REPORT OF THE TRUSTEES for the period ended 31st December 2020

Principal Activity

The principal activity of the company is to advance the Christian faith among those with least opportunity to be supported locally by the Christian community.

Charitable Status

The company was registered with the Charity Commission as charity number 1144658 on 14 November 2011.

Governing Instrument

The company's activities are regulated by the Articles of Association, adopted at incorporation on 10 March 2011 and modified in April 2015 and April 2018. The objects of the company are:

a) To advance the Christian faith among those with the least opportunity to be supported locally by the Christian community, particularly through use of electronic media and other remote or peripatetic means, in accordance with the Statement of Faith from time to time adopted by Pioneers International.

b) To advance Christian education and training of those with the least opportunity to receive such education and training through a local Christian community.

c) To relieve need hardship sickness or poverty among those peoples with the least opportunity to be supported by a local Christian community.

d) To promote the efficiency and effectiveness of charities and their workers by the provision of secure information technology services to such charities

Directors

The above named have served throughout the period, except where otherwise stated. The directors of the company are also the trustees for the charitable activities of Xtend Global.

Appointment, Induction and Training of Directors

New Directors (Trustees) may be appointed during the year by the Board of Trustees. Each Trustee/Director is appointed for a period of four years and may be reappointed for a further four-year term, after which time he/she is required to stand down for at least one year before reappointment. In exceptional circumstances, the board may re-elect a trustee for more than two terms. The Directors (Trustees) are the only members of the charitable company. Induction and training of Directors is undertaken by the distribution and explanation of the company's foundational documents (Articles of Association) and Charity Commission and Companies House guidance (e.g. CC3 - The Essential Trustee: What you need to know).

Organisational Structure

The Board of Directors (Trustees) appoints and appraises the Executive Director of Xtend Global. The Executive Director of Xtend Global oversees the administration of the company as a whole. The Executive Director of Xtend Global appoints and appraises his own team of operational directors, in consultation with the Board.

XTEND GLOBAL – TRUSTEES ANNUAL REPORT

For the year ended 31st December 2020

Xtend Global operates as part of the worldwide mission movement known as Pioneers International, relating as one part of its Middle East region. The Pioneers Regional leader for the Middle East region is a member of the Board of Xtend Global.

Related parties

None of the trustees receive remuneration or other benefit from their work with the charity.

Pay policy for senior staff

In 2020, the Board of Directors (Trustees) together with the Executive Director of Xtend Global comprised the key management personnel of the charity in charge of directing and controlling, running and operating the charity on a day to day basis. No trustees are paid and details of trustees' expenses are shown in note 11 to the accounts.

In line with the policy of Pioneers International, senior staff, as with most of the staff within Xtend Global, are expected to raise the total cost of their employment through individual fundraising efforts in partnership with another charity within the Pioneers International movement.

Objectives and Activities

The registered objects of the company are stated above under **Governing Instrument**. The main activities of the company have been to communicate the Christian faith through media and the training of church leaders.

Achievements and Performance

In 2020, Arab World Media's online and social ministry sustained its reach and effectiveness in most areas. Our website content attracted 1.5 million visitors from 130 countries, mainly Arabic speakers. Our Facebook platform remains engaging, with Facebook ad garnering 1.8 million clicks. The Bible and other resources were downloaded 24,034 times.

Media to Movements continues to develop new partnerships with indigenous led networks of like-minded people who are using media for Church planting. Furthermore, our efforts to develop a network of media users within Pioneers with the purpose of seeing the effective use of media strategies for church planting grew in 2020 as more teams are participating in our initiatives.

At the end of 2020, the combined number of individuals being trained by PALM was in excess of 616, although precise figures are not available, given the autonomous nature of the groups. In-person trainings were significantly curtailed due to the Coronavirus pandemic.

Financial Review

The company received a total income of $\pounds 1,269,278$ (2019: $\pounds 1,312,534$) with a total expenditure of $\pounds 1,159,145$ (2019: $\pounds 1,295,230$). This resulted in a net surplus of $\pounds 110,133$ (2019: $\pounds 17,304$) for the year.

Total Restricted Funds increased from an opening position of £140,269 (2019: £54,252) to a year-end position of £2,024,024 (2019: \pounds 140,269). At 31 December 2020 total reserves were £3,147,543 (2019: \pounds 1,495,921) of which £635,181 (2018: \pounds 1,216,867) were designated to reflect the charity's designated fixed assets less accompanying loans.

Expenditure has been allocated to the appropriate heading by reference to internal guidelines of the company and on a reasonable and consistent basis.

Plans for future periods

In 2021, we will engage in a year-long programme to create new digital strategies for deeper engagement with seekers across the Arab World while also equipping new believers to help them grow in their faith. We expect a greater level of depth of contact with users as well as developing nurturing journeys with those who are at the beginning of their spiritual journey.

