You may choose to include additional information, where relevant, about: policies and procedures adopted for the induction and	CHCA operates the Riverside Community Centre where, in normal circumstances, it runs activities for school children and hires out halls for a multitude of activities. All our trustees have been DBS checked and we perform due diligence to ensure that all volunteers and hirers are insured, qualified and checked if running sessions that might include vulnerable adults or children.
training of trustees;	
the charity's organisational structure and any wider network with which the charity works;	
relationship with any related parties;	
trustees' consideration of major risks and the system and procedures to manage them.	

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

Clay Hill Community Association manages the Riverside Community Centre at Rosemoor Gardens, Newbury, and uses it as a base for its activities such as school holiday clubs and free food distribution. We make halls available to hire for private events, and support many local organisations that use our halls and rooms for purposes that benefit the whole local community and the natural environment.

In planning our activities we keep in mind the Charity Commission's guidance on public benefit.

We maintain and let out a community centre with two halls, two meeting rooms and a kitchen. We encourage but do not require hiring by local residents or for the benefit of local residents. During this year there were a lot of restrictions on activities but a lot of use was made of our centre by the West Berkshire District Council's Children's Services department for family contact sessions.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

During COVID lockdowns we have taken the opportunity to use the centre as a base for a team of 18 volunteers making scrubs to be given to the NHS and local care homes.

From the first COVID lockdown we have leafletted every address in Clay Hill, our home area of around 2,500 homes, and organised volunteers to help neighbours who were isolating or otherwise needed help. We know of 38 volunteers who responded and are aware of many others.

Throughout, we have been distributing food donated by supermarkets to FareShare. This happens between 4 and 7 times a week.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Prior to the COVID lockdown in March 2020 we had a very full programme of events in the community centre. Our role is to facilitate and support organisations and private individuals who need space for their activities.

We take pride in the standard of our centre and put a lot of effort into maintaining and improving it, from litter picking to installing LED lighting.

During COVID lockdowns we took several initiatives, mentioned above, one of which resulted in supplying the NHS with several hundred sets of scrubs at no cost to it.

Another called on our network of volunteers to deliver leaflets to every address to invite neighbours to help one another and to offer to help if no neighbour came forward. The response was heartening. It was apparent that many people wished to help and this greatly improved the sense of "community". This is perhaps the only positive outcome of the pandemic.

The year ended with another lockdown but a greater sense of hope.

Section E

Financial review

Brief statement of the charity's policy on reserves

We have maintained healthy bank balances throughout. Our cash flow has been relatively insulated from downturn in lockdowns as our major outgoing is directly related to our income.

We believe our reserves are adequate without being excessive and should allow us to implement new initiatives when life returns to normal.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Our major source of income is the fees that hirers pay to hire our halls and rooms. We have kept our rates constant for several years in order to keep fees affordable to all, in consideration of part of our catchment area being an Area of Deprivation.

We have not performed any fund-raising, nor been given any financial awards, grants or gifts.

Expenditure this year has largely gone on the running costs of our routine activities, including maintenance of the centre and its grounds.

Exceptionally, we purchased material for scrub making and items needed to make the centre COVID-safe such as free face coverings, disinfectant and hand-cleansers.

We have no investments outside our bank accounts, one of which is with the local Newbury Building Society which supports the local community.

Section F	Other optional information		

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees
