Trustees' Report

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 25 March 2009 and registered as a charity on 15 February 2010. The charitable company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the charitable company being wound up members are required to contribute an amount not exceeding £1.

The accounts comply with current statutory requirements and the charity's governing documents.

Recruitment and Appointment of trustees

The directors of the company are also charity trustees for the purposes of charity law and under the company's articles are known as members of the Board of Directors. Under the requirements of the Memorandum and Articles of Association the members of the board of directors are elected to serve for a period of one year, after which they must be re-elected at the next Annual General Meeting. Nominated members serve at the discretion of the nominating body.

All members will be circulated with invitations to nominate trustees prior to the AGM advising them of the retiring trustees and requesting nominations for the AGM.

New trustees are provided with a pack containing information covering the following:

- the content of the memorandum and articles of association
- set of recent board papers and minutes and dates of next meetings
- annual reports from the previous year

Objectives and Activities

The charitable company's objects and principal activities are to:

- a) promote for the benefit of the public the preservation, protection and improvement of Trenance Cottages, Newquay. The cottages are a group of late eighteenth and early nineteenth century, Grade II listed buildings.
- b) to advance the education of the public, in particular but not exclusively, in the heritage of the area and the arts.
- c) be a community hub and contribute towards improving social capital through volunteering.

Trustees' Report

The main concern and objective for the year was our financial survival during pandemic lock downs by securing help that the government offered. We also ensured the safety and well being of our volunteers, when we did open by following a strict COVID risk assessment and providing screens, masks, visors, notices and hand sanitizers. We were awarded a grant from the Lottery Fund Southwest during 2017 and this has enabled us to employ a Development Manager, an Admin Assistant and a Caretaker.

The Friends of Trenance Cottages was disbanded on 31 March 2019 and are now fully integrated into the Trenance Cottages Newquay membership.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity and are satisfied that systems are in place to mitigate our exposure to the major risks.

Organisational Structure

Trustees meet monthly and are responsible for the strategic direction and policy of the charity. Currently there are 12 trustees, the board of trustees are responsible for the day to day running of the charity.

Public Benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and projects.

Financial review

The charity had an overall surplus of £6,464 for the year ending 31 December 2020. Of this, a deficit of £9,294 before transfers relates to restricted funds. The deficit is covered by funds brought forward. Unrestricted funds have created a surplus of £15,758 arising from the rental income that the charity has collected now that the cottages can be fully utilised.

Trustees' Report

Level of reserves

The trustees have considered the reserves of the charity. They consider that the balance at the year end of £68,944 is required to help sustain the operations of the charity over the next twelve months.

Responsibilities of the Trustees

The charity trustees (who are also the directors of the Trenance Cottages Newquay for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the management committee are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charitable company will continue on that basis.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Trenance Cottages Newquay Independent Examiner's Report to the Trustees of Trenance Cottages Newquay

I report on the accounts of the charity for the year ended 31 December 2020, which are set out on pages 6 to 11.

Respective responsibilities of the trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145 (5)(b) of the Charitles Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking of explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with section 386 of the Companies Act 2006;
- the accounts do not accord with such records:
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS 102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Income

Donations, legacles and other forms of voluntary income are recognised as incoming resources when receivable, except insofar as they are incapable of financial measurement.

Grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

When donors specify that donations and grants given to the charity must be used in future accounting period, the income is deferred until those periods.

Incoming resources from charitable activity are accounted for when earned.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured relialy. Expenditure is classified under the following activity headings:

Charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other expenditure represents those items not falling into any other heading.

All costs are allocated between the expenditure categories of the Statement of Financial Activity on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Individual fixed assets costing £1,000 or more are capitalised at cost.

Property

not considered necessary as buildings have an infinite life

Equipment 20% per annum on straight line basis

Stocks

Stock is valued at the lower of cost and net realisable value.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transation value and subsequently measured at their settlement value.

Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity.

Restricted funds are subject to specific conditions by donors and grant making bodies as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Pensions

The company operates a defined contribution pension scheme. Contributions are charged to the Statement of Financial Activities as they become payable in accordance with the rules of the scheme.
