## **Structure, governance and management**

Jigsaw Events CIO is a registered charity in England and Wales under reference 1178363.

The first trustees were appointed on the formation of the Charity. Additional trustees may be appointed by the members or the trustees. During the year ended 31<sup>st</sup> March 2021, an additional trustee Mr W Moore was appointed by the trustees. At the first annual meeting of the members of the Charity, all the trustees retired from office in accordance with the constitution and were unanimously re-elected. At subsequent annual meetings one third of the trustees shall retire from office.

## **Objectives and activities**

The charity's objectives are to provide social and leisure opportunities for the benefit of people living in the Black Country and Birmingham, in particular but not exclusively people with a learning disability, those experiencing financial hardship or other difficult circumstances, with the object of increasing their social networks, promoting independence and increasing community inclusion.

It does this through delivering a programme of regular and one-off social and leisure activities that our members request.

## **Achievements and performance**

A summary of the activities we have delivered for our members is available on our website <https://www.jigsawevents.org/past-events>

Unfortunately, a number of the events which we had planned to hold in the year had to be cancelled or postponed due to the Covid-19 pandemic. As far as possible, however, these were replaced by online activities and by sending activity packs to members. The Charity has also provided support to members affected by the pandemic.

## Financial review

The Charity obtains its funds from grant income together with some fundraising and smaller donations. The main grant in the year was from the National Lottery under the Reaching Communities provisions. This is part of a funding agreement covering a four-year period from April 2020, and so should enable the Charity to operate successfully for at least the next three years. The previous agreement with the People's Health Trust ended on 31<sup>st</sup> December 2020. In March 2021, specific funding was granted by Sandwell Council for a six-month period to September 2021. This related to the provision of Covid-19 vaccination literature and other services related to the pandemic, specifically adapted for people with learning disabilities.