We intend to expand PALM's reach while continuing our commitment to the Arab World. We plan to hold more training schools, in-person and virtually as well as launch several translation projects of orality and training materials at various levels in several new languages.

Public Benefit

The trustees have had regard to the Charity Commission's guidance, including that on "Charities Working Internationally", the general public benefit guidance "Charities and Public Benefit", and the supplementary guidance contained in "The Advancement of Religion for the Public Benefit".

XTEND GLOBAL – TRUSTEES ANNUAL REPORT

For the year ended 31st December 2020

The public benefit arising from the activities of the company are:

Advancing the Christian Faith:

To advance the Christian faith throughout the Arab world, the charity has continued to work cooperatively with Pioneers International (globally) and with the Church across the Middle East and North Africa region. The Church across the Arab world has been encouraged in its witness and service of the wider community, sustained and supported despite facing mistrust, intolerance, and persecution in many contexts. Believers in rural areas or closed homes have been sustained in their faith through online discipleship and where possible, linked with other believers for encouragement. Though many are isolated or facing other challenges, the Body is heartened with boldness to serve and wisdom to witness.

Utilising the internet, Media communications have expressed a positive understanding of the Christian faith and respect for other beliefs in a setting where misconceptions and suspicions overwhelm.

We have added significant and relevant topics to our online training modules, particularly mental health issues. These modules give practical support for the many people struggling with anxiety, depression, post-traumatic stress disorder, and other psychological issues.

Advancing Christian education and training:

The charity has developed courses in a number of languages such as Hausa, Pular, and Kurdish. These are designed for people from the Arab world who seek to deepen their knowledge of the Christian faith and be able, in turn, to teach others. In 2020, we continued revising our Level 1 course and developing it to be a top quality resource. We also made progress in the translation of the Oral discipleship manual into other languages. Translations of Level 2 into Kabyle are continuing. Through these translation projects and Christian leadership trainings, our efforts have added to indigenous organisations' and leaders' capacity to develop and maintain culturally appropriate expressions of Christian faith.

Expanding Learning Opportunities for Oral Communicators:

Additionally, the expanded reach of our orality materials and trainings have increased access to Christian teaching and training, including written sources, and also helped empower oral communicators through successful learning experiences.

Reserves Policy

The trustees have established a prudent Reserves policy, focused on liquidity to ensure the steady continuity and development of operations for both Media and PALM, the two branches of ministry. They set a target for free reserves (unrestricted cash) of between three and six months running costs. The free reserves at the year end were £488,338 (2019: £138,785) which equates to approximately 5 months of running costs.

Risk Management

The trustees have considered the major risks to which the charitable company is exposed and systems or procedures have been established to manage those risks.

Going Concern

The charity has reviewed it's financial performance and general reserves position. The charity has adequate financial resources and is able to manage it's business risks. The charity's planning process has taken into consideration the current economic climate and its potential impact on the various sources of income and planned expenditure.

Taking into account all factors the charity has reasonable expectation that it has adequate resources to continue in operational existence for the foreseeable future and believe that there are no material uncertainties that call into the charity's ability to continue in operation.

The Covid-19 virus has had an impact on the Charities activities, largely with the inability to offer face to face training sessions, and dealing with worldwide travel restrictions, both before and after the year end. Whilst it is difficult to evaluate with any certainty the potential outcome on the charity's activities, the trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future.

Accordingly, the accounts have been prepared on the basis that the charity is a going concern.

Bankers

The company's bankers are Barclays Bank plc, Worthing.

Solicitors

The company's solicitors are Bates, Wells & Braithwaite, Cannon Street, London EC4M 6YH.

Auditors

The company's auditors are Hodson and Co., Wiston House, 1 Wiston Avenue, Worthing, BN14 7QL

XTEND GLOBAL – TRUSTEES ANNUAL REPORT

For the year ended 31st December 2020

Trustees' responsibilities in relation to the financial statements

The charity trustees (who are also the directors for the purposes of company law) are responsible for preparing a trustees' annual report and the financial statements in accordance with general applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safekeeping the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement as to disclosure to our auditors

In so far as the trustees are aware at the time of approving our trustees' report:

- there is no relevant information, being information needed by the auditor in connection with preparing their report, of . which the charitable company's auditor is unaware; and
- the directors, having made enquiries of fellow directors, have taken all steps that they are obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF XTEND GLOBAL

For the year ended 31st December 2020

We have audited the financial statements of Xtend Global for the year ended 31 December 2020 which comprise the Statement of Financial Activities, the Balance Sheet and the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at year ended 31 December 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate;
 or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

 adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF XTEND GLOBAL

For the year ended 31st December 2020

- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not obtained all the information and explanations necessary for the purposes of our audit;

