Chigwell Riding Trust for Special Needs

Report of the Trustee for the Year Ended 31st March 2021

The trustee presents their report with the financial statements of the charity for the year ended 31st March 2021. The trustee has adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Charitable objectives

The objects of the charity are to offer opportunities for therapy, achievement and enjoyment to its community of riders and volunteers through working with horses and ponies.

Reserve's policy

The charity depends upon investment income in addition to donations to meet annual expenditure. Consequently, a high level of funds is invested in equities and treasury stocks to provide regular income streams to assist with short-term provision of service and to provide capital growth to guarantee security in the longer term.

Public benefit during 2020/2021

In setting the objectives and planning the activities, the Trustee's Directors have given careful consideration to the Charity Commission's general guidance on public benefit. As one of the leading specialised riding centres in the country, Chigwell Riding Trust not only benefits people with special needs but also the entire community, giving opportunities for volunteering, school participation and practical experience for children and adults working with people and animals. To raise both funds and public awareness, events were held throughout the year. The manager, Deborah Hall MBE, visited many local schools and organisations. A great contribution was made by our volunteers. Without this contribution of time, energy and expertise, Chigwell Riding Trust would not have been able to achieve so much.

Social investments

The trustee is responsible for preparing the Trustee's Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Standards.

Law applicable to charities in England and Wales requires the trustee to prepare financial statements for each financial year which give a true and fair view of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements the trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable it to ensure that the financial statements comply with the Charities Act 2011.

It is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Chigwell Riding Trust for Special Needs

Structure, governance and management

Status

The Trust was founded in 1958 and the governing document is the scheme of commissioners dated 29th January 1993, as amended on 9th February 2000. The Trust is a charity and is registered with the Charity Commission under charity number 212644.
