Report of the trustees (or the "PCC") for the year ended 31 December 2020

The PCC present their annual report and financial statements of the charity for the year ended 31 December 2020. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland published (FRS 102) (effective 1 January 2019).

Objectives and activities

The object of the charity is to 'promote in the ecclesiastical parish the whole mission of the Church'.

The charity provides services and activities within the context of a Church of England Parish Church. Through these, its members seek to live the "life in all its fullness" in which Christ invites us all to participate. This is reflected in the Church's diverse congregation and activities - a congregation which embraces young and old (and all in between) and people from many different ethnic and national backgrounds; and a wide range of activities, which seek to enhance the spiritual, physical and social well-being of all those living in our community.

The PCC confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the charity's aims and objectives, in planning future activities, and setting the policies for the year.

The charity furthers its charitable purposes for the public benefit through:

- the provision of Church services, prayer meetings, fellowship groups and pastoral care for the benefit of members of the congregation and the parish;
- the financial support and management of a weekday Positive Steps Project held in the Church building, which offers services and activities to members of the community. All benefit the community in which the Church is located;
- the hiring out of rooms within the Church building at a less than commercial rate to community groups who provide activities that accord with the charity's aim of enhancing the spiritual, physical, mental and social well-being of those who attend e.g exercise classes, youth clubs, toddlers, over 50's and women's groups, community café, Narcotics Anonymous meetings, Chinese Church;
- the loan of a minibus to local community groups for the benefit of the community at a less than commercial rate; and
- the management of a shared community house, rooms in which are available for rent to congregation members, local Christians and a local community project at a less than commercial rate.

A review of our achievements and performance: How our activities delivered public benefit The main achievements during the year were:

 63 parishioners registered on the electoral role. Whilst the pandemic significantly affected numbers attending any services that were allowed to take place, the highest congregation attendance at a Sunday morning service between January and 22 March was 57 adults and 24 children. From the announcement of lockdown in March 2020 weekly services and prayer meetings and twice-weekly fellowship groups were held virtually via Zoom throughout the year and were well attended. Junior and Senior Sunday schools also took place via Zoom, mid-week and on Sunday evenings. Whenever possible a hybrid in-person and online service was held. One-off services and events were held when possible e.g. Ash Wednesday Evening Service and outdoor Community Carol Service.

- In April 2020 the Church received a three-year grant from the Council for Social Aid to help fund its long-standing Positive Steps Community Project. From the end of March, many of the Project's activities were transferred on-line, with participants of some of its weekly groups continuing to 'meet' virtually to stay connected e.g. Women's Footprints, Parent and Toddlers, Over 50's. Funding was received to provide additional support during lockdown e.g. setting up an online book club, distributing home planting kits, toddler activity packs, Christmas food hampers, tea and treats goody bags and well-being kits and fortnightly deliveries of homemade cakes to elderly congregation members and residents. As part of the Ardwick and Longsight Covid Mutual Aid Group, the Church delivered food parcels to local people.
- During lockdown, when the building was closed, the Church set up a "Brunswick Beestro" providing free take-away hot drinks and toasties to local residents. Working in partnership with two local organisations this was then extended to free take-away hot meals. From September onwards Cracking Good Food hired the Church kitchen five days a week to make up to 200 free hot meals a day for take-away and distribution.
- The Positive Steps Project Manager was employed throughout the year t ensure continuation of the Project for the benefit of local people. When the building had to close, the caretaker was furloughed. The Church re-claimed 80% of her salary through the CJRS, but paid her her full salary until she went on maternity leave at the end of September.
- The community house, owned and managed by the Church, was occupied by three residents and a community project for the majority of the year. A partnership was formed with Holy Innocents Church in Fallowfield to develop its use. Maintenance work was undertaken to keep it fit for purpose.
- Phase 1 of the building Refurbishment Project progressed slowly. Several grant applications
 were successful and gifts from congregation and ex-congregation members continued to be
 received. It was hoped that the remaining funds needed would be raised to enable work to
 start in early 2021.
- As a mandatory agenda item for each PCC meeting, various safeguarding actions were progressed throughout the year, to ensure compliance with the Church's duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016.
- The PCC established a Climate Group to look at issues arising from the Climate Crisis and how the Church might respond and initiate and take part in both local and national/international campaigns relating to the environment.
- Local (as well as overseas) mission partners were supported both financially and in prayer.