Responsibilities of the trustees

As explained more fully in the trustees' responsibilities statement [set out on page 4], the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

The trustees have elected for the financial statements to be audited in accordance with the Charities Act 2011 rather than the Companies Act 2006. Accordingly, we have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- We obtained an understanding of the legal and regulatory requirements applicable to the Charity and considered that the most significant are the Companies Act 2006 and UK taxation legislation.
- We obtained an understanding of how the Charity complies with these requirements by discussions with management and those charged with governance.
- We considered the nature of the industry and sector, control environment and business performance including the design of the Charity's remuneration policies, bonus levels and performance targets.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.
- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in the following areas: overseas activity and operating in high-risk jurisdictions. In common with all audits under ISAs UK, we are also required to perform specific procedures to respond to the risk of management override.

Audit response to risks identified

As a result of performing the above, we identified the overseas operations as a key audit matter related to the potential risk of fraud.

In addition to the above, our procedures to respond to risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Enquiring of management, counsel concerning actual and potential litigation and claims;

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF XTEND GLOBAL

For the year ended 31st December 2020

- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- Reading minutes of meetings of those charged with governance and reviewing correspondence with HMRC;
- In addressing the identified revenue fraud risk: testing the revenue system software controls and vouching their donation income to supporting documentation; and
- In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.
- In addressing the identified risk of fraud through overseas operations, testing the appropriateness and legitimacy of overseas transactions; evaluating the rationale of transactions that take place with any high-risk jurisdictions as published by the Financial Action Task Force (FATF), for which there were none in our financial year.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect noncompliance with all laws and regulations. If a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilites]. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE ACCOUNTS for the year ended 31st December 2020

1. Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

i) Basis of preparation -

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Xtend Global meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements are presented in sterling (£).

ii) Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity. The trustees have assessed the impact of the Covid-19 virus and it is difficult to evaluate with any certainty the potential outcome on the charity's activities. However, the trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future. The financial statements have therefore been prepared on a going concern basis.

iii) Judgements

The preparation of the financial statements requires trustees to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

iv) Income recognition

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when they have been communicated in writing with notification of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the granting of probate when the administrator/ executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliable measurable with a degree of reasonable accuracy and the title to the asset has been transferred to the charity.

Interest on funds held on deposit is included upon notification of the interest paid or payable by the Bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

v) Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

NOTES TO THE ACCOUNTS for the year ended 31st December 2020 (continued)

vi) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprising the costs of providing external IT services, promotional and communication expenses
- Expenditure on charitable activities includes the media program costs, property costs and salaries undertaken to further the purposes of the charity and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

vii) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include administration and IT services and governance costs. These costs have been allocated between the cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 9.

viii) Grants

Income from grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

ix) Taxation -

The company has obtained charitable status and is generally exempt from income tax and capital gains tax, but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

x) Depreciation –

Depreciation of tangible assets is provided at the following annual rates in order to write off each asset over its estimated useful economic life:

Freehold property	2.8	2% straight line
Computer equipment		33 1/3% straight line
Equipment		20% straight line
Furniture & renovations	S#1	10% straight line

xi) Fixed Assets -

The threshold for capitalisation of fixed assets is £5,000.

xii) Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis.

xiii) Foreign Currency Translations -

Assets and liabilities denominated in foreign currencies are translated into sterling at the rate of exchange ruling at the balance sheet date. Transactions incurred during the year are accounted for at the rate of exchange ruling at that time. Any gain or loss on foreign currency translation is taken to the income and expenditure account.

xiv) Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks.

xv) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their

NOTES TO THE ACCOUNTS for the year ended 31st December 2020 (continued)

settlement value with the exception of bank loans which are subsequently measured at the carrying value plus accrued interest less repayments. The financing charge to expenditure is at a constant rate calculated using the effective interest method.

xvi) Consolidation

In the opinion of the trustees, the company and its subsidiary undertaking qualify as small as set out in section 383 of the Companies Act 2006 and have therefore taken advantage of the exemption provided not to prepare group accounts.

were transferred to the Unrestricted Fund in respect of internal services of office facilities, administration and IT services.

Staff support funds hold the funding by personal support donations for staff employed directly by the company whose funding may exceed their salary costs. The surplus is therefore carried forward to future periods.

The proceeds from the sale of the property in France are held for a special purpose less applicable costs.

	The Syria Appeal handles donations for the relief of those affected by the conflict in Syria. The Al Massira project produces discipleship training materials for Arabic speaking Christians. Funds were transferred to the Unrestricted Fund in respect of conference facilities provided.						
	The Nationals in Ministry project provid Global and the Arab World region.	les funds to	support the e	employment co	sts of Arab belie	evers who wo	ork with Xtend
