OBJECTS OF THE CHARITY

The objects of the charity are to advance the Christian faith globally, encourage Christian mission activities through evangelism and humanitarian outreach, relieve the poor and needy, provide help and comfort to the sick, and to raise awareness of the needs of people worldwide.

The charity particularly seeks to provide assistance to people and places where it is difficult for western organisations to give such aid.

In pursuit of these objectives the trustees expend the charity's resources on:

- (a) grants given directly to projects that are being run overseas (Grants to Overseas Projects)
- (b) touring the UK making people aware of needs overseas and distributing literature to regularly update people on needs and how these are being met (Public Education and Issue Awareness)
- (c) necessary administration incurred in the running of the charity. (Management and Administration)

The charity operates a single unrestricted general fund which can be used for any purpose that meets the charity's objectives.

CONSTITUTION

The charity is a registered charity constituted by a trust deed dated 17th July 1975.

The charity is run by trustees who make additional or replacement appointments as they deem necessary.

The trustees meet regularly but have appointed a secretary to help them run the charity on a day to day basis utilizing volunteers and paid staff where necessary. B Law was appointed to this role in December 2020.

During the year ended 31 December 2020 the following people acted as trustees:

Mr Mike Harris
Mr Jason Law

RELATED PARTIES

The charity is actively involved in joint projects overseas with the USA organisation and jointly produces the various mission outreaches globally.

Mr J Law is a member of the board of the US organisation as well as being a trustee of this charity.

REVIEW OF THE YEAR AND FUTURE DEVELOPMENTS

The Trust's activities during the year have been in the countries of Myanmar, China, Cuba, Iraq and Iran.

We believe that our consistent work in these countries will help us to continue to build and develop successful outreach including training, discipleship, humanitarian efforts, church planting and distribution of Christian literature, as well as humanitarian efforts.

Myanmar

During 2020 World Compassion continued to successfully operate the Children's Home with 52

WORLD COMPASSION TRUST

children, which provides clothing, toiletries, nutritious meals, education, health care, Christian education and housing. The church and pastor in Twante oversee the operation of the facility and care of the children. Using the ABC curriculum, we continued to train and disciple students and leaders through local churches and pastors, with a total of 840 students completing the ABC curriculum. 630 new students are now studying ABC. This outreach will continue to expand in 2021 as funding permits. The Ministry Training Centre(MTC) for mission students served 16 students for a nine month training session (August through April), and additional 27 students enrolled for the next nine months of training. A total of 89 students have graduated from MTC. The Charity continues to support church planting efforts in the country by supporting pastors.

China

The Charity continued its training and discipleship programmes in China throughout 2020. There were 1,000 new students enrolled and a total of 4,474 students studying in the ABC Discipleship and Leadership Training Programme. A total of 11,700 students have graduated from this 2 year program to date. We also started reaching audiences on social media platforms with devotionals from our ABC Training Programme. We enrolled 500 new students in the CMS Mission School Programme bringing the number of students that are currently studying CMS to 760. The ABC and CMS programmes continue to be a major outreach of World Compassion in spreading the Gospel in China along with significant training of believers throughout the nation.

Iran

The Charity's work of placing Bibles into Iran continued successfully in 2020. World Compassion successfully delivered 35,598 Bibles into Iran in 2020. To date 156,343 Bibles have been moved into Iran through various means. We plan to continue placing Bibles into the country, creating one on one connection points between Christians, new believers, and even Muslims that are seeking the truth in God's Word. To further support the leaders and pastors of Iran, we are planning to host a virtual Iranian pastors conference in 2021. The Charity also distributed 500 packs of food, supplies and Bibles during Christmas as an outreach to families.

Cuba

In 2020, the Charity continued to support church planting efforts in the country of Cuba. We helped two pastors with growing churches complete phase 1 of the construction of brand new church facilities. World Compassion also provided support for a pastor that is renting a facility to hold church services. With three other churches needing help to build or remodel, we plan to continue to partner with the pastors in Cuba to help their church planting efforts in 2021.

Iraq

In 2020, World Compassion continued working with a local church in Mosul to reach refugees, widows and orphans, visiting over 150 homes monthly. We provided them with a care package meeting their basic needs, as well as shared the Gospel and prayed with them. And during the pandemic, we provided food to over 1,000 families in need. We supported a pastor of a growing church in Sulaymaniyah. He was also able to plant two other churches in Ranya and Qaladza. We continued the sewing project for refugee women and helped open a second location in 2020. 62 women attended the sewing classes in 2020. Childcare is provided, the Gospel is shared and they are trained in sewing skills. World Compassion did a Christmas Outreach with local churches in Iraq to hand out 500 relief packs with Story of Jesus' in each pack to families in need. We also have a goal to start a mobile medical clinic in 2021.

Donor Education and Issue Awareness

The Charity met with several donors and pastors in the United Kingdom as a means to further communicate the mission of the organization, as well as, present updates on the accomplishments and goals for the continued work of the Charity. Jason Law visited a couple churches in the region. These donor meetings and various church/pastor meetings were instrumental in communicating the financial needs of the Charity in order to fund the various mission works going forward. Additional donor and church meetings will be planned for 2021 as permitted.

FINANCIAL REVIEW

The Trustees are pleased to report that over £52,000 in support of projects overseas was distributed in 2020. The Trustees are confident in the management of resources and work towards the continued growth in number of donors, legacy gifts, church and business relationships, as well as new ministry opportunities.

The Charity maintains a cash reserve as a means to address possible fluctuations in the monthly revenues and to insure the ongoing operations of the Charity in the UK. The financial stability and integrity of the organisation is very important to the trustees in order to continue to fulfil the mission of the Charity globally.

RISK REVIEW

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen those risks.

RESERVES POLICY

It is the policy of the Charity to maintain unrestricted funds at a level that will enable the charity to continue its day to day activities and to plan ahead.

RESPONSIBILITIES OF THE TRUSTEES

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure for the financial year.

In preparing those financial statements the trustees should follow best practice and

- select suitable accounting policies and apply them consistently
- make judgments and estimates that are reasonable and prudent and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue on that basis.

The trustees are responsible for maintaining proper accounting records which disclose at any time the financial position of the charity and to enable them to ensure that the financial statements comply with charity legislation. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