Financial review

Total income for the year was £137,951 (2019 £185,111). Giving (including gifts for the Refurb Project) accounted for £55,460 (2019 £97,023). Regular congregational giving and collections were only slightly lower than in 2019 (2020 £41,770 2019 £44,469). Donations for the Refurb Project accounted for £11,675 of the income received during the year. The PCC is very grateful to all those

who gave to the work of Church generally and also to the Refurb Project, particularly during such a difficult year.

As was expected, given that the building was effectively closed for much of 2020, room hire income was much lower than in 2019 (2020 £12,883 2019 £29,961) as were minibus donations (2020 £406 2019 £3,125). However, Barnabas house rent income was higher as an additional resident moved in during the year (2020 £17,520 2019 £15,360).

In April, the Church received £7,500 from the Council for Social Aid, being ¾ of year one of a 3 year grant towards the costs of its weekday Positive Steps Project. The Project Manager was successful in securing £20,412 in other grants during the year: for COVID-19 support, Women's Footprints, Toddler Group, Windrush and Young @ Heart activities and our community cafe. The Church received a Diocesan contribution of £5,400 to compensate for the rector's time spent working for Westcott College which, as in previous years, was used to support the Project, together with the usual annual contribution of £3,000 from the Church congregation.

The closure of the building and lockdown restrictions meant that the Church had to furlough its caretaker and Barnabas cleaner. It received HMRC CJRS grants totalling £3,825 to cover 80% of their salaries. The Church funded the remaining 20% to ensure that they received their full salary during furlough.

The Church was delighted to receive a grant of £12,000 from All Churches Trust towards its Refurb Project and offers of other grants which will be paid during 2021, when work starts.

Total expenditure in 2020 was £111,169 (2019 £119,890). The reduction in expenditure is due to the significantly reduced weekday programme, as a result of the pandemic. The Church was able to pay its Parish Share in full (2020 £22,000 2019 £22,520) and support its various mission partners.

Overall, it ended the year with a cash surplus (excluding depreciation) of £36,834 (the majority of which is restricted income) and net current assets at the end of 2020 stood at £270,262 (of which £106,286 is restricted Refurb funds and restricted grant funding carried forward).

As usual, 10% of giving, and tax relief received on Gift Aided giving, during the year has been set aside for mission support during 2021.

Investment powers and policy

The trustees, having regard to the liquidity requirements of operating the charity, have kept available funds in interest bearing deposit accounts.

Reserves policy and going concern

The balance held in unrestricted reserves at 31 December 2020 was £350,069 of which £57,013 is considered to be free reserves, after allowing for funds tied up in tangible fixed assets (£185,678) and Property Refurbishment Reserve (£107,378).

The trustees aim to maintain free reserves in unrestricted funds at a level that equates to approximately six months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to ensure that support and governance costs are covered for Church activities and its Positive Steps Project.

The trustees have conducted a review of the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Plans for Future Periods

Refurbishment of the Church Building: It is hoped that, subject to obtaining the remaining funding required, work on the first phase of the refurbishment will start in the first half of 2021. The Church will be looking for partners and funding for developing new activities/events in the refurbished hall. The Positive Steps Project: Despite the pandemic, the project continues to grow and flourish with the grants received and new activities developed during the year. The Church hopes to build on this with the development of the hall, in Phase 1 of Refurb, as a multi-use community space, in which local people can access more activities to improve their physical, mental and social well-being.

Night Shelter: The Church plans to support the Diocese's Winter Night Shelter Project during 2021.

Community Events: As part of a strategy to get 'more of the people in the mix more of the time', and building on the success of previous years, subject to restrictions being lifted, the Church plans to hold more community social events in 2021and beyond.

Climate Crisis: With the formation of its Climate Group, the Church plans to develop 'greener' policies around purchasing, energy, consumption etc. and to initiate and get involved in local and national campaigns relating to the environment.

Structure, governance and management

The Charity is a registered charity but, as it is a PCC of a Church of England Church, does not have its own constitution. Instead, as with all such PCCs, it is constituted by The Parochial Church Council (Powers) Measuer 1956 (as amended) and The Church Representation Rules (contained in Schedule 3 to the Synodical Government Measure 1969 as amended).

Appointment of trustees

New trustees are appointed by existing trustees at each AGM and serve for one year after which they may put themselves forward for re-appointment.

