Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance in life and relieve the needs of young people living in London through the provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions in life, to develop their capabilities that may grow to full maturity as individuals and members of society.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The sole activity Sports Fun 4 All has delivered during the financial year was a football project for 13 – 19-year-olds at Downham Leisure Centre.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Yes, the trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Before I submitted my Charity Accounts, I spoke to Charity Commission staff and they gave me the guidance that I did not need to complete the full Trustees Annual Report as we had limited delivery due to the Covid-19 lockdown.

The sole project we delivered was a football project at Downham Leisure Centre. The sessions ran once a week on a Tuesday from 5.00pm – 7.00pm. The age group was 13 – 19-year-olds. The sessions were delivered by two Sports Fun 4 All coaches who were FA qualified, First Aid trained, and DBS checked.

The project provided:

- exercise to help residents live healthier lives that improved their mental and physical wellbeing
- activities that helped people to socialise and reduce isolation
- a positive environment for children and young people that offered praise and encouragement

The project:

- encouraged community participation through voluntary football coaching

- empowered residents with the confidence to use sport as a vehicle for change in their community
- built relationships between new and existing families
- offered free access to a facility that residents couldn't afford

The project:

- provided access to accredited qualifications and training which lead to employment
- improved the soft skills of young people that increased their employment opportunities

The funding for the project was provided by London Sport's Satellite Clubs Programme.
