 5. Costs of equipment donations overseas. Dentaid continues to supply projects with portable and fixed pieces of dental equipment. The costs of shipments are expected to rise in the year ahead due to Covid-19. This is a risk to the financial security of projects. There is also the risk of reputation damage to Dentaid if items arrive broken or do not reach their intended destination due to problems with customs and shipping. A detailed review of all areas of Dentaid's overseas work has been carried out. Projects will only be supported if Dentaid can be assured that that measures are in place to ensure smooth delivery once the equipment arrives in the country and will work with reliable shipping companies, we have built a relationship with.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Key management remuneration

Key management are remunerated in line with current market rate remuneration packages to ensure a good staff retention rate and minimise disruption caused by the loss of key individuals.

Key Management Personnel

The key management personnel of the charitable company comprises of the Chief Executive Officer. The total consideration paid and employee remuneration and benefits of the key management personnel of the charity was £36,491 (2020: Nil).

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

C Keanie Trustee

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DENTAID LIMITED

Independent examiner's report to the trustees of Dentaid Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of FCCA which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than
 any requirement that the accounts give a true and fair view which is not a matter considered as part of
 an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property - 10% on cost Plant and machinery - 20% on cost

Individual fixed assets costing £500 or more are capitalised at cost.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
