Report of the Trustees for the year ended 31 December 2020

The trustees present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The organisation's objectives are to promote humane behaviour towards animals by providing appropriate care, protection, treatment and security for our animals. To educate the public in matters concerning animal welfare and understanding dog behaviour.

Public benefit

In considering the objectives and activities, the Trustees have considered the Charity Commission's guidance on Public Benefit to ensure that the organisation is meeting its Public Benefit requirements.

The public benefits we off as a Charity are as follows:

- The Charity regularly takes the dogs which have been abandoned to the stress of the communities we work in. In doing this we ensure the abandoned dogs are taken care of and rehomed to suitable forever homes and the Charity offer a lifetime of bank-up to that dog to prevent it becoming homeless again. By doing this, we ensure the community is not overrun by stray dogs, therefore create a benefit.
- We offer support to Social Services throughout the communities we work in and offer held and support when they need to rehome dogs for their service users, again creating a benefit.
- We offer free dog behavioural advice and training, to people from the communities we work in. In many cases, this can mean the dog can stay with the owners and prevents them having to come into rescues, providing a public benefit.
- We offer schools, colleges, community groups etc the opportunity to have us attend their meetings and provide advice on responsible dog ownership and tell them more about the work we do and home they can get involved. Although, due to COVID-19 this has been a little more difficult in 2020.
- We offer free microchipping to people in the local community helping them to comply with their legal requirements of microchippping any dog over the age of 8 weeks.

Volunteers

We are a volunteer run charity and do not directly employ any staff, which makes our volunteers invaluable to us. We have an impressive team of over 100 volunteers who bring a whole host of different skills to our Charity and ensure it runs smoothly day in day out.

ACHIEVEMENT AND PERFORMANCE

We believe our main achievement throughout 2020 has been to keep our charity running and succeeding through the COVID-19 pandemic. We have made significant changes to the way we operate and as a team, devised ways to safely continue with our much needed work. It has been a very challenging year with a lot of additional pressure being placed on us, but we've succeeded and continued to help as many dogs as possible.

To date we have rehomed over 600 dogs, a large percentage of which were taken from the local council pound and had been abandoned on the streets. Some of the dogs have come to us in emergency situations from Social Services. We offer a dog advisory services to try to keep 'problem' dogs in their own homes, and help owners better understand the needs of their dogs, which has been a lot more in demand with people getting puppies through the COVID-19 pandemic and being unable to socialise them adequately.

Unfortunately, due to COVID-19 our fundraising during 2020 has been severely restricted and we have been unable to undertake our annual Christmas Fair or attend local carnivals, so we've had to look elsewhere for funding. We have successfully applied for and received some significant sums of money from the likes of Animal Friends and Battersea Dogs and Cats Home, which we are really proud of.

We are the chosen charity for the Pets at Home in Queensferry, North Wales for the third year running. Unfortunately, due to COVID-19 we've been unable to attend store as we normally would to promote our charity, but instead we've done a lot more work online with them and shares a lot of information through Facebook and other social media platforms.

Report of the Trustees for the year ended 31 December 2020

FINANCIAL REVIEW

Financial position

The main areas of income during this extraordinary year were donations made when adopting or signing over a dog, financial support from the government for closure of our shop due to COVID 19, gift aid and lump sum donations from organisations to help towards the running of the rescue during the COVID 19 pandemic.

Our main area of spend is veterinary fees, which underpins the key objective of the charity by providing care to our animals. The dogs we take in which have been abandoned generally need a significant amount of veterinary treatment, which is the reason why this is the main area of spend.

Due to the uncertainty surrounding funding during 2020, we have limited spending to strictly necessary items and put off upgrade works such as carbon footprint reduction works, CCTV and search for premises to purchase. We are hoping to pick these back up once we return to some kind of normality.

Reserves policy

It is the policy of the Charitable Incorporated Organisation to maintain unrestricted funds, which are free reserves of three months' running costs, lease commitments and to keep at least six months' veterinary fees.

As at the end of the financial year the unrestricted funds totalled £95,497. The Charitable Incorporated Organisation requires £24,800.25 for three months running costs and £19,652.21 for six months' veterinary bills (total £44,452,46).

FUTURE PLANS

Due to the COVID-19 pandemic, we have been very limited in the methods of fundraising open to us. With this in mind, we will be looking at creating policies for grant making and legacies in the coming year to try and boost income.

We are currently looking at the possibility of delivering training sessions via video link, in order to keep up with our educational work.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Almost Home Dog Rescue is a registered Charitable Incorporated Organisation (CIO), number 1172601 formed on 18th April 2017, under the terms of their constitution dated 17th March 2017.

The Board of Trustees also forms the Executive Committee which appoints officers who are responsible for the day-to-day running of the Charitable Incorporated Organisation.

The Executive Committee shall consist of not less than 3 members. New Trustees may be recruited to the Board at any time by the Trustees. In selecting individuals for appointment as Trustees, the Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

COVID-19

We highlighted COVID-19 as a major risk to the charity and its volunteers in 2020. We have complied with all government advice/guidance and installed hand sanitising stations throughout the rescue and shop. We have also erected signs reminding people to socially distance throughout the rescue and shop. We have changed our appointment system to ensure only one volunteer at a time can book to walk dogs to ensure no crossover of people from different households.

We have an up to date Public Liability insurance policy in place to protect the Charity as far as is reasonably practicable.

1. ACCOUNTING POLICIES - continued

Financial instruments

The estimates and underlying assumptions are reviewed on an on-going basis.