At the bi-monthly trustee meetings, the trustees agree the broad strategy and areas of activity for the Charity, including investment, reserves and risk management policies and performance. The day to day administration of the Charity is delegated to Rev Canon Simon Gatenby (Rector), Gordon Flear (PCC Secretary), Sally Jones (Treasurer) and, in relation to the Positive Steps Project, Maureen Blue (Community Programme Manager).

Trustee induction and training

On appointment trustees are given copies of the Charity Commission's Guide for Trustees "What you Need to Know, What you Need to Do" and the Church's Safeguarding Policies.

Trustees responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting principles and then apply them consistently;
- · Observe the methods and principles in the applicable Charities SORP;
- · Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provision of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 11th March 2021 and signed on their behalf by:

Rev. Canon Simon Gatenby

Chair of Trustees

INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF: 6a THE PAROCHIAL CHURCH COUNCIL OF THE ECCLESIASTICAL PARISH OF CHRIST CHURCH BRUNSWICK

I have examined the accounts for the PCC, for the year ended 31 December 2020 on pages 7 to 21 that have been prepared on the basis of the accounting policies set out on page 10.

Respective Responsibilities of Trustees and Examiner

As the church trustees you are responsible for the preparation of accounts; you consider that the audit requirement under section 144(2) of the Charities Act 2011 (the 2011 Act) does not apply. The charity is preparing accrued accounts and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales. It is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

Basis of Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records have in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act, have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting policies

(a) Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities, preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective from 1st January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

(b) Funds structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. The restricted funds are set out in note 14.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion have created a fund for a specific purpose.

Further details of each fund are disclosed in note 13.

(c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

(d) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

(e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

(f) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination and legal fees together with an apportionment of overhead and support costs where appropriate. Governance costs and support costs relating to charitable activities have been apportioned based on the use of church facilities.

The allocation of support and governance costs is analysed in note 6.

(g) Costs of raising funds

The costs of raising funds is £nil as it is undertaken by volunteers.

(h) Charitable Activities

Costs of charitable activities include governance costs and an apportionment of support costs as shown in note 6.

(i) Tangible fixed assets and depreciation

All assets or groups of similar assets purchased at the same time, costing more than £500 are capitalised and valued at historical cost. Depreciation is charged on the following

Buildings	2% on cost
Building Improvements	10% on cost
Office Equipment	20% on cost
Fixtures & Fittings	20% on cost

(j) Pensions

The charity currently makes contributions to a defined contribution pension scheme on behalf of individuals. The charity has no liability beyond making its contributions and paying across the deductions for the employees contributions.

(k) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

2. Related party transactions and trustees' expenses and remuneration

The trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2019: £nil). Except as disclosed below expenses paid to the trustees in the year totalled £nil (2019 £nil)

Simon Gatenby - Rectory and rector expenses are shown in Note 6, £2,274 (2019 £2,346).

Travel costs 3 trustees, included in curate and community events £nil (2019 £414.63).

Monies due from Simon Gatenby at 31st December 2019, £266.49 and monies owed to Simon Gatenby £129.98.

Donations to church from trustees in 2020 £13,040.

Name of unrestricted fund: General Fund Designated

Description, nature and purpose of the fund

The "free reserves" after allowing for all designated funds
The capital fund re the building reflects the carrying value of the
property in the accounts. These funds are fully spent.
The property refurbishment reserve is monies set aside by the
church for a major refurbishment to the building in order to facilitate
better use of the space and facilities for the congregation and wider
community.

Manchester Diocese (Westcott) - this is a contribution to the church in recognition of Simon Gatenby's time spent training Westcott students. The church has designated this to the Positive Steps project.

Total	49,702	301,459	98,717	449,878

16. Post balance sheet events

The trustees have taken into consideration the effect of the Covid 19 pandemic on the Church. The Church has been awarded a 3 year grant of £10,000 a year from the Council for Social Aid commencing 1st April 2020 and will support the continuity of the Positive Steps Project. The project is running a digital service during the period of lock down and has secured a grant to develop an online book club. The vast majority of regular giving is by standing order and so far this has continued at the same level.

We will continue to use the Coronavirus Job Retention scheme on a flexible basis while it is not possible to resume normal activities and while following Government guidelines.

As a result the trustees are confident that the Church is a going concern.

17. Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

14th May 2021

Dear Sally,

ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2020

Please find enclosed three copies of the accounts.

Please can you arrange to have them signed on Page 6 and 8, as before, and return one copy to me for my files.

Yours sincerely,

Lesley Anderson
